Homemakers On Parade

Mrs. Thomas F. King, 1360 Hammack Dr., Morrow, has been a resident of Clayton County for the past eight years. She is an outstanding homemaker and mother who was born with a rare bone disease. Her medical prognosis was for a short life with no hope of normal activities such as marriage and children.

Today she is still a victim of this rare disease and has amazed doctors and relatives by still being alive. She is very much alive and active in the community and she thanks God daily for a wonderful husband and three children, Joy, 8, Terry, 7, and Christy who is three months old.

Her hobbies include collecting cookbooks, 52 in all, and she likes to cook gourmet style. She freezes fruits and vegetables in season and whole meals and baked goods for speedy meal preparation.

She has antiqued old furniture and enjoys decorating her attractive home with her own style of "budget decorating." She makes feather and paper flower arrangements and makes botique items such as soap trees, rick rack flowers, net swans, decorated soaps, marzipan candies; she also makes her own christmas gifts and decorations each year.

Mrs. King attended cake decorating classes and as a result kept busy decorating and catering for weddings in her spare time. Most of her artistic craft work has been done for family, friends and community fund-raising projects. But last year she entered the Southeastern Fair Exhibition for the first time and won a blue ribbon for a novelty cookie tree.

Her activities in the community reflects her love of people and life. She does not take her life for granted and feels that God has made her a living witness of faith and the power of prayer. She is past president and active in the Morrow Volunteer Fire Dept. Ladies Auxiliary and she is past president and current vice president of the Morrow Elementary PTA where she has also served as grade mother and hospitality chairman.

She is an active member of the Morrow Junior Woman's Club where she helps with the public affairs, homelife, social and fine arts departments. Mrs. King will represent her club and vie for the title of Georgia Homemaker of the year at the Southeastern Fair this year.

Mrs. King is a member of the Lake City Baptist Tabernacle where she has served as a vacation Bible school leader. She has also taught Sunbeams and served as Sunbeam director and social chairman of her Sunday school class. She enjoys giving devotionals and gives her testimony wherever she is invited in an effort to share her blessings and faith with others.

One of her favorite childhood memories is the experiences she had with her 80-pound German shepherd dog. Spooks helped her learn to walk again and in 1944 when she started school the Atlanta Journal ran a front-page human interest story of how Spooks insisted and found ways to at-

tend school with her.

Two years ago she was told she would soon be blind because of her incurable disease but Mrs. King has proved that faith in God is not old fashioned. As far as she is concerned, her role as a wife and homemaker is the most rewarding job in the world and the things she makes for her home and family have "loving care" stamped all over them.

The following recipe is a favorite that she carries to the many social functions she attends. This dish is always a great favorite with men.

HAMBURGER PIE

From Mrs. Thomas F. King

1 medium onion, chopped
1 lb. ground beef
3/4 tsp. salt
dash pepper and garlic salt
1-1 lb. can French cut green beans, drained
1 can condensed tomato sop

Cook onion in small amount of hot fat till tender but not

brown. Add meat and seasonings; brown lightly. Add beans and soup; pour into greased 1-1/2 qt. casserole. Put mashed potatoes in mounds over meat and sprinkle potato mounds with 1/2 cup shredded process American cheese. Bake in mod-

erate oven (350 degrees) 25 to 30 minutes.

To make this dish fancy for special company arrange plump tomato slices between potato mounds before baking; sprinkle with salt, pepper and buttered bread crumbs.

Free Press-News & Farmer, Thur., June 26, 1969 ☆ 3

Spotlight On Women

We are spotlighting this week, Mrs. D. L. Shirley, Jr. (Carolyn) who resides on Hammack Drive in Morrow, Ga. with husband Buck, and their three children Lynn 13, Laurie 10, and La Ree 8.

She came to Morrow as a bride in 1955 from neighboring Atlanta, (DeKalb County) and has lived in Morrow since that time.

This busy lady has combined home and career for the past seven years. She is employed in the Office of Clayton County Sheriff, Robert A. Deyton, as Secretary and Deputy Sheriff. The Clayton County Sheriff's Office is unique in that it is one of the few counties in Georgia, which has uniformed women deputies. Daily contact with the public, summoning jurors for jury duty by certified mail, and sending court notices for people to appear in both Superior and Civil-Criminal Court, make this job interesting and sometimes exciting. She says, "attending Judge Foster's Criminal Court", where she takes down sentences and collects fines, "is one of her most interesting duties."

The Shirley's are Baptist and attend Morrow First Baptist Church, where Carolyn has

been a teacher of the eight year old Primary girls for the past six years. She is a charter member of Morrow Jr. Woman's Club and is presently serving a second term as Second Vice-President and Program Chairman. She is a member of the Morrow Fire Dept. Ladies Auxiliary and is their current Secretary-Treasurer. Her husband is employed by General Motors Corp. (Atlanta Automobile Assembly Plant) and is Chief of the Morrow Fire Department and is the City Fire Marshall. One of the City Fire phones is in the Shirley home and anytime there is a fire or other emergency and no one answers at the Fire Station, she starts the call list of Volunteer firemen. This, of course, usually happens in the middle of the night. More excitement!

She feels that her responsibility to her children comes first and is a member of G. P. Babb Jr. High PTA and Morrow PTA where she serves as Publicity Chairman.

Carolyn's hobbies are writing, reading and collecting recipes. In her spare time, she tries out new recipes for casseroles and meat dishes and is especially fond of baking homemade cakes, cookies and candies for the children and fresh strawberry pie for her husband, Buck.

All three of her girls take piano lessons and are members of the "Dancing Waters" Parade Majorettes of which Lynn is Captain. Incidentally, this group will twirl and march in the Fourth of July "Salute to America" Parade in Atlanta for the second straight year. These activities not only keep the girls busy, but mother as well.

This entire family likes sports and attend many of the Braves' games and the University of Georgia football games. Family cook-outs and vacation trips are enjoyed in the summer and all year round when possible.

Spotlight on Women

A very outgoing and energetic personality we would like to introduce is Mrs. W. J. (Janie) McDaniel of Wendy Jean Dr., Morrow. Janie has been employed as bookkeeper/receptionist at Hill Mfg. Co. in Atlanta for the past 12 years. Since moving to Morrow four years ago most of the McDaniels' spare time has been devoted to working with the Morrow-Lake City Little League, Inc., and the Morrow-Lake City Recreation Association, Inc.

Janie and husband Bill have a son, Danny, who attends Jonesboro Junior High. The busy lady serves as chairman of the Youth Committee of the Morrow Junior Woman's Club and Bill, a Delta Airlines employe, serves as the Youth Chairman of the newly formed Exchange Club. From these clubs and their church, Morrow United Methodist, they see great community accomplishments. Their church, Rev. Randall Williamson pastor (who is one of their favorite people), the Junior Woman's Club and the Exchange Club each recognize the urgent need to support and show interest in youth and recreation in the area and are doing a great job to meet these needs.

Danny, who is now playing Connie Mack Baseball on the Orioles, started off four summers ago playing Little League ball and his dad started to manage a team at that time. This was their first introduction to recreation in this area and since that time there has been no stopping them.

Forming the Recreation Assn. was a giant undertaking to Janie and others who were interested in expanding recreational activities to include children of all ages and interests. Janie attended her first auxiliary meeting in February of 1967. At that time the only recreation in the area was Little League baseball, nothing for boys younger than 8 or older than 12 and nothing for the girls at all. Along with the Eddie Byrds the McDaniels went to Connie Mack League meetings in Forest Park to see if it were possible to start this group in Morrow-Lake City. They knew many of the boys playing would soon be 12 and out of Little League. In order to expand into other fields the area needed more than Little League and with the Little League workers forming the basis, many meetings were held and from this came the formation of the Morrow-Lake City Recreation Assn., Inc. Eight Little League teams were playing at the time the Association was formed and now they are supporting 33 baseball teams, including Little League,

Girls' Softball and Connie Mack baseball. Last winter the Assn. supported four Midget football teams and had a wonderful group of girls as cheerleaders.

"The Dream Come True" was the purchase of 17.8 acres of recreational land in Land City... but now the real work still lies ahead, raising the money to pay the \$35,000 bill for the land. Janie heads up the projects for fund raising for LOTA (Ladies of the Association) and is indeed proud to be a part of the Recreation Assn. and has faith in its continued growth and success, knowing some day it will be able to cater to all ages and all interests. Of course the first big step of the group is past... that of the purchase of the land. Four ball fields are being worked on presently and someday there will be tennis courts, outdoor basketball courts and maybe a gym and swimming pool.

The land has been purchased, however it is not paid for and there is still money to be raised to equip the land, i.e., dugouts, lights, backstops, fencing and on and on. The Youth Dept. of the Junior Woman's Club has undertaken the project of equipping a toddler's park to entertain the youngsters too small to participate in the Assn. scheduled activities.

Janie has served as secretary of the Recreation Assn. for the past two years and about 300 hours of her time has been spend doing paper work alone and distributing schedules, pitcures, tickets, books, pledges and just anything else that has to be done takes up many more hours. It's impossible to show how dynamic and enthusiastic Janie is but to give you some idea the couple just got back from a "spend the day" trip to New York City. It's impossible to believe all they crowded into a 13-hour trip, including flight time, but each of Janie's days is just as crowded—and for the children of the community who know her and follow her around, the days are very rewarding.

The McDaniels are great outdoor enthusiasts, swimming being a great part of their outdoor lives, and they are extremely proud to have a home on the "Big Pine Lake" right in their own backyard. With Janie's full time job at Hill, she still manages to pick up time after the Recreation Assn. work to make all her own clothes. You may find her doing her weekly ironing on the patio in a swim suit while getting a tan and doing a little sewing at the same time, or swimming on her lunch hour

Ben Scott throws first ball to initiate new field.

Morrow-Lake City Rec. Assn. Moves to New Land!

A big day in the Morrow Lake City area went by practically unnoticed by outsiders last Monday, June 9th, but to many in the Recreation Assn. it was a red-letter event, for it was the official moving day for all activities in the organiza-

tion. A long-awaited and painfully worked-toward occasion, the move was to be heralded by a parade and official "pitch-

out" of a ball on each of the three new ball fields, but as Fate would have it, the weatherman simply wouldn't cooperate, and rain prevailed over the opening festivities. However, Mr. Ben Scott did manage to toss one ball on the main Little League field to start a game, and it was decided that the Association will sponsor a "Grand Opening" at a later date!

June meeting: Pat King and Rue Powers

June meeting: Clydie Edge and Ola Levins

Morrow Juniors Present Departmental Plan of Work

The monthly meeting of the Morrow Junior Woman's Club was held Thursday, June 26th, at 8:00 P. M. at the Citizens and Southern Bank of Clayton County in Forest Park. The meeting was called to order by President Virginia Adams and all new members were welcomed into the club. Charlotte Scurry led the members in the devotional and club collect. She read a moving poem entitled "In Times Like These".

JoAnn Davis then read a short resume' on the Fourth of July thereby encouraging club members to fly an American Flag on the Fourth and all holidays. She then led them in the Pledge to the Flag.

The program for the evening was a demonstration on the proper steps and care taken in Decoupage. Mrs. Betty Watson of Doraville, Georgia was the speaker. She is a mother of six children, a grandmother, and former owner and operator of a Creative Crafts Shop in Gainesville, Georgia. Everyone thoroughly enjoyed her talk and seeing some of her lovely work. After the program, the meeting had a short recess for refreshments of punch, cake, mints and nuts. The hostesses for the evening were Rue Powers, Pat King, Clydie Edge, and Ola Levins.

Before the business session of the meeting, Mrs. Jean Bing presented club pins to the officers for the coming year. They are President, Virginia Adams; First Vice President,

Ellen Johnson; Second Vice President, Caroline Shirley; Recording Secretary, Jane Young; Corresponding Secretary, Y. Marlene Martin; Treasurer, Estelle Bell. A club pin was also presented to Judy Nolen for her outstanding job as Corresponding Secretary the past two years.

The business session began with the reading of the minutes of the last meeting which were approved as read. An audit of last year's books and the treasurer's report was given and the latter filed for audit. Correspondence received during the month was read to the club.

Plans of work of three departments were presented and approved. The Fine Arts Department presented plans to enter the Southeastern Fair in the Creative Skills division this fall. Club members were urged to enter an exhibit in the fair.

