# Application for Admission

## ADMISSION PROCEDURES

### ALL STUDENTS:

- Complete pages 2, 3, and 4 of this application and submit it to the Office of Admissions and Records at Clayton Junior College.
- Your completed application and all credentials must be received by the college at least 20 days before registration for the quarter in which you plan to enter.

### BEGINNING FRESHMEN:

- Request that an official transcript of all high school work completed be sent directly to Clayton Junior College from your high school. Or, submit an official High School Equivalency Certificate issued by the State Department of Education listing your General Educational Development (GED) Test scores.
- Request that your scores on the Scholastic Aptitude Test be sent directly to Clayton Junior College from your high school or the College Entrance Examination Board; OR take the Scholastic Aptitude Test at Clayton Junior College at least 20 days before registration for the quarter in which you plan to enter. (See the current college catalog for test dates.)

### TRANSFER STUDENTS:

- Request that an official transcript be sent directly to Clayton Junior College from each college or university previously attended. (Note: you must list and have official transcripts sent from EACH college or university previously attended.)
- If you have not earned more than 15 quarter hours of transferable college credit, submit high school transcripts and Scholastic Aptitude Test scores as indicated for "beginning freshmen" above.

### TRANSIENT STUDENTS:

- File a statement from the dean or registrar of the institution last attended recommending your admission as a Transient Student.

### FORMER STUDENTS:

- If you have not attended Clayton Junior College for two or more quarters, or if you have attended another college during your absence, you must apply for readmission at least 10 days prior to the registration day of the quarter in which you plan to re-enroll. (Note: Students who have attended another college during an absence must request that an official transcript be sent directly to Clayton Junior College from the last college or university attended.)

### SPECIAL STUDENTS:

- Students who have been awarded an Associate, Baccalaureate, or Master's Degree must request that an official transcript showing that degree be sent directly to Clayton Junior College from the college or university which awarded the degree. (Note: Students who desire to obtain an Associate Degree from Clayton Junior College must request in writing to be reclassified as a "Transfer Student" and upon that reclassification, must meet all requirements for a "Transfer Student" as listed above.)

### FRESHMAN SCHOLARS:

- Students interested in accelerating an educational program should consult with their high school counselors for information about the Freshman Scholar Program.

### INTERNATIONAL STUDENTS:

- In addition to meeting regular admission requirements, prospective international students must demonstrate proficiency in the English language by successfully completing a "Test of English as a Foreign Language".

## PURPOSE OF THE COLLEGE

Clayton Junior College, a unit of the University System of Georgia, was established to provide educational opportunities for the community within commuting distance of the college. The offerings of the college are limited to the resources available to the college, and to the practical consideration that the college should not needlessly duplicate programs of study provided at a reasonable cost to the individual by other institutions in the community.

The purpose of Clayton Junior College is, therefore, to serve the educational and cultural needs of the community through the following programs:

- Transfer Programs which consist of the first two years of regular college studies leading to baccalaureate and professional degrees.
- Career Programs designed to prepare students for gainful employment.
- Special Studies courses designed for students who need to strengthen their academic skills before entering college level courses.
- Community Service and adult education programs for individuals in the community who may wish to participate in programs of continuing education.
- Student Service Programs designed to further the development of the student by helping to meet his academic, financial, personal and social needs.

### THE CATALOG

The catalog of Clayton Junior College is the basic statement of the college about the college. It has been compiled to serve as a guidebook for you, the student, in achieving the goals you have set for yourself. The catalog contains the information you will need to begin, to continue, and to complete your junior college career successfully. As you begin that career, you will have many questions. It is anticipated that you will find most of the answers to these questions on the following pages.

Use the next few pages of this catalog as your guide for locating these answers.

## USING THIS CATALOG

In order to use this catalog, you must first familiarize yourself with its contents, including the general information section and all sections dealing with your specific academic interests.

The table of contents on pages 8, 9, and 10 will guide you to the particular section you are looking for. Then, by using the "edge index" on this page, the section of the catalog can easily be located.

## AN INFORMATION BOOK

The Clayton Junior College catalog is an information book and reference guide dealing with almost all aspects of the College – its policies, facilities, degree programs, course offerings, services, and faculty.

*Statements set forth in this catalog are for informational purposes only, and should not be construed as the basis of a contract between a student and this institution.*

While the provisions of the college catalog will ordinarily be applied as stated, Clayton Junior College reserves the right to change any provision listed – including but not limited to academic requirements for graduation – without actual notice to individual students.

