Department and Club Publicity

Be available to take pictures and write articles for publication in the three local newspapers. This includes planning sessions and/or special events.

Encourage the various departments to notify the Publicity Committee of projects, programs, etc. which they want published.

Printed Publicity

Request the club's help in providing this committee with clippings from any local publication. It is suggested that these clippings be brought to each club meeting and placed in the receptacle labeled Publicity.

Scrapbook

Compile a scrapbook with the theme "Service" used throughout this record. If there is a