The International Affairs Department presented plans to correspond with local servicemen overseas. Phyllis Lawson, department chairman, would appreciate anyone contacting her who knows of anyone from Morrow serving overseas so that a member of the club can write to them. This department also is planning a "Penny-a-Meal Campaign" as a part of Project Concern. Each family is asked to deposit one cent per member of the family per meal for one month. This money will be collected at the end of a month and sent to Project Concern to buy government surplus food for the needy overseas. The club also plans to save cancelled foreign and commemorative stamps.

Free Press-News & Farmer, Thurs., July 3, 1969

The Home Life Department presented their plan of work and of current interest is the annual family picnic which is to be held August 2nd at Sigma Lake in Jonesboro. Interesting Plans are underway for this time of fun and fellowship.

The Budget and Finance Chairman, Charlotte Scurry, announced that the club plans a paper sale for the summer months. All members were urged to save their newspapers during the summer for this project.

After an informative and successful business session, the meeting adjourned at 10:30 P. M.

This money will be collected at the end of a month and sent to Project Concern to buy government surplus food for needy persons overseas. The club plans to save cancelled foreign and commemorative stamps.

The Home Life Department presented their plan of work. Of current interest is the annual family picnic which is to be held August 2 at Sigma Lake in Jonesboro. Plans are underway for a day of fun and fellowship.

Budget and Finance Chairman Charlotte Scurry announced a paper sale for the summer months. All members were urged to save newspapers for this project.

Dr. Downs Speaks To Morrow Juniors

The monthly meeting of the Morrow Junior Women's Club was held at the Citizen's and Southern Bank of Clayton County in Forest Park, Thursday, July 24 at 8 p.m.

Mrs. Virginia Adams, president, presided. The devotional was brought by Ola Levins, who also led the club members in reading the club collect and the pledge to the flag.

Dr. Downs, new president of Clayton Junior College, was introduced by Ola Levins. He spoke on the University System of Georgia. Architectural plans of the college were shown on slides by Dr. Downs and all the programs of study were discussed.

After the speech, refreshments were served by the hostesses for the month: Jo Ann Carlson, Virginia Adams, Shirley Beck, Janis Black, and Dale Blanton.

The minutes of the last meeting were read by Ola Levins and approved as read. Ellen Johnson, first vice president, read the treasurer's statement which will later be filed for audit. All correspondence for the past month was read. Members were urged to attend the annual club institute August 5 and 6 at De-

Kalb Junior College in Clarkston.

The departmental chairmen gave a review of projects and plans for the coming year.

Plans were discussed to get all members to bring articles to fill Red Cross ditty bags for servicemen.

Carolyn Shirley urged members interested in taking karate-judo lessons in August to call 366-8574. Classes are free and will start August 6.

The annual family picnic will be held August 2 at Sigma Lake in Jonesboro.

July meeting: Dr. Downs

June meeting: Mrs. Betty Watson

Morrow Juniors Hear Dr. Downs

The monthly meeting of the Morrow Junior Women's Club was held at the Citizens and Southern Bank of Clayton County in Forest Park, Thursday, July 24th at 8:00 p.m. Virginia Adams, President, presided. The devotional was brought by Ola Levins, who also led the club members in reading the Club Collect and the pledge to the flag.

Dr. Downs, the new President of our new Clayton Junior College, was introduced by Ola Levins. He spoke on the University System of Georgia. Architectural plans of the College were shown on slides by Dr. Downs, and all the programs of study were discussed.

Everyone was enlightened to hear more about "our College".

After the speech, refreshments were served by the hostesses for the month: Mrs. Jo Ann Carlson, Mrs. Virginia Adams, Mrs. Shirley Beck, Mrs. Janis Black, and Mrs. Dale Blanton.

The minutes of the last meeting were read by Ola Levins and approved as read. Then Ellen Johnson, first vice president, read the Treasurer's statement which will later be filed for audit. All correspondence for the past month was read too.

Virginia urges as many members as can to attend the Annual Club Institute, August 5th and 6th, at DeKalb Junior College in Clarkston, Georgia.

Most of the departmental chairmen gave a review of projects and plans for the coming year.

Anyone interested in buying Dupree at 474-8898. For each ticket sold, we get a dollar to help maintain the Tallulah Falls School.

Plans were discussed to get all members to bring articles to fill ditty bags for servicemen.

Morrow Juniors Club Has Picnic

Members and families of the Morrow Junior Woman's Club held their annual picnic Saturday, August 2, at Sigma Lake in Jonesboro.

The men cooked the hamburgers and hotdogs. All the other dishes were prepared by the club members of the home life department. Judy Nolen, home life chairman, made all the plans for the picnic.

SUNDAY, AUGUST 17, 1969 The Atlanta Journal and CONSTITUTION

DRAMA PROJECT

Tallulah Group Names Trustees

Special to The Atlanta Journal-Constitution

TALLULAH FALLS, Ga.—Tallulah Productions, Inc., a non-profit organization created to erect an outdoor amphitheater and produce an outdoor drama in Tallulah Falls Gorge by 1970, has announced its board of trustees.

Mrs. Mobley F. Childs of Atlanta has been elected president. F. Boyd Andrews, resource development specialist from the University of Georgia in Athens, is vice president. Tom S. Moss, owner of Tallulah Gorge Park, will be secretary; and Cliff Kimsey Jr., president of the Cornelia Bank in Cornelia, will serve as treasurer.

CHAIRMAN of various committees on the board of trustees include: Ben W. Burton, vice president, Georgia Power Co. in Athens (budget and finance); Jasper N. Dorsey, vice president of Southern Bell Telephone and Telegraph Co. in Atlanta (advertising and publicity); Mrs. Bruce Schaefer of Lakemont, and W. D. Padgett, group

vice president of the Trust Co. of Georgia in Athens (cochairmen of fund raising); Mrs. Jerry D. Peters of Brunswick, president-elect of the Georgia Federation of Women's Clubs (membership.) Moss will serve as chairman of the building committee.

Others include Dr. Leighton Ballew, head of the University of Georgia's Department of Drama and Theater (production); Mrs. Charles T. Graves of Clarkesville, publisher and editor of the Tri-County Advertiser (allied activities); and W. Henry Scott of Tallulah Falls, chairman of the local Tallulah Falls committee.

Other members of the board of trustees are Howard T. Tatham of Toccoa, president of

the Eagle Mountain Trout Lodge, Inc.; R. E. Cross of Clayton, owner and manager of the Cross Printing Co.; H. Fielder Martin of the Decatur law firm of Harrison, Martin and Childs; and John W. Jacobs Jr., president and general manager of Radio Station WDUN in Gainesville.

Alternate board member for Dorsey is Charles S. Henagan Jr., commercial division manager of Southern Bell in Atlanta.

The amphitheater is being designed by Cogswell-Hausler Architectural Associates of Chapel Hill, N.C., and will be constructed on the undeveloped north side of Tallulah Gorge.

Atlanta Journal editorial associate Eugene Moore is writing a play, "The Laughter of Winds," which will be presented nightly June 13 through Labor Day at the amphitheater.

Mr. and Mrs. Rudolph Johnson

MRS. CLAYTON COUNTY HOMEMAKER, Mrs. Tom King, center, with her three daughters from left, Terri, Christy and Joy. Mrs. King of Morrow will compete for the title of Mrs. Georgia Homemaker at the Southeastern Fair October 2.

Mrs. King Named County Homemaker

Mrs. Thomas F. King, 1360 Hammack Dr., Morris, is the new Mrs. Clayton County Homemaker. Mrs. King was selected Aug. 19 in Griffin by a panel of judges on the basis of her leadership and contributions in the fields of home, church, community and civic activities.

She was nominated by the Morrow Junior Woman's Club and has been a resident of Clayton County for the past eight years. She is an outstanding homemaker and mother who was born with a rare bone disease.

Mrs. King is an active member of the Morrow Junior Woman's Club where she helps with the public affairs, home-life, social and fine arts department. She is past president and still active in the Morrow Volunteer Fire Dept. Ladies Auxiliary and she is past president and current vice president of the Morrow Elementary PTA where she has also served as grade mother and hospitality chairman.

Today she is still a victim of this rare disease and has amazed doctors and relatives by still being alive. She is the mother of three children, Joy, 8, Terry, 7, and Christy who is five months old. Her husband is an aircraft mechanic for Delta Airlines.

The family are members of the Lake City Baptist Tabernacle where she has served as a vacation Bible school leader. She has also taught Sunbeams and served as Sunbeam director and social chairman of her Sunday school class.

A congressional district Georgia homemaker will be chosen from among the county winners in the sixth district at a later date. The district winners will compete for the title of Georgia Homemaker of the year and will be crowned on Georgia Homemaker Day, Thursday, October 2, at the Southeastern Fair in Atlanta.

Mrs. King and the other Georgia county winners will be guests of the Southeastern Fair

at the annual Homemaker Luncheon to be held at the fairgrounds on Georgia Homemaker Day.

Judges for the Sixth District competition who selected Mrs. King as Clayton County Winner were: Mrs. Doe Harden of Zebulon, representing the Georgia Home Economics Association; Mrs. Andrew Alexander of McDonough, representing the Georgia Farm Bureau; Mrs. Bobby G. Anderson of Jonesboro, representing the Georgia Federation of Women's Clubs; Mrs. John H. Gregg of Concord, representing the Georgia Extension Home Economics Council. The program is sponsored annually by the above organizations in cooperation with the Southeastern Fair Association.

Monday, September 8, 1969

The Atlanta Journal

GEORGIA HOMEMAKER

Mrs. T. F. King Receives Honor

Mrs. Thomas F. King of Morrow has been named 1969 Georgia Homemaker of the Year for the Sixth District.

The mother of three, Joy Leanne, 8; Terri Lynn, 7; Christy Lane, 4 months, she is a former typist for an insurance company and a former beauty consultant who uses her knowledge of makeup techniques to give demonstrations to organizations and individuals.

She designs and makes suits, coats, dresses, bedspreads, draperies and most of her lingerie including slips, gowns and peignoirs.

HER INTERESTS are flower arranging, handmade boutique items and cake decorating. She often makes the flowers for her arrangements making the blossoms of paper, feathers and pearl parchment.

Mrs. King has developed her own timesaving techniques. She cooks double amounts of food and freezes half for another meal. She plans family meals ahead, cans and makes her own jams.

She has worked to promote a better community understanding of PTA goals and encourages the community to appreciate its Volunteer Fire Department and Police Department.

SHE HAS worked on voter

MRS. T. F. KING
6th District Homemaker

registration drives and encouraged women to take advantage of self-defense courses in karate and judo.

As an active church member, she is a Sunbeam leader, Bible school teacher and social chairman of her class.

Mrs. King is an active member of the Morrow Junior Woman's Club (which nominated her for the homemaker), the PTA and Ladies Auxiliary of the Morrow Volunteer Fire Department.

Mr. and Mrs. King will be guests of the Southeastern Fair on Homemaker Day, Thursday, Oct. 2. The program is sponsored by the Fair in cooperation with the Georgia Home Economics Association, Georgia Federation of Women's Clubs, Georgia Farm Bureau and the Georgia Extension Home Economics Council.

High School Moves Outdoors

By JEAN TYSON

Atlanta Journal Club Editor

LAKE RABUN, Ga.—There was a time—way back before most of us came along—when students were taught in a one room building or out in the open.

As our society became more modern, so did our education.

A building with many rooms filled with rows of desks has become the place to learn.

Gazing out a window is sure to get the student a pass to detention hall after the last bell in the afternoon.

True, changes in education are for the better, but the past shouldn't be totally forgotten.

K. J. HARRIS, superintendent of Tallulah Falls School in Northwest Georgia, doesn't think students have to stay in-

side a classroom surrounded by four walls to learn.

"It is not necessary and binding that classes of a school always be held inside a formal classroom at the same time every day," Mr. Harris said.

"When we look around our area here and see all the resources available to us, we are silly not to use them. There are resources in our neighborhood that lend themselves to a school program outside the classroom."

THEREFORE the entire senior high summer school moved to Lake Rabun for a week of outdoor education.

The girls stayed in a private lake house and the boys pitched tents at a base camp. Classes were held on beaches, sun decks, boat docks and patios of private lake houses.

Sixty-one students and nine faculty members participated in the experiment.

"**THE APPROACH** to teaching had to be changed somewhat," Mr. Harris said, "to hold the students' interest. There were distractions such as boats on the lake."

The regular summer school program was carried out with the lake being used for experiments by biology and physical science classes.

Tallulah Falls School is a private school owned and operated by the Georgia Federation of Women's clubs. The purpose of the summer program is to give a student an opportunity to accelerate, enrich or make up his work.