Every effort will be made to keep students advised of any such changes, and information on all changes will be available in the Office of Admissions and Records.

It is especially important that each student note that it is his/her responsibility to keep apprised of current graduation requirements for particular degree programs.

Clayton Junior College is a two-year, non-residential college located 12 miles south of Atlanta in Northern Clayton County. The college campus, although readily accessible to the urban life of downtown Atlanta, takes on more of a rural atmosphere because of its natural beauty. Molded around three lakes on a beautifully-landscaped 163-acre tract, the college's seven modern buildings have been constructed to blend with the natural beauty of their surroundings.

Clayton Junior College opened in September, 1969, as a unit of the University System of Georgia. The Board of Regents of the University System is the governing body for all state-operated institutions of higher learning in the state. As a public institution, Clayton Junior College is able to offer a wide variety of educational programs at a minimum cost. Most credit courses of the college are offered both during the day and at night, providing a unique opportunity for many persons to acquire a college education.

Clayton Junior College currently offers the first two years of college work in major fields of study common to the University System of Georgia. *All credits earned within College-Transfer Programs are transferable without loss to any other unit of the University System.* In addition, Clayton Junior College offers Career Programs combining general education courses with specialized professional or paraprofessional training to prepare the graduate for immediate employment. Most graduates of Clayton Junior College are awarded the Associate in Arts Degree. A graduate of the Career Program in Medical Laboratory Technology offered by the college in cooperation with Atlanta Area Technical School also is awarded the Certificate of that institution. A graduate of the Career Program in Fire Science Technology offered by the college in cooperation with the Southern Technical Institute receives the Associate in Fire Science Technology Degree offered jointly by the two institutions. A graduate of the Career Program in Aviation Administration is awarded the Associate in Science in Aviation Administration Degree.

Each student admitted to Clayton Junior College is eligible to accelerate his program of study through a broad program of *Advanced Placement* with college credit by examination. A gifted high school senior is encouraged to begin his first year of college work while completing his final year of high school under a *Freshman Scholar Program for High School Seniors.*

In addition, Clayton Junior College offers a *Special Studies Program* through its Department of Special Studies for the student whose academic record indicates that he is not yet prepared to do college level work and for the student returning to an academic atmosphere who requires a review of basic academic skills.

Clayton Junior College offers basic courses of instruction in Military Science in conjunction with Georgia State University and the Department of the Army. Credits earned in these courses are completely transferable to any four-year institution offering an *Army ROTC Program*, and completion of the courses enables the student to be eligible for advanced-level Army ROTC during his junior and senior years.

The Office of Community Services of Clayton Junior College offers a regular program of *Continuing Education Courses and Seminars* to provide personal and career enrichment and to meet special educational needs for members of and groups within the community.

## ACCREDITATION AND MEMBERSHIPS

Clayton Junior College is a unit of the University System of Georgia; therefore, credits earned within College-Transfer Programs at the college are accepted by all other units of the University System.

Clayton Junior College is accredited by the Southern Association of Colleges and Schools, by the Council on Dental Education, by the Georgia Board of Nursing, and by the National League for Nursing.

The college has been approved for the following state and federal programs:

- Veterans Administration Benefits
- College Work-Study Program
- Law Enforcement Educational Grants and Loans
- Regents' Scholarships
- National Direct Student Loans
- Nursing Student Scholarships and Loans
- Georgia Vocational Rehabilitation Grants
- Georgia Guaranteed Loans
- Basic Educational Opportunity Grants
- Supplemental Educational Opportunity Grants
- Georgia Incentive Scholarships

The College holds membership in the following organizations:

- American Association of Junior Colleges
- Southern Association of Colleges and Schools
- Southern Association of Junior Colleges
- Southern Regional Education Board
- Georgia Association of Junior Colleges
- Georgia Association of Colleges
- Council of Associate Degree Programs of the National League for Nursing

Title VI of the Civil Rights Act of 1964 states that "No person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program of activity receiving Federal financial assistance."

All educational, employment, and other programs at Clayton Junior College are operated in compliance with this law.

## SERVICEMEN'S OPPORTUNITY COLLEGE

Clayton Junior College has been recognized as a Servicemen's Opportunity College by the American Association of Community and Junior Colleges and by the Department of Defense. As such, the college's policies fully reflect the criteria inherent in the Servicemen's Opportunity College concept.