THE STUDENTS liked the relaxed atmosphere of learning and attending classes in bathing suits. They also liked the idea of swimming during class breaks.

"Learning is more interesting out here," one student said. "We are assigned so much work to do in a class and when we get through we

can go swimming. This gives us something to make us want to finish out lessons."

Another student said she has learned more geometry in a week than she ever has in a classroom.

"**THE ATMOSPHERE** makes things different than at school where it is the same old routine," a boy said. "Here it is something different all the time and learning is fun."

"Learning is easier in the out-of-doors," another student said. "The subjects are more pleasant than in a stuffy classroom. Take English for example. If we are going to write about poetry, it is hard when all you have to look at are four walls. Here we have the right atmosphere."

Students are transported by boat from their outdoor class-

rooms to a base camp for devotions, general assemblies and meals prepared by students and faculty.

"**I KNOW** schools can do this sort of thing," Mr. Harris said. "It isn't impossible to do, it is a matter of giving a lot of time and work and many aren't willing."

"We first thought of having the program two weeks, but decided we would try it just one week the first time. I see no reason why this can't be done with the entire student body in the fall and spring. I would like to have our elementary school up here for a week starting with the third or fourth grade."

"This experiment will help to prove that learning is not a static situation, but a dynamic, mobile, changing one."

SOMEHOW STUDYING IS EASIER SITTING ON A LAKESIDE DOCK
Surroundings Give Poetry More Depth, Meaning

NOON MEALS ARE SIMPLE
Students, Faculty Prepare Food

Juniors Participate In Trimmastics

The monthly meeting of the Morrow Junior Women's Club met Thursday, August 28th at the Citizen's and Southern Bank of Clayton County in Forest Park.

The meeting was called to order by President, Virginia Adams.

Rue Powere brought a very inspiring devotional. Then the Second Vice-president, Carolyn Shirley, lead the members in Monday who is with the Morrow branch of the Y.M.C.A. She spoke on weight-watching, and we really appreciated her advice.

After the exercises, the refreshments were served. Hostesses for the month were: Shelby Cathcart, Estelle Bell, Jean Bing, Beverly Bond, and Judy Benefield.

Judy Nolen, Home Life Chairman, started the business session. She told club members about the interesting things that we learned at the Annual Club Institute. The main topic discussed was "Family Safety".

The chairmen of all the departments and committees brought up all the plans of work for the year, and they were all approved.

There will be a "Spagetti supper" sometime in October. We will also sell "Christmas cards" this year.

Items for the Red Cross Ditty Bags for servicemen were collected by Phyllis Lawson of International Affairs.

Chairman of Fine Arts, Barbara Herren, encouraged members to enter the creative skills division of the Southeastern Fair.

The sale of "Six Flags Tickets" has been extended through October. Anyone interested in buying tickets call Sue Dupree at 474-8898. For every ticket sold we get a dollar to help the Tallulah Falls School.

A trip to Tallulah Falls School is planned on October 14th. All members were urged to go.

Chairman of Public Affairs, Beverly Bond, said that we would promote the School Savings Program at the elementary schools this year.

Chairman of the Community Improvement Project, Joann Davis, said that through the generosity of Councilman, Dr. Tommy Allen; we have a water meter installed now at our railroad crossing. "Thank you Dr. Tommy Allen". Now we can keep our plants and scrubs watered.

The Executive Board brought up the motion to furnish a room at the new Clayton Hospital. The motion was approved by the members, and it will be paid over a period of three

CLAYTON COUNTY JOURNAL, Wednesday, September 3, 1969

Morrow Jrs. Furnish Room

The Morrow Junior Woman's Club held its monthly meeting Thursday, August 28, at the Citizens and Southern Bank of Clayton County. The meeting was called to order by Mrs. Virginia Adams, president.

All club members wore sport clothes and got tips and exercising from Mrs. Shari Monday who is with the Morrow branch of the YMCA. Refreshments were served by Mrs. Shelby Cathcart, Mrs. Estelle Bell, Mrs. Jean Bing, Mrs. Beverly Bond and Mrs. Judy Benefield.

The club voted to send \$50 to the Red Cross for the disaster of "Hurricane Camille." The executive board brought up the motion to furnish a room at the new Clayton County Hospital. The motion was approved by the members and will be paid over a period of three years.

Mrs. Marlene Martin, corresponding secretary, gave out awards from the cancer society. Members who helped with the cancer drive included: Mrs. Adams, Mrs. Marlene Martin, Mrs. Joann Davis and Mrs. Bond.

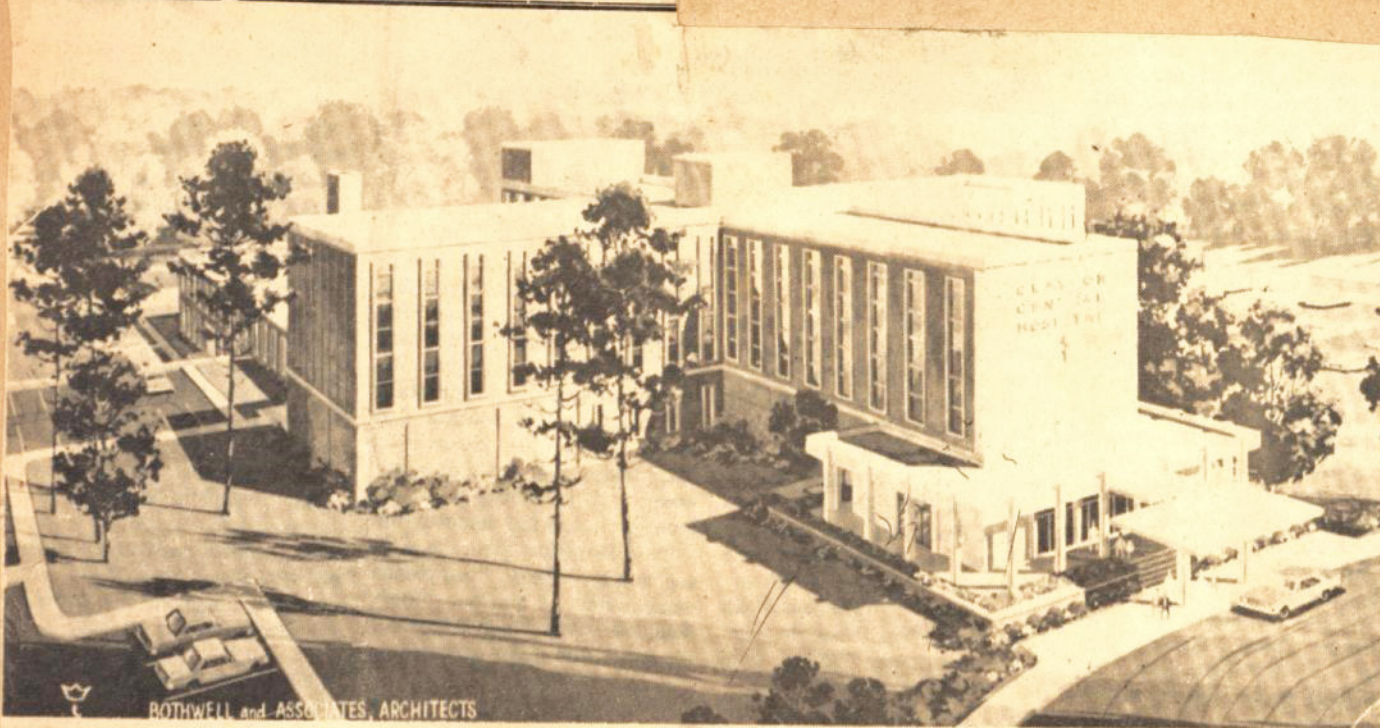

years.

The club also voted to send \$50 to the Red Cross for the disaster of "Hurricane Camille".

Corresponding secretary, Marlene Martin, gave out awards from the Cancer Society. All the girls who helped with the Cancer drive (above and beyond the call of duty) were: Virginia Adams, Marlene Martin, Joann Davis, and Beverly Bond.

After all the business was discussed and approved, the meeting was adjourned.

Clayton General Hospital Progress

Mr. Donald M. Hastings, Sr., Chairman of the Clayton County Hospital Authority, announced today that construction work on the new Clayton General Hospital is progressing as planned. Completion in early 1970 is expected. In summarizing the construction phase, Mr. Hastings stated that funds have been provided for building and for major equipment by the bond issue voted by Clayton County in 1965.

Furnishing all areas of the hospital including patient rooms, consultation and examination rooms, nurseries, the mental health wing, and the initial stock of food, drugs and linen will require \$200,000. Interior furnishings of this type are normally provided through local contributions and gifts. Business firms, industries, labor groups, clubs, other organizations and individuals through their support will help get this essential community service off to the right start.

Numerous clubs and organizations have already been working and planning on means to help provide the furnishings of the hospital. The pledge payments are tax deductible and may be spread over a period of three years. Those wishing to have a part in this project may give the sum needed for furnishing a particular room or an area with such area as a memorial of a loved one with an appropriate plaque identifying the one memorialized. Other groups may select a room to furnish with identification recognizing the giver.

The Hospital Authority is using space provided in the Clayton County Chamber of Commerce building on Tara Boulevard (South Expressway) as headquarters for this drive. Individuals, firms and clubs desiring information may call 478-6549.

and will through its many committees continually review and evaluate the overall quality of medical care given in the hospital.

Bedroom space in a hospital takes up only about 25% of the building. In addition to the nursing units, there will be 12 to 15 other departments included.

Continued on page 5

The Background And A Tour Of The New General Hospital & Mental Health Center For Clayton County

On Upper Riverdale Road in Clayton County a new public hospital is being built. Services planned in this new community service facility include 150 beds for medical, surgical, obstetrical and pediatric patients and a 20 bed unit for patients with mental health problems. You know the history of the development of the hos-

pital program beginning with the interest and promotion efforts of physicians, public health people and other civic leaders in the County.

The Clayton County Commissioners, in June 1962, assigned responsibility for program planning, financial planning, building and operating a new general hospital for the

citizens of Clayton and neighboring areas, to a newly created Clayton County Hospital Authority. The authority has powers and purposes as defined in the Georgia Health Code, Chapter 99-15. The Trustees appointed to the Authority included: Orestus H. Adamson, W. B. Casey, Ernest A. Dunbar, M.D., E. T. George, Donald M. Hastings, Sr., John W. Hopkins, Clarence E. Lamb, Sr., Brenard H. Murphy, and H. G. Voyles. A vacancy created by Mr. Clarence Lamb moving from the County was filled by appointment of Thomas B. Clonts to the Authority and R. B. Plant succeeded the late E. T. George. Trustees are appointed for three year terms with three members' terms expiring each year. The Trustees serve without pay. A Committee of physicians and of public health workers has continually given advice and assistance in planning activities.

In 1965, the people of Clayton went to the polls and voted for a general bond election for \$2,000,000.00, to be used to match anticipated Federal and State grants-in-aid provided under the so call Hill-Burton Program. An architect and a hospital planning consultant was employed and planning for the building began. Though all local planning was completed earlier it was not until the fiscal year ending June 1967, that the federal funds were available for the project.

While waiting for priorities for federal funds, studies and efforts by the County Mental Health Association, acting with

the county health department staff, in particular, Mr. Robert Pulliam, Director of the Mental Health Program, and others resulted in joint planning with the Hospital Authority to include psychiatric beds and a comprehensive mental health program. A \$400,000 general bond issue was voted by the people to add the mental health facilities as part of the hospital building.

In December, 1967, the building contract was signed showing an estimated completion date in January, 1970. The total estimated cost of the project is \$4,865,896.00 (\$3,931,195.00 and \$934,701.00 for the mental health wing). There has been some delay in building due to weather conditions at the time of site preparation; however, progress is satisfactory at the present time.

This hospital is needed, there is no doubt. According to national standards we should have four beds for every one thousand people in the area. One out of every ten persons goes to the hospital each year. A patient is admitted to a hospital every 1 1/2 seconds. A 1968 report by President Johnson's Health Study Commission estimates that by 1975 the health services will be the nation's largest user of manpower.

The quality of medical care provided at the Clayton General Hospital will be determined by the organized medical staff. The medical staff will be made up of doctors in the area who have met the minimum recognized qualifications for the practice of their profession and specialty. The staff will elect officers and chiefs of services

New General Hospital

Continued from page 1

ing x-ray, laboratory, food service, laundry, business office, pharmacy, operating rooms, delivery rooms, engineering, housekeeping, purchasing, medical records, and others.

Perhaps we can describe what you will have by taking you on a tour of the new hospital.

From Upper Riverdale Road we approach a very attractive entrance and enter a lovely but simply equipped lobby. This is the first floor. The hospital has four floors and a basement and is constructed in the form of a cross with four wings.

As we enter the lobby we see directly in front of us the information desk, perhaps manned with a volunteer. To the right as we enter we see a glassed-in area, housing the snack shop and vending machines. To the left is a small gift shop. Near the information desk is a room set aside and specifically furnished as a bereavement room for patients' families.

College Moves Into

First Buildings

Clayton Junior College, Georgia's newest state college, moved into its new administration building Friday from temporary offices in Forest Park.

The college will begin orientation for all students on Sept.

2 and will continue taking applications for the fall term through Sept. 9. At present some 1,000 students are enrolled for the first school term.

The college is located on a 154-acre tract in Morrow and

much of this land will undergo additional landscaping and road improvement before school begins. While buildings were under construction every effort was made to save all the trees possible. The result is a tree-filled campus dotted with three ponds and a large lake.

A landscaping contract for some \$100,000 was recently let to a Dalton firm that plans to add hundreds of azaleas, dogwood, forsythia and other native shrubs and trees. When com-

pleted the effect is expected to be along the lines of Callaway Gardens, a college spokesman told the Clayton County Journal Friday. Malls and garden spots will be developed throughout the campus, according to plans.

Roads through the campus and sidewalks are being paved. The administration, large academic buildings and student center will all be completed before school starts and a round lecture hall in the center of the quadrangle is the only building

in Phase 1 construction that may not be ready for the opening day. Architects Bothwell, Jenkins, Slay and Associates have planned the building along low, contemporary lines on the commuter college concept. Day and night classes will be offered at a cost of \$80 per quarter for a full time load. For in-state persons taking less than 12 hours, the cost is \$7 per hour of credit. Out of state students will pay \$8 per hour of credit or \$90 for a full class load. Adult classes will be offered.

8A***CLAYTON COUNTY JOURNAL, Wednesday, August 20, 1969

Business and civic groups will be urged to use the facilities to train associates. These classes will be built around popular demand at first and groups that want special training are being asked to contact the college with their requests.

President Harry Downs said that the first scholarship the college has received was allocated recently by the state regents. Clayton County received \$3800 of a \$200,000 state appropriation for Regents' Scholarships.

These scholarships are available to fulltime students who find it difficult or impossible to attend college without financial assistance. They must be in the upper 25 percent of their classes in previous academic work.

Sixth District Selects Morrow's Mrs. King

Mrs. King

Mrs. Thomas F. King of Morrow, 1969 Homemaker of the Year for the Sixth District, will be honored at the Southeastern Fair on Homemaker Day Thursday, Oct. 2. Pat says she believes that "a wise and happy woman stays well informed and never quits trying to improve herself."

The Clayton County homemaker is the mother of three children, Joy Leanne, 8; Terri Lynn, 7, and Christy Lane, 4 months. Pat is a former typist for an insurance company, an ex-beauty consultant who still gives demonstrations to organizations, and a seamstress who designs and makes suits, coats, dresses, bedspreads, drapes and most of her lingerie, including slips, gowns and peignoirs.

Though her hands are partially crippled from a bone disease, Pat also arranges flowers, makes handmade boutique items, and decorates cakes. She recently started catering small parties and weddings and makes some of her own flowers for arrangements, using paper, feathers and pearl parchment. She raises and clips poodles.

Pat was nominated for homemaker honors by the Morrow Junior Woman's Club, headed by Mrs. James P. Bing. She is an active mem-

ber of the Morrow Junior Woman's Club, the Parent-Teacher Association and the Ladies Auxiliary of the Morrow Volunteer Fire Department.

Married to an aircraft mechanic with Delta Airlines, the Sixth District homemaker is a champion cook who's developed her own time-saving techniques. She does a lot of what she terms "split-level" cooking — cooking double amounts of food, freezing half for another meal. She freezes whole meals from leftovers. Using very old recipes, Pat makes unusual jams such as banana jam, kippered cherries and others.

Pat has worked to "promote a better community understanding of PTA goals, and to encourage the community to appreciate its Volunteer Fire Department and police department." She's participated in voter registration drives. One of her interests is getting women to take advantage of self-defense courses in Karate and Judo. In her church, she is a Sunbeam leader and Bible School teacher.

Mrs. King and her family will join the other district winners as special guests of the Southeastern Fair on Homemaker Day.

The Georgia Homemaker

Program is sponsored by the Southeastern Fair on Homemaker Day.

The Georgia Homemaker Program is sponsored by the Southeastern Fair in cooperation with the Georgia Home Economics Association, Georgia Federation of Women's Clubs, Georgia Farm Bureau and the Georgia Extension Home Economics Council.

Astronaut's Wife to Crown 1969 Georgia Homemaker

Mrs. John Young, wife of Astronaut, Commander John Young, will crown the 1969 Georgia Homemaker of the Year at the Southeastern Fair on Georgia Homemaker Day, Thursday, Oct. 2.

Mrs. Young, the daughter of Mr. and Mrs. R. A. White, was born in Savannah, Ga.

She is the mother of two children, Sandra, 12, and

John, 10. She has been a full time homemaker since her marriage in December, 1955.

She has been active in the Muscular Dystrophy Association and at present, is vice president of the National Muscular Dystrophy Association. She also teaches a Sunday School class.

The 10 Congressional District Georgia Homemakers and their husbands will be guests of the Southeastern Fair Tuesday, Sept. 30.

The District Homemaker winners are Mmes. Cloyce T. Martin of Statesboro, Fred B. Collins of Whigham, Richard H. Hill of Columbus, C. H. McLendon of Conyers, J. V. Napoli of Atlanta, Thomas F. King of Morrow, I. B. Johnson Jr. of Marietta, R. M. Cooper of Waycross, M. C. Doss of Toccoa, D. A. Dodd of Covington.

Wednesday, Oct. 1, the Homemakers will be the honored guests of Davison's at a special luncheon. Wednesday, they will be interviewed by the four state judges, who are Dr. Daniel F. Hobbs Jr., representing the Georgia Home Economics Association; Mrs. P. R. Smith, representing the

MRS. JOHN YOUNG

Georgia Farm Bureau; Dr. Tommy Walton, representing the Georgia Extension Home Economics Council; Mrs. E. Parker Brown, representing the Georgia Federation of Women's Clubs.

Thursday, Oct. 2, Mrs. Young, the County Homemaker winners and the District Homemaker winners will be honored guests of the Fair at a luncheon. Following the luncheon the Georgia homemaker program will take place at 3 p.m. in Fair Center.

MRS. TOM KING

Morrow Homemaker Wins District Title

The Southeastern Fair on Homemaker Day, Thursday, October 2, will honor Mrs. Thomas F. (Pat) King of Morrow who is the 1969 Homemaker of the Year for the Sixth District.

Born with a rare bone disease that has partially crippled her hands and likely will eventually lead to further handicaps, including blindness, the Clayton County homemaker has "amazed" doctors that she is still alive. Ane she's amazed friends with her wide range of accomplishments and her

happy, out-going approach to life.

Mother of three children--Joy Leanne, eight; Terri Lynn, seven; Christy Lane, four months. She sews and uses her talent to design and make suits, coats, dresses, bedspreads, drapes and most of her lingerie, including slips, gowns and peignoirs.

People from throughout the Greater Atlanta area who hear of Pat's talent call on her for flower arrangements, hand-made boutique items and her famous hand-decorated cakes. She recently started catering small parties and weddings. Pat makes an average of three cakes each week not counting those for weddings and parties. She often makes the flowers for her artistic arrangements, fashioning blossoms of paper, feathers, pearl parchment. She raises and clips poodles.

Pat was nominated for homemaker honors by the Morrow Junior Woman's Club, headed by Mrs. James P. Bing. Pat is an active member of the Morrow JWC, as well as the PTA and Ladies Auxiliary of the Morrow Volunteer Fire Department.

She always puts her family's needs first and in return they take great pride in her accomplishments and encourage her to further develop her many talents.

dale, Forest Park, Morrow and Jonesboro Juniors were awarded certificates of appreciation for their support at the recent annual meeting of the Clayton County Cancer Unit held at the Atlanta Army Depot.

Clayton County's four federated Junior Women's Clubs joined forces last May 24 and successfully staged the second annual "Highway Robbery" to benefit the Clayton County Cancer Unit.

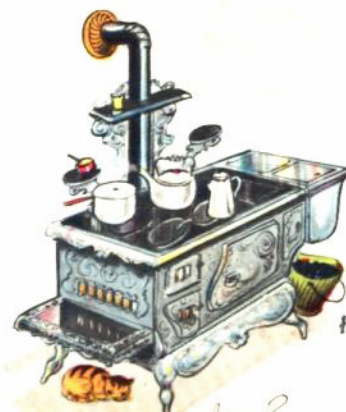

This united effort of club members of the Jonesboro, Morrow, Forest Park and Riverdale Juniors added up to a total of \$1,700 collected county wide.

Approximately 25,000 pieces of life saving literature were distributed during the event held in each community. According to Mrs. Mills McAfee, president of the Clayton County Cancer Unit, it is estimated that 410 Clayton County citizens will be under medical care for cancer this year.

At the present rate, cancer will strike one person in every four, and it will strike in two

of every three homes. Approximately 19,950 people now living in Clayton County will have cancer if the present rate continues.

This united project of the club women of Clayton County demonstrates the power of women in the community. The River-

Tallulah Falls School Is Morrow Club Topic

The Morrow Junior Woman's Club held its regular monthly meeting Thursday, Sept. 25 in the community room of the Citizens and Southern Bank of Clayton County.

Mrs. John W. Adams, president, called the meeting to

order. The devotional was brought by Mrs. J. T. Henderson.

Mrs. Ike Dupree, Tallulah Falls chairman, presented Mrs. Charles Larcom, Fifth District Tallulah Falls chairman, who gave a talk on the Tallulah Falls School. Her talk was followed by a question and answer period.

During the social hour articles were auctioned off to raise money to buy some needed things for the Tallulah Falls School. A trip to the school by club members is planned for Oct. 14.

Mrs. William Herren was chosen as a nominee for the "Citizen of the Year" in the contest sponsored by the Chamber of Commerce.

Beginning Oct. 1 club members will begin the Penny-a-Meal Project for Project Concern. At every meal during the month of October each family will deposit a penny in a bank for each member of the family. At the end of October these banks will be collected and the money sent to Project Concern.

Hostesses for the evening were Mrs. Charles Bradfor, Mrs. David Cheves, Mrs. Jim Dorminey, Mrs. William Crisp, and Mrs. Albert Beck.

The 1969-1970 club year is upon us. It is rich with promise, but we cannot open those doors to community service unless we are willing to face challenges.

SO--

I challenge you as a person to:

- (1) face your real self*
- (2) accept your failures with equanimity*
- (3) utilize your strengths in constructive and satisfying self-development*

I challenge you as a club to:

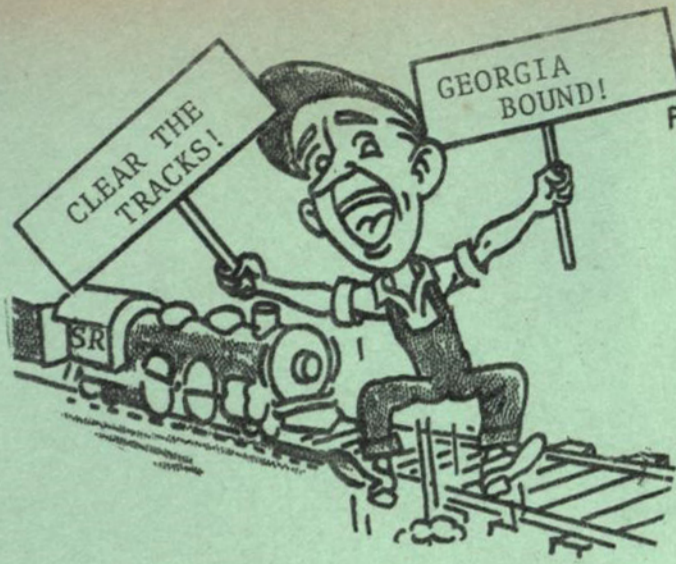

- (1) set goals generally acceptable to your members*
- (2) seek service to all mankind, not just to people who meet your approval*
- (3) get involved in building better community relations*

I challenge you to lead your community to:

- (1) analyze itself realistically*
- (2) find better ways to live together*
- (3) be willing to use the best of the many ideas presented by all facets of the community.*

I DARE YOU TO LIVE!