These include "non-traditional" advantages open to all students of Clayton Junior College such as admission to the college based on successful completion of the General Educational Development (GED) test, eligibility for advanced placement with college credit by examination, and a full program of evening courses through which all degree requirements of the college may be met.

In addition, a veteran attending Clayton Junior College under the G.I. Bill or a serviceman enrolled at Clayton Junior College is eligible to participate in the Veteran's Tutorial Program, which provides funds for veterans and servicemen requiring tutors. Information about the Veterans' Tutorial Program is available through the office of the Dean of Students.

Clayton Junior College pledges to its servicemen and veterans a continuous effort on the part of the institution to fulfill its commitment to them by maintaining these educational standards and by seeking, with the advice of the local college chapter of the Servicemen's and Veterans' Advisory Council, new approaches to better meet the educational needs of servicemen and veterans.

A Veterans' Affairs Office has been established to assist servicemen and veterans in utilizing their educational benefits to the fullest advantage.

## ANNUAL NOTICE OF PRIVACY RIGHTS

This institution is covered by the Family Educational Rights and Privacy Act of 1974 (FERPA), which is designed to protect the student's rights with regard to educational records maintained by the institution. Under this Act, a student has the following rights:

1. the right to inspect and review education records maintained by the institution that pertain to the student,
2. the right to challenge the content of records on the ground that they are inaccurate, misleading or a violation of privacy or other rights, and
3. the right to control disclosures from the education records with certain exceptions.

A written policy detailing how Clayton Junior College will comply with the provisions of the Act is on file in the Office of the Registrar. Students also have the right to file complaints with the FERPA Office of the Department of Health, Education and Welfare, Washington, D.C. 20201 regarding alleged violations of the Act.

## ADMISSION INFORMATION

For answers to questions concerning this section of the catalog, please contact:

The Office of Admissions and Records

Personnel in that office include:

The Director of Admissions and Registrar  
or  
The Admissions Counselor

## OFFICE OF ADMISSIONS AND RECORDS

The Office of Admissions and Records is responsible for evaluating each student application, determining transfer of credit from previously-attended institutions, creating class rolls, processing and mailing grade reports, determining graduation lists, and maintaining a permanent record of credit earned by each student. A veteran enrolled at Clayton Junior College may obtain information about veterans' benefits and assistance through the Office of Admissions and Records in addition to the Coordinator of Veterans' Affairs in the Office of the Dean of Students.

## REGULATIONS GOVERNING ADMISSION OF STUDENTS

All institutions of the University System of Georgia operate under a common statement of regulations governing the admission of students. The following section summarizes the pertinent points of these regulations as they apply to Clayton Junior College. Complete information concerning these regulations is available in the Office of Admissions and Records.

Note: The 1977-78 Academic Calendar and a 1977-78 Calendar are published on pages 4-5 in this catalog.

Clayton Junior College extends a cordial invitation to persons interested in obtaining a quality education. The college admits persons of good moral character who hold a high school diploma or its equivalent and who possess the physical and mental health to meet the challenges of an academic program. Each applicant to Clayton Junior College must meet the standards prescribed by the college; in addition, an applicant to a career program must meet the requirements of his individual program.

Clayton Junior College, and each institution of the University System of Georgia, operates on a quarter system academically and each quarter represents an independent unit of study. With the quarter as the basic academic calendar unit, four quarters, each approximately eleven weeks in length, comprise an academic calendar year. Each student except the candidate for a two-year Career Program in Dental Hygiene or Nursing may apply for admission to Clayton Junior College prior to any of the four quarters of the academic year. Because the curriculums for the Career Programs in Dental Hygiene and Nursing are highly sequential in nature, the student is accepted into these programs only once each year in the fall. Admission procedures for acceptance into these programs are given on pages 22, 23, 24, and 25 of this catalog.

To be considered for admission to Clayton Junior College, an applicant must complete and return all required forms to the college at least 20 days before the Registration Day of the quarter in which he plans to enter. The following is required of each applicant:

1. *Completed Application*  
Application for admission forms will be provided by the Office of Admissions and Records. The college's application for admission form includes a required "student statement of health" section as well as a student services request form.
2. *Social Security Number*  
Each student applying for admission to Clayton Junior College must furnish his Social Security Number in the proper place on the printed application form.