Club Collects Postage Stamps

By JEAN TYSON
Atlanta Journal Club Editor

Morrow Junior Woman's Club is one of the Georgia Federation of Women's Clubs Junior Conference members collecting stamps. Grown women are tearing those cancelled postage stamps right off the envelopes.

Well, not just any stamp. These women are particular. They want just the commemorative and foreign ones. The club admits people aren't turning in the stamps the way they should. To make sure they get at least 42, the current bulletin from the organization bears a commemorative stamp. It is hoped the members will bring them to the next meeting.

The stamp project is one of the Junior Conference and many clubs in the state are participating. Clubs in other states are taking part also.

The clubs turn the stamps over to United Church Women of Georgia who in turn resell the stamps and use the money to buy government surplus food to give to needy people all over the world.

Mrs. Neil Lawson is chairman of the project for the Morrow Club and asks everyone to check all the mail for the stamps. Remember to leave one quarter inch of the envelope around the stamp to protect the perforated edge. People interested in donating stamps to the project should contact the junior woman's club in their area.

Morrow Junior Club Discusses Rights

Morrow Junior Woman's Club held its November meeting at the Student Center of Clayton Junior College. Mrs. John W. Adams, president presided.

Mrs. Dan Bond, public affairs chairman, introduced Clayton County District Attorney H. Eugene Brown and Asst. District Attorney William H. Ison. Brown spoke on the "Legal Rights of Women in Georgia" and "Wills".

Mr. Brown, explained that women have the same rights as men until they are married, then according to Georgia law, there are certain things they cannot do. This statement provoked a lively question and answer session.

Mr. Brown further stated that every husband and wife should have a properly-drawn will, to express their intentions in matters involving their children, property, etc. He explained how wills are probated and what happens when there is no will.

The public affairs department will sponsor a "Meet the Candidate Night" on Friday,

Dec. 5, at 7:30 p.m. at Morrow Elementary School. All candidates seeking election as mayor or on city council have been invited to state their platform regarding the city government in Morrow.

If citizens do not know the candidates and their views, now is the time to have questions answered, at this meeting, a club spokesman said. The city election will be held on Dec. 6.

The home life department will sponsor the annual "Bells and Evergreen" door decorating contest in Morrow. Judges will view door decorations on Dec. 17, 18, and 19 and first, second and third prizes will be awarded.

Mrs. J. B. Davis, community improvement chairman, reports that members are still "working on the railroad", the Morrow railroad beautification community project, and spring bulbs are being planted.

MRS. JOHN ADAMS, left, Morrow Junior Woman's Club; Mrs. Daniel Peek, Riverdale Junior Woman's Club; H. S. Jernigan, full-time volunteer, and Mrs. John Rheay, Jonesboro Junior Woman's Club contact Clayton County clubs and organizations with cancer's "life-saving" information.

Junior Clubwomen Adopt Cancer Project

Members of the Jonesboro Junior Woman's Club, Morrow Junior Woman's Club and Riverdale Junior Woman's Club have accepted the challenge of the Clayton County Unit of the American Cancer Society.

They will strive to contact every club and organization in Clayton County and set up a program on some phase of the American Cancer Society during the current club year. According to the Clayton County Chamber of Commerce, there are 46 clubs and organizations in the county.

The three clubs have taken to task updating the present card file on each of the organizations. After the cards are brought up-to-date each organization will be personally contacted by a member of one of the three clubs.

The purpose of the clubs and organizations program is to reach people "where they meet" with cancer's "life-saving" information. The goal is to provide American Cancer Society materials and or film/speaker programs for some time during the year.

H. S. Jernigan of Jonesboro is a full-time volunteer at the Clayton County Unit of the American Cancer Society. Having been in the office for over a year Mr. Jernigan knows where everything is located in the office and has given the Juniors much valuable help and many ideas for carrying out the project.

In addition to the programs the women will also ask the clubs to consider setting up a memorial fund in their annual budget. Memorial contributions to the American Cancer Society help support research in hospitals, laboratories and clinics. They provide fellowships for doctors and scientists. They help train the manpower needed to carry out future research and to save lives now.

MRS. D. L. SHIRLEY, program chairman, Morrow Junior Woman's Club, with guests at the Oct. 23 meeting from left, Police Chief Gordon Cavanaugh, and auxiliary policeman George Gardner.

Morrow Juniors Hear Police Chief Cavanaugh

The monthly meeting of the Morrow Junior Woman's Club was held Oct. 23 at the C and S Bank of Clayton County. Mrs. Rudolph Johnson, first vice president, called the meeting to order.

Mrs. D. L. Shirley, second vice president, introduced special guest, Police Chief Gordon Cavanaugh. Chief Cavanaugh and Auxiliary policeman, George Gardner, showed a film

entitled, "Every Hour Every Day."

The film is designed to inform the public of the duties of a policeman and how to bridge the gap between communities and the police force.

The tables were decorated with a "Jack-O-Lantern" and fall leaves. Refreshments were served by hostesses: Mrs. Jeff Davis, Mrs. B. R. Doran and Mrs. Titus Griffin.

Oct. meeting: hostesses were; Mrs. Titus Griffin, Mrs. Jeff Davis, & Mrs. B.R. Doran

CLUB BEAT

Women Support Lunch Program

By JEAN TYSON
Atlanta Journal Club Editor

Georgia Federation of Women's Clubs president, Mrs. W. B. Mitchell of Forsyth, is asking the 400 plus affiliate clubs in the state to help with the Santa Claus Lunch Box project.

The project launched Thanksgiving Day is to insure every child, not now eating school lunch, be provided with this for the rest of the school year.

"This campaign," she said, "should make us vitally aware of needs of our children in our schools in our state. Children without proper nutrition cannot learn up to their capacity; children without fulfilling their learning potential cannot grow up to be the best of citizens and these are our future leaders."

The lunch box program is a brain child of Atlanta's WSB-Radio which contacted the state organization and asked its members to cooperate in raising the money to pay the labor cost to feed some of these children.

Georgia and the federal government are supplying enough money to pay for the actual food products used in preparing school lunches. However, it costs approximately 20 cents per meal to pay for the cost of labor to prepare, serve and clear the lunches served. This money is not now available through the budget.

It is reported 47 of the 230 poorest counties in the nation are in Georgia. In this state approximately 82,000 children do not eat in the school lunchroom. Most of these cannot afford the price of the tickets, and the county itself cannot afford to supply the money for the labor.

One child's expense for the rest of the school year can be covered with \$20.

Mrs. Mitchell is presenting the problem to the clubwomen and they are asked to contribute themselves and to present the program to businessmen in their communities.

The women are asked also to contact their legislators and ask them to support putting enough money in the budget so Georgia will not have this problem next year.

Those wishing to contribute should make out checks to Santa Claus Lunch Box and send them to P.O. Box 6611, Atlanta, 30315.

Morrow Junior Woman's Club public affairs department is offering an opportunity for residents of the area to meet the candidates running in the Dec. 6th election for mayor and councilmen.

The women are sponsoring a "Meet Your Candidate Night" Friday, Dec. 5, at 7:30 p.m. at the Morrow Elementary School.

The club believes citizens of Morrow should become informed in the matters of their city government and that by working together a thriving, wholesome and productive community will be the outcome.

Clayton New Year Baby Opens League's Mothers March

How great it is to become the parents of a perfectly normal healthy baby! Such was the excitement for Mr. and Mrs. M.P. Hunter of Forest Park, proud parents of little Shaun Hunter, the first baby born in an Atlanta hospital from Clayton County, in the early hours of 1970.

On hand to welcome Shaun home were Mrs. Ronnie Byars, president of the Junior Service League and Mrs. Douglas Garrett. They presented Mr. and Mrs. Hunter with a layette, a baby blanket and a \$25 Savings account. The savings account was courtesy of the Bank of Forest Park.

Anxious to hear all about this New Year baby, Mrs. Byars and Mrs. Garrett listened as Mrs. Hunter told them of prenatal care and the arrival of Shaun. Mrs. Hunter told how she had visited her doctor early in her pregnancy and followed his directions on prenatal vitamins, diet and was sure to be on time for all her check-ups.

Mrs. Hunter felt that prenatal care was so important especially with her first and now that she has seen what results can be obtained she plans to consult a physician with any additional children.

The Junior Service League felt the importance of opening this year's "Mother's March Drive" by welcoming the first New Year's healthy baby and to emphasize the tremendous need for expectant mothers to seek out and use proper prenatal care as soon as possible.

Medical supervision during pregnancy can minimize the risk of chemically caused birth defects due to self-medication or misuse of drugs. Prenatal medical care also reduces the risk of prematurity. Major birth defects occur at least twice as often among the premature as among full-term babies.

An alarming number of women do not take advantage of the care available. Approximately 50 percent of mothers delivered in city and county hospitals see a doctor for the first

time when in labor. These women, many in their teens, run a great risk of still birth or premature babies, doctors say.

The Grady Birth Defects Center in Atlanta, sponsored by the Fulton-DeKalb-Clayton Chapter March of Dimes, is one of 112 centers throughout the country that continues its work with funds collected by the January Mothers March.

The Junior Service League as well as the Morrow Jr. Woman's Club, will be covering their respective areas during this 1970 March. Any one interested in helping in any area may call Mrs. Ronnie Byars, Jonesboro area 478-1337; Mrs. John Nolan, Morrow Area, 366-6647; Mrs. Wm. Preto, Forest Park 366-2164, Mrs. Ralph S. Moore, Forest Park 361-7464

MR. AND MRS. M. P. HUNTER

or Mrs. Bobby Anderson, Clayton County Chairman 478-4332.

The Junior Service League urges all responsible citizens to join with them, the Morrow Juniors and volunteers throughout the county to work for and give to the 1970 Mothers March of Dimes in an all out effort to end birth defects.

Marty Leads Off

FOLLOW THE EXAMPLE of 8-year-old Marty Mim Mack, 1970 National March of Dimes Poster Boy from Santa Clara, Calif. Contribute to the January appeal to prevent birth defects. Your support aids year-round programs of research, education, patient and community services, dedicated to overcoming diseases which strike 250,000 American babies every year. Marty, student and sportsman, is their symbol of courage.

MRS. BILL MILLER of Morrow stands in front of her first place door decoration which depicted peace. The annual contest was sponsored by the Morrow Junior Woman's Club.

Morrow Juniors Sponsor Contest

The Morrow Junior Woman's Club sponsored its annual "Bells and Evergreen Door Decorating Contest" Dec. 17 through 19. Mrs. John Nolen, homelife chairman, was in charge of arrangements. Judges for the contest were Mrs. H. T. Ward of Morrow, Mrs. W. H. Lucas of Morrow, and Mrs. T.A. Bell of Jonesboro. They are all art teachers.

The first place blue ribbon was won by the Bill Miller family of 6502 York Road. Their door was "Peace, as seen through the exploits of our astronauts this year." The stars and spaceship in the exhibit were all hand-made.

The second place red ribbon was won by the Rev. Kimsey Warr Family of 107 Charles Drive. It was a green tree in a vase with red balls on a plain background.

The third place white ribbon went to the J. Doyle family of 1828 Mural Dr. for a hand-made Santa with a filled pack of toys.

Honorable mention went to the Rev. Randall Williamson family of 6456 Peacock Blvd., Gerald Patterson family of 6418 Peacock Blvd., and the James R. McKenzie family of 1828 Lamp-light Court.

REV. KIMSEY WARR'S door, with a simple green tree in vase decorated with red balls, won second place award in the annual "Bells and Evergreen Door Decorating Contest" sponsored by the Morrow Junior Woman's Club.

First place "blue ribbon" to The Bill Miller Family

Second place "red ribbon" to The Rev. Kimsey Warr Family

Third place "white ribbon" to The J. Doyle Family

Honorable mention (3) were: The Rev. Randall Williamson Family, The Gerald Patterson Family, and The James R. McKenzie Family

Decorations Contest

The Morrow Junior Woman's Club will sponsor the annual bells and evergreen door decorating contest in the Morrow community this month. Judging dates will be Dec. 17, 18 and 19. Ribbons will be presented to the first, second and third place winners. This is an annual Christmas season event and Mrs. Judy Nolan, homelife chairman, urges all residents to decorate their doors in time for the judging.

CLAYTON COUNTY JOURNAL, Wednesday, January 28, 1970***1B

Morrow Juniors Name Nominees

The Morrow Junior Women's Club held its regular monthly meeting Jan. 22 at the Citizen's and Southern Bank of Clayton County. Mrs. John Adams, president, presided at the meeting and Mrs. Neil Lawson gave the devotional.

Mrs. Lawson, international affairs chairman, received a letter of thanks from Sgt. Thom-

as Hysell in Vietnam. Sgt. Hysell thanked everyone for the "ditty bags" the men received at Christmas. He said, "All the men were like a bunch of kids opening the gifts."

The club will donate \$30 to Haynie Elementary School PTA for shrubbery. Mrs. Jefferson Davis is community chairman. The club will also enter a fashion show with all the Clayton County Women's Clubs and proceeds will go towards the cancer drive.

Mrs. Adams, president, was nominated for the Irene J. Watts Award and Mrs. D. L. Shirley was nominated for the Good Citizenship Award.

The table was decorated with dolls from foreign countries and refreshments included a mixture of cookies from round the world and Russian tea. Hostesses included Mrs. Titus Griffin, Mrs. Bill Herren, Mrs. Marty Holman and Mrs. Lawson.

Pennies Feed Hungry People

By JEAN TYSON

Atlanta Journal Club Editor

East Point Junior Woman's Club has come up with an idea to raise funds for Meals for Millions. The program is designed to provide high protein, high vitamin food for less than 5 cents per meal for starving people in the world.

The international affairs department of the club has asked its members to begin by placing a jar on the dining table and putting in 1 cent per person eating each meal during the day. For example if four people are present at each meal three times a day this would be 12 cents.

Members are asked to let their own children know these pennies will help feed others.

The money will be used to help the Biafra refugees and to feed starving people in South Carolina.

Food supplied by Meals for Millions is a two-ounce serving with vitamins and proteins equal to one-fourth pound beef, a glass of milk, a serving of green peas and one potato.

All clubs in the Georgia Federation of Women's Clubs are participating in the food program.

4B***CLAYTON COUNTY JOURNAL,

Wednesday, February 25, 1970

MRS. D. L. SHIRLEY JR. is Morrow Junior Woman's Club nominee for the "Good Citizenship Award". This award is presented annually by the Georgia Federation of Women's Clubs to an outstanding Junior clubwoman. Mrs. Shirley resides with her husband and daughters, Lynn, Laurie and LaRee, at 1487 Hammack Drive. The Shirleys are members of the First Baptist Church of Morrow.

Mrs. Shirley is a charter member of Morrow Junior Woman's Club and presently serving as second-vice-president. She is active in her church, club, and community. She is a full-time deputy sheriff and warrant officer in the office of Clayton County Sheriff Robert A. Deyton.

For the past eight years, she has worked closely with her husband, who is chief of Morrow Fire Department, in calling out the firemen when emergencies arise. She has been active in community drives, the railroad beautification project, and school activities.

Follies Staged To Benefit Cancer Drive

"Fashion Follies" to benefit the Clayton County Cancer Unit will be held March 19 at 8 p.m. at the Jonesboro Junior High School Cafetorium. The fashion show will be sponsored by the seven GFWC Women's Clubs in Clayton County and proceeds will go to the American Cancer Society.

According to Mrs. Bobby An-

erson, special events chairman of the Clayton County Cancer Unit, "There is strength in numbers and the GFWC clubs in Clayton will be working together in producing a fashion show quite different from any held in the county before."

Club members from the Forest Club, Jonesboro Woman's Club, Riverdale Junior Woman's Club

Jonesboro Junior Woman's Club, Forest Park Woman's Club will be selling tickets for a donation of \$1 and tickets will be available at the door.

Fashions to be modeled will be original creations made and modeled by various club members. A feature attraction will spotlight the children of club

members modeling cloths made by "Mama."

Mrs. Lynn Fletcher, Atlanta TV personality, will narrate the show. Door prizes will be awarded and refreshments will be served.

CLAYTON COUNTY GFWC members unite to make plans for "Fashion Follies" to be held March 19 at 8 p.m. at the Jonesboro Junior High Cafetorium. From left: P. E. Miller, Jonesboro Junior Woman's Club; Mrs. John Adams, Morrow Junior Woman's Club; Mrs. Charles Gantt, Riverdale Junior Woman's Club; Mrs. Ronnie Byars, Junior Service League of Jonesboro; Mrs. L. L. Kelly, Forest Park Woman's Club and Mrs. Harold Gantt, Riverdale Junior Woman's Club.

Morrow Junior Model In Sewing Competition

The Morrow Junior Women's Club held its regular meeting Feb. 26 at the Citizens and Southern Bank of Clayton County. Mrs. Rudolph Johnson, first vice-president, presided and Mrs. John Nolen, home life chairman, was in charge of the program.

Members who modeled spring outfits in the sewing competition included Mrs. Jim Dor-

miney, Mrs. Dan Bond, Mrs. F. S. Martin and Mrs. John Adams. Mrs. Dorminey was the first place winner and will represent the Morrow club in the district contest to be held in Griffin this month.

Club members who entered the three divisions of the creative home decorating contest included Mrs. B. R. Doran, Mrs. Thomas King, Mrs. Ike Dupree and Mrs. Oscar Blanton.

Mrs. Doran won first place in the stitichery division with a beige tablecloth. Mrs. King

won first place in the home decorations division for a soap tree and Mrs. Dupree won first place in the crafts division for an oil painting of a flower arrangement.

Judges for the contest included Mrs. Lorela N. Wilkins, assistant extension home economist, Mrs. Dorothy Darby, teacher at Morrow Elementary School, and Mrs. Kitty Ward, home economics teacher, at Babb Junior High School.

The Rudolph Johnson family was selected as the club's no-

minee for the "Family of the Year Award", and Mrs. James O'Neal was selected as the nominee for the "Mother of the Year Award."

New officers elected at the February meeting include the following: Mrs. Rudolph Johnson, president, Mrs. M. P. Scurry, first vice-president, Mrs. James Bing, second vice-president, Mrs. Albert Beck, recording secretary, Mrs. J. T. Henderson, corresponding secretary and Mrs. John Adams, treasurer.

Homemakers On Parade

BY TERRY BAKKEN

Mrs. James E. O'Neal has been a resident of Morrow for the past 12 years and has been recently named as the Morrow Junior Woman's Club nominee for "Georgia Mother of the Year."

Mrs. O'Neal has centered her life around her home, family and church. She is the mother of two grown daughters, Mrs. Tootsie McKinnon and Mrs. Dwain L. Varnadoe. She has four grandchildren.

She is an active member of the First Baptist Church in Morrow and has been superintendent of the Beginner Department for 27 years and superintendent of the Primary Department for three years. She has worked with children in Training Union for 17 years.

Mrs. O'Neal has spent a lot of time teaching children the word of God. She works with Bible school and was counselor of the first Girl's Auxiliary organized at the First Baptist Church in Morrow during 1962. She is also active in the church WMU and has been serving in community missions for eight years.

During the years her children attended school she remained active in school activities. She served as secretary of pre-school for two years, was PTA membership chairman for three years, a grade mother for nine years and helped with children at the Health Center. She received a blue ribbon for her part in enrolling fathers for PTA membership.

One of her favorite hobbies is china painting which she proudly displays throughout her attractive home. Other hobbies include crocheting, rug hooking, sewing and cooking for her family. She also freezes and cans vegetables each year along with pickles, jams and jellies.

In spite of the busy schedule she keeps with family and church activities Mrs. O'Neal finds time to be active in community affairs. She is a member of the Garden Club and Morrow Extension Home Demonstration Club. She also has been secretary for the Woman's Club for three years.

Mrs. O'Neal completed the Red Cross Home Nursing Course and the Red Cross Basic Training for volunteers. She has helped with the blood bank and works at the polls during election time. She has also been willing to serve as chairman of any fund raising benefit.

During the years she has worked on a part-time basis at Rich's for eight years and at

Stanford's Department Store in Forest Park for six years.

When friends heard of her nomination by the Morrow Junior Woman's Club for "Georgia Mother of the Year" award they wrote the following messages. Grace T. Higgins, retired Atlanta school teacher wrote, "Since moving to Morrow in 1958 she has endeared herself to many because of her integrity and high moral standards as well as her unselfish devotion to all phases of church and community life."

W.L. Fields of the Lakewood Heights Baptist church wrote, "Mrs. O'Neal was a very willing worker and always stood ready to help anytime she was called upon. She did her work

with dedication and always with a smile."

Mrs. O'Neal's favorite recipe for pound cake is featured below. This is the cake that she bakes to carry to her friends when they are sick and one that is always popular at church social activities.

POUND CAKE

From Mrs. James E. O'Neal
1/2 cup crisco
1/2 cup butter
1 1/2 cups sugar
5 eggs
2 cups flour
dash salt
1 tsp. vanilla
dash of nutmeg

Cream sugar and eggs one at a time. Add the other ingredients. Bake at 350 for 1 hour.

 dash of nutmeg

Cream sugar and eggs one at a time. Add the other ingredients. Bake at 350 for 1 hour.

MRS. JAMES E. O'NEAL

December 16

Dear Ladies,

I would like to thank you for your Christmas present. It was both a treat and a surprise to receive a bag of presents out here. I say out because your gifts have reached every corner of Viet Nam. Some of the pleasures that we found only in the large base camps have made their way to "the field."

It was fun to open each package, just like a small child on the Big Day. Everyone was the same way - for a short while we weren't soldiers, but people. Young people having the fun of the young.

Your gesture was greatly appreciated here. You will probably never know just how much. Most of us won't have the time to write that "thank you" note. Everyone thinks it is, but the thing is sometimes difficult. When there is time to write there are parents, wives and girlfriends. So sure that you can all understand and this. I just want you to know that we have thought of you and do thank you.

Sincerely,
 Thomas H. Zell

Women's Clubs Join Forces To Sponsor Fashion Show

Children of club members will highlight the "Fashion Follies" benefit fashion show to be held Thursday, March 19, 8 p.m. at the Jonesboro Junior High School Cafetorium. This event is to benefit the Clayton County Cancer Unit.

Clayton GFWC who are sponsoring the benefit fashion show include: Riverdale Junior Womans Club, Forest Park Womans Club, Forest Park Junior Womans Club, Morrow Junior Woman's Club, Junior Service League of Jonesboro, Jonesboro Woman's Club and Jonesboro Junior Woman's Club. Tickets are available from any member of the above mentioned clubs for \$1 each.

Mrs. Bobby Anderson, chairman for this special event, said

It's what you don't know about cancer that can hurt you. Get the facts from the American Cancer Society.

"The Club Women, as well as many of their children will model outfits created by the women themselves. Outfits will go from the casual pant-suit to the elegant evening wear. Children will model Easter clothes, and one feature will be a brother and sister model-

ing look-alike fashions."

The show will be narrated by Mrs. Lynn Fletcher. Door prizes will be given away and refreshments served. Mrs. Anderson said, "Don't miss this really special evening, fun, fashions and ideas for your own Easter outfit."

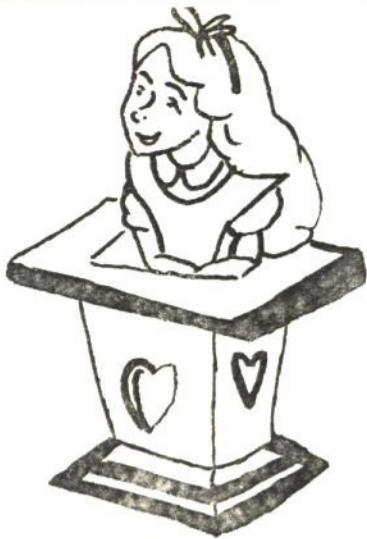

THE JUNIOR SERVICE LEAGUE OF JONESBORO leads the way in the Clayton YMCA Extension sustaining membership drive which is now underway. The service league's team members, Mrs. Bobby Anderson, Mrs. Ronnie Byars, Mrs. Tom McWhorter and Mrs. Jerry Turner with Mrs. Bill Champion (not pictured) have sold 32 memberships and raised \$1490 to date. The extension drive overall has raised over \$2000 on its way to the \$6000 goal.

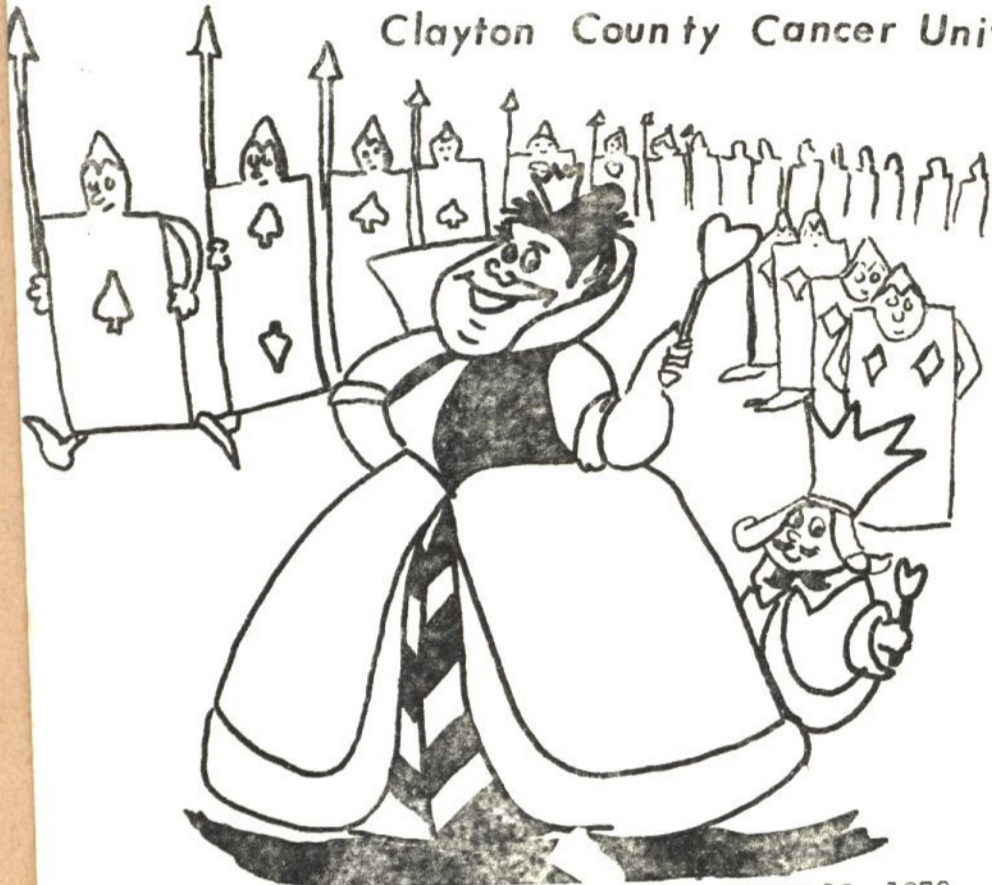

CLAYTON COUNTY GFWC members present at the State Convention held at Callaway Gardens April 27 include the following front row from left, Mrs. John Rheay, Mrs. Robert Denham, Mrs. L. L. Kelly, Mrs. Thomas Hassey, Mrs. T. Goodlett, Mrs. John Neill III, Mrs. Robert Lundquist. Back row from left, Mrs. J. W. Stanford, Mrs. J.P. Bing, Mrs. Emory Dyess, Mrs. George Siggins, Mrs. Jim Massey and Mrs. Rudolph Johnson. Not pictured is Mrs. Wilma Shelnett.

MARCH 19, 1970

MRS. DOUGLAS GARRETT fits outfits for her daughters, Gena and Tisa, in preparation for the "Fashion Follies" benefit show to be held March 19 at the Jonesboro Junior High School cafetorium. Mrs. Garrett and her daughters will represent the Junior Service League of Jonesboro.

Fashion Follies Curtain To Rise On Cast Of 62

Final plans for the "Fashion Follies," Clayton County Cancer Unit benefit fashion show, were announced as the curtain rises and the spotlight reveals 62 clubwomen and their children modeling fashions created by the clubwomen. The benefit show will be held at 8 p.m. at the Jonesboro Junior High School cafetorium March 19.

The audience will see "Alice Through The Looking Glass" as she invites them to join her as she explores the wonderful world of fashion using many of the beloved characters featured in the age old tale "Alice In Wonderful."

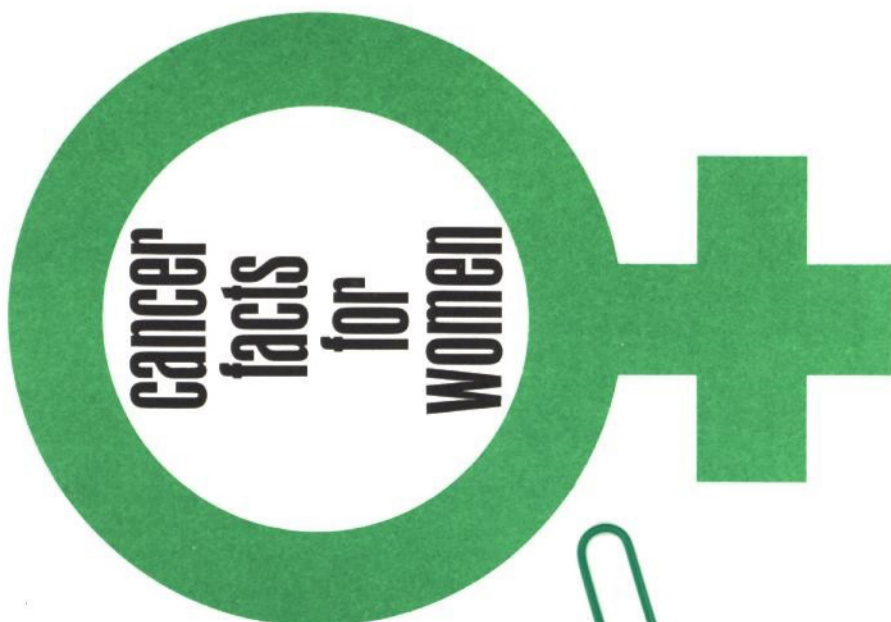

Mrs. Bobby Anderson, special events chairman for the Clayton Unit and chairman of the fashion show, will introduce Alice, Mrs. Lynn Fletcher, TV personality who will spotlight the women's fashions.

Children will model Easter clothes and families and mother and daughter look-alikes will

also be featured. Teenagers from local high schools will model fashions that they have sewn.

Husbands, daughters, brothers, sisters and friends are invited to attend. Members of any of the seven participating women's clubs; Forest Park Junior Woman's Club, Forest Park Woman's Club, Junior Service League of Jonesboro, Jonesboro Junior Woman's Club, Jonesboro Woman's Club, Morrow Junior Woman's Club and Riverdale Junior Woman's Club are selling tickets for the donation of \$1.

Tickets may also be purchased at the door the night of the show. All proceeds will go to the Clayton County Unit of the American Cancer Society.

help protect yourself

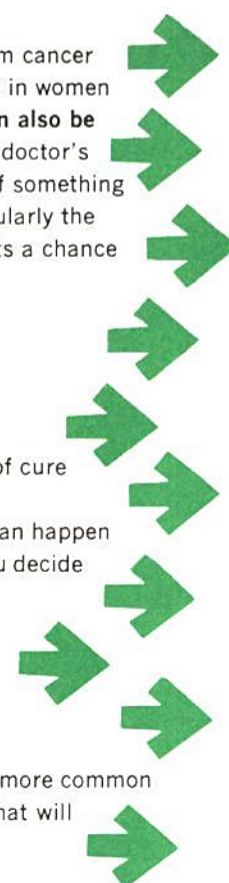

Thousands of women are being saved from cancer every year because it is being found and treated earlier than ever before. Today, many cancers in women can be found well before there are any signs or symptoms. Yet, thousands more women can also be saved if they understand how much depends on helping themselves. Think of yourself as your doctor's partner. Remember he can help you if you visit him regularly whether or not there are signs of something wrong. Most cancer in women is not difficult for a doctor to find—in the sex organs (particularly the womb), the breasts, and the digestive tract (stomach, bowels, rectum). If treated before it gets a chance to spread, most cancer can be cured.

time counts

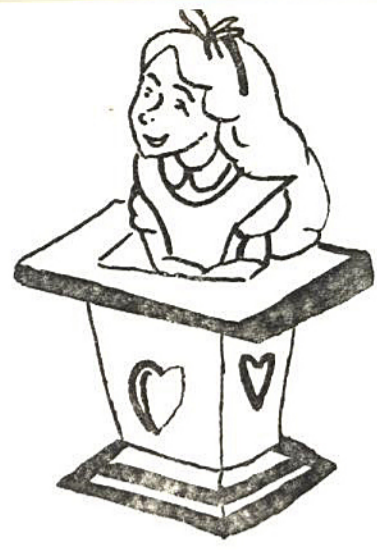

Most cancers begin in one spot. This is the time when chances of cure are best. A doctor can find most cancers in an early stage by regular, thorough, medical examinations. Cancers often grow fast and before long spread elsewhere in the body. This can happen without warning. Your doctor can help you by finding cancer before it spreads, but only if you decide that you want a yearly checkup—and if you have one!

what you can do

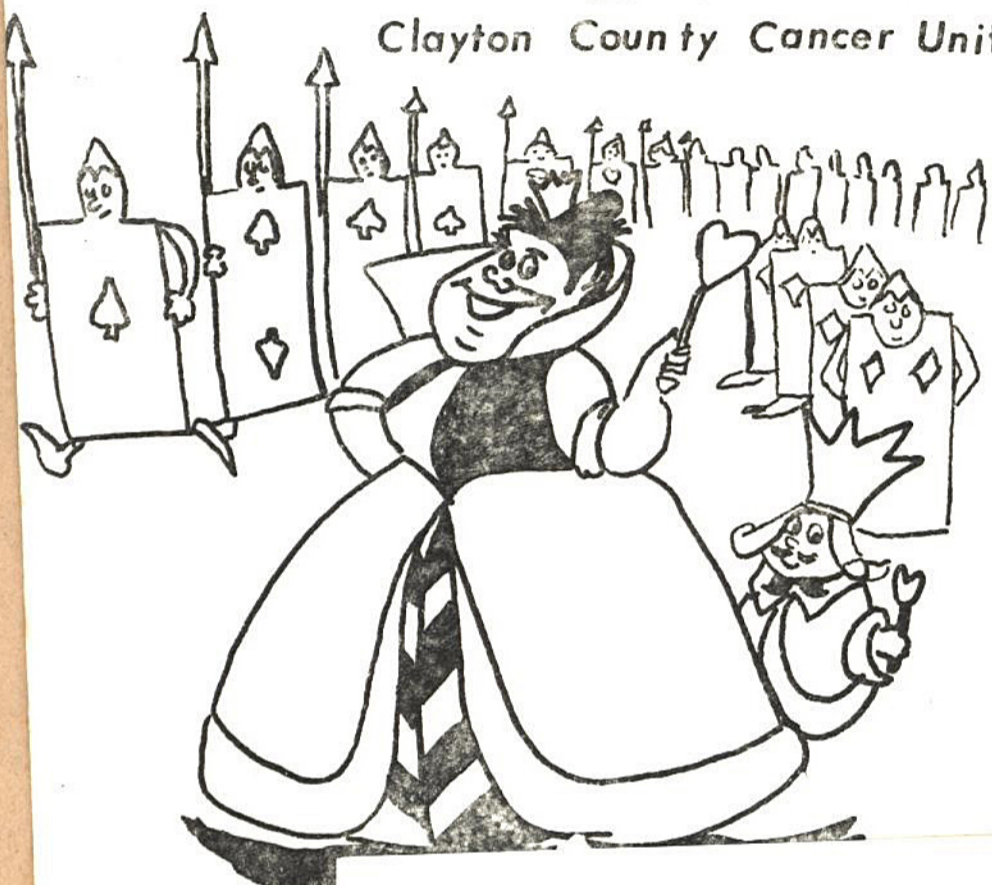

Women can get cancer at any age. But it's more and more common as they grow older. Yet worrying won't help. What will help is taking these important steps that will assure finding cancer early and treating it quickly...

JONESBORO JR. HIGH

one

Each year, on some regular date, have a thorough health checkup. Give your doctor a chance to examine you from head to toe and make any tests he thinks advisable. Your annual "physical" should include an examination of the rectum and lower bowel with a hollow, lighted tube called a proctoscope, and a pelvic examination including a Pap test, a simple examination for finding cancer of the uterus. If it is found early, cancer of the uterus is in almost 100 per cent of cases curable.

You owe it to yourself to make sure you have a checkup every year.

two

Learn the seven warning signals that may mean cancer...

1. Unusual bleeding or discharge.
2. A lump or thickening in the breast or elsewhere.
3. A sore that does not heal.
4. Change in bowel or bladder habits.
5. Hoarseness or cough.
6. Indigestion or difficulty in swallowing.
7. Change in size or color of a wart or mole.

None of these is a **sure** sign of cancer. (Most breast lumps are not cancer, for example.) But any of these warning signals—especially bleeding between periods or after the menopause—could mean cancer. If one of these symptoms or signs lasts longer than two weeks, visit your doctor at once.

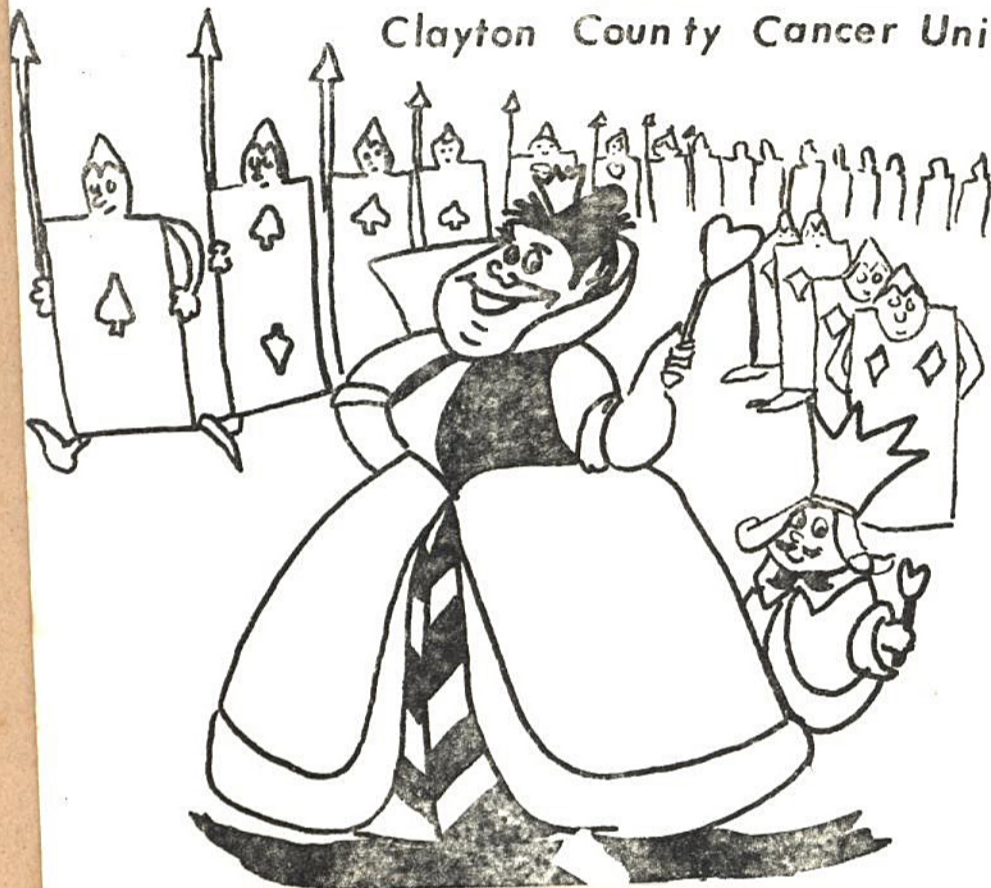

Pain is seldom an early cancer signal. Don't wait for pain if signs or symptoms persist.

may also be purchased the night of the show. All proceeds will go to the Clayton County Unit of the American Cancer Society.

Tickets may also be purchased at the door the night of the show. All proceeds will go to the Clayton County Unit of the American Cancer Society.

three

Learn how to examine your breasts—it takes only a few minutes—and do it regularly once a month. Your doctor will show you how, or you can learn from the American Cancer Society film, "Breast Self-Examination," which millions of women have seen and which has already helped to save many lives.

four

Following childbirth, doctors usually like to check their patients again. This is to make certain that no injuries or abnormalities remain uncorrected. Make it your business to visit your doctor for this important follow-up.

five

While cigarette smoking is a matter of personal choice, scientific studies have shown that

cigarette smoking is the major cause of lung cancer. An important point about parents and smoking is that the children of cigarette smokers are most likely to smoke cigarettes themselves. Do your children smoke cigarettes?

Good health advice: If you don't smoke cigarettes, don't start; if you do smoke cigarettes, stop.

six

Don't take "home remedies" or "secret" cures for cancer. No matter how appealing they may seem—or how sure-fire someone says they are—only a physician can give you dependable advice.

For more free information, write or telephone your local Unit of the American Cancer Society. Ask to see the life-saving films: "Breast Self-Examination," and "Time and Two Women."

OPEN TO SERVICE

GaFWC President's Door Decorates Luncheon Meet

By JEAN TYSON
Atlanta Journal Club Editor

PINE MOUNTAIN, Ga. — Mrs. William B. Mitchell, president of the Georgia Federation of Women's Clubs, walked into the banquet hall to see a replica of her front door.

Mrs. Mitchell is ending her two year term as president of the 8,000 member state organization during the 74th annual GaFWC convention at Callaway Gardens this week.

SHE HAS used "Open the Doors To Community Service" as her theme, and members throughout the state are accustomed to seeing a drawing of her front door each month in the state bulletin.

Mrs. John C. Rheay of the Jonesboro Junior Woman's Club is responsible for the door being used at the creative costume fashion show.

"I got the idea about 2 a.m. one morning," she said. "I had to think of some way to effectively present the district winners and the fashions. It just came to me to use a copy of Mrs. Mitchell's front door hoping it would be a surprise to her."

MRS. RHEAY enlisted the help of Mr. and Mrs. James

Groover and her own husband. "Mr. Groover drew the plans to scale for us. We thought it would be simple to do — but it wasn't. First we covered the frame with rolled paper, but it sagged too much and we knew it wouldn't do.

"I was making draperies for my children's room and had just lined them. I decided to take out the lining and use it on the door. This wasn't enough so I took the lining out of one of my dresses."

Members of the club painted the door which stands 14 feet high and is eight feet wide.

THERE WERE a few bad moments involving the door and the members were beginning to wonder if it would ever get to convention.

The Rheay's 90 pound German shepherd ran across it and Mr. Rheay dropped a cigarette on it burning a small hole. Mrs. Rheay patched this with tape.

"I didn't know how I was going to get the door to Callaway Gardens. It was too large to fit in a pick-up truck and we didn't have any money to pay a carrier.

"I CALLED every carrier I could think of and asked each to deliver the door as a public service. None wanted to do

this. Then I called Georgia Power Company and made arrangements with the people there to have it delivered."

Mrs. Rheay used "Opened Doors of Community Service" for her theme. In the commentary she used Mrs. Mitchell's acceptance speech when she was installed as state president including information from each district winner as to what her club and community activities have been.

"I attempted to entwine the activities of the district winners and the challenges that Mrs. Mitchell gave the Georgia clubwomen to show how doors to community service have been opened."

AFTER THE luncheon Mrs. Mitchell was given the blueprint from which the door was made.

Awards presented during the day included the Family of the Year Award, James M. Hunt Family, Elberton Civic League; Dora Hill Smith Cup for organizing and federating the largest number of junior clubs, fourth district; Toombs Oak Gavel for greatest increase in the number of clubs, eighth district; Susan Martin Gavel for highest percentage according to achievement goal sheet, sixth district.

Morrow Juniors Meet

The Morrow Junior Woman's Club held its regular meeting April 24 at the Morrow City Hall. Mrs. John Adams, president, presided.

Mrs. Rudolph Johnson invited a group of young people, "The Sounds of Salvation", who entertained the women with songs of salvation and also gave their testimonies for Christ. The group are members of the Atlanta Youth Ranch.

Representatives from the Learning Foundation in Forest Park showed slides on the new

electronic method of teaching at the foundation. The slides showed how the qualified staff teach adults and children from five years and up. A scholarship program is available at the school.

During the business session of the meeting the club voted to send \$50 each to the Morrow Junior and Senior High Schools for shrubbery and landscaping. The club also voted to send \$50 to the "London Family Fund" which is being handled by the Bank of Jonesboro for the benefit of the local family.

Mrs. Dan Bond was elected to represent the club as "Georgia Homemaker" of the year. Mrs. Thomas King, Mrs. Charles Cathcart and Mrs. M. P. Scurry were nominated to appear in the "Outstanding Women of America Contest."

Refreshments were served by Mrs. Randall Williamson and Mrs. Edward Whiddon.

Haynie Pupils To Buy Stamps

The Morrow Women's Club will sell savings stamps at B. C. Haynie School for the last time this year May 20.

They will also hold paper sales May 1 and during July.

Morrow Junior Women Add To Funds For London Family

BY TERRY BAKKEN

The Morrow Junior Woman's Club recently contributed \$50

JIM WOOD

SAYS

and all of those who have gone on before us. There is nothing we can do to change it even if we wanted. We are what we are.

What matters is not so much what we came from--as important as that may be--but what we are today. And knowing and recognizing our backgrounds, our strength, our weaknesses, faults and failings, goes a long way toward making for ourself improvements.

The saddest person in the world is the one who is still searching for that question, "Who am I, where am I going?" The ones who find the answers are the ones who face up to what they are no matter what it is, and the goal of this trip is a lot easier after that.

to the "London Family Fund" adding to the growing list of organizations that have made contributions to help the Jonesboro family.

Clayton Countians have been responding to the appeal for aid to the family since the story telling of the three separate tragedies afflicting the Jack London family appeared in the Clayton County Journal March 25.

Since that time the community was saddened by the death of Mr. London who died of cancer April 1. His death left Mrs. London alone to care for all the needs of Ramon, 13, and Bobby, 17.

Ramon was born with severe brain damage due to lack of oxygen at birth and he walks and plays but he does not talk. He attends the Day Care Center in Jonesboro sponsored by the Clayton County Association for Retarded Children and is picked up for the half-day session by Mrs. Anne Lundy, director of the school.

Ramon still demands a lot of care and attention at home and Mrs. London has to employ a maid to take care of Ramon while she works at the Jonesboro Courthouse. Ramon needs constant care but his expenses

are not as high as the expenses for his brother Bobby.

Bobby, 17, was an active outdoors type boy two years ago. He did a great deal of hunting and the walls in his room are decorated with squirrel tails, bat wings, mounted fish and ducks. This all ceased after

Bobby's tragic motorcycle-truck accident on June 20, 1968 which has caused Bobby to remain confined to a hospital bed at home for the past two years.

In spite of his confinement Bobby's disposition is cheerful and pleasant and he has improved with the loving care he re-

ceives at home. He answers questions on command by moving his finger and his eyes are alert and bright. He can also move his legs and recently his nurse has been able to dangle Bobby at his bedside.

It was Mr. London's dying wish and hope that Bobby be sent to Warm Springs where he might be able to obtain the proper therapy to improve his condition. At the present time there is no definite date for Bobby's evaluation for possible entrance into Warm Springs. On May 11 two women from the Crippled Childrens Center in Atlanta will visit Bobby at his home and it is hoped that Bobby will be able to be evaluated for a possible entry into Warm Springs.

Jim Hedderman, commander of American Legion Post 15 in Griffin, wrote a letter to Senator Herman Talmadge recently and Senator Talmadge replied, "I will be happy to assist the family by contacting the director of the Georgia Warm Springs Foundation in behalf of Bobby. I sincerely hope that my efforts to be of assistance will prove beneficial and I will let you know of any response which I might receive."

At this date there has been no further response from Warm

CLAYTON COUNTY JOURNAL, Wednesday, May 6, 1970***3A

Meanwhile the daily care of Ramon and Bobby alone exceeds more than Mrs. London makes working. And there is a great deal of medical expenses involved in the care of Bobby who is fed through a Levine tube that remains inserted in his nose.

Civic organizations are being urged to sponsor special projects for the fund and to contact their churches for pray-

ers that Bobby will be able to enter Warm Springs in the near future.

Residents of Clayton County and surrounding communities can contribute to the "London Family Fund" at the Bank of Jonesboro, 139 N. Main St., Jonesboro, 30236

Springs or from Senator Talmadge. Concerned Clayton Countians are hoping and praying that Mr. London's dying wish will become a reality and Bobby will have a chance to improve his condition with the proper therapy at Warm Springs.