## SCHOLASTIC APTITUDE TEST

The Institutional Admissions Testing Program (IATP) enables Clayton Junior College to administer the Institutional Scholastic Aptitude Test (ISAT) to prospective Clayton Junior College students who have not taken the Scholastic Aptitude Test more than once in the IATP. Because of the nature of the IATP, scores are not mailed to candidates, secondary schools, or other colleges, nor will the College Entrance Examination Board retain IATP scores for subsequent reporting to other colleges at the candidate's request.

All Scholastic Aptitude Tests administered at Clayton Junior College are given in Room B-15 of the Round Building. Each test costs \$7.25, payable at the time of testing, and lasts from 6:00 P.M. until approximately 10:00 P.M. No one will be admitted after the test starts.

## FRESHMAN SCHOLAR PROGRAM FOR HIGH SCHOOL SENIORS

The Freshman Scholar Program offers an opportunity for an outstanding high school senior to accelerate his educational program by electing courses at Clayton Junior College which also will serve to satisfy high school graduation requirements. The program is offered by the college in cooperation with local Boards of Education to enable the student who satisfactorily completes such courses to earn transferable college credit while he fulfills graduation requirements at his high school.

A student who meets the admission requirements of the Freshman Scholar Program may enroll at Clayton Junior College during the quarter following completion of his junior year in high school or during any subsequent academic quarter.

A student admitted as a Freshman Scholar may elect courses at Clayton Junior College within the following guidelines:

1. A student who is not enrolled in any academic subject at his high school may enroll as a full-time college student carrying up to 15 quarter credit hours;
2. A student enrolled in one or two academic subjects at his high school must limit college enrollment to 10 quarter credit hours;
3. A student enrolled in three academic subjects at his high school must limit college enrollment to 5 quarter credit hours.

Minimum standards for admission to Clayton Junior College as a Freshman Scholar are the following:

1. Have attained a minimum of 225 quarter hours (15 units) toward graduation and be classified as a high school senior;
2. Have an average in academic subjects of 3.0 (B) or higher;
3. Have a minimum composite score on the Scholastic Aptitude Test of 900; OR  
Have a minimum composite score on the Preliminary Scholastic Aptitude Test of 90\*;
4. Be recommended by the high school principal and counselor;
5. Secure approval of parents.

\*Although acceptance is granted for admission based on the PSAT scores, a student must present Scholastic Aptitude Test scores to the Office of Admissions and Records before enrolling in the Freshman Scholar Program.

*Further information about the Freshman Scholar Program is available from high school counselors or from the Office of Admissions and Records at Clayton Junior College.*

## BEGINNING FRESHMEN

A student entering college for the first time must provide the college with the following:

1. *High School Transcript*

A high school senior or high school graduate will submit a transcript of all high school work completed. Transcripts must come to Clayton Junior College directly from the high school.

*Or Equivalency Certificate*

An applicant who has received a High School Equivalency Certificate issued by the State Department must attach a photostatic copy of his scores to the application for admission. An applicant who has not completed high school and who has taken the General Educational Development (GED) Test will be considered for admission based on his scores. A minimum of 225 total points, the grade required by the State Department of Education for an Equivalency Certificate, is required by the college for admission.

2. *Scholastic Aptitude Test Scores*

Each applicant seeking admission to college for the first time will take the Scholastic Aptitude Test (SAT) of the College Entrance Examination Board. The Scholastic Aptitude Test is required for purposes of academic placement. No applicant will be refused admission because of his score on that test. Information about the SAT is available from high school guidance officers or from the Office of Admissions and Records of Clayton Junior College.

## FORMER STUDENTS

A student of Clayton Junior College who does not attend for one quarter may re-enroll without applying for readmission providing he does not attend another college during that quarter. The student who attends another college during a one-quarter absence from Clayton Junior College must apply for readmission. Each former student who has not attended Clayton Junior College for two or more quarters must apply for readmission whether or not he has attended college in the interim. Readmission applications must be filed at least 10 days prior to the Registration Day of the quarter in which the student plans to re-enroll. Whenever attendance at other colleges has occurred in an interim, transcripts must be sent directly from those colleges to Clayton Junior College before a readmission decision can be made.

## AUDITORS

A student who wishes to enroll for a course or courses at Clayton Junior College and receive no college credit may apply as an auditor. A student registering as an auditor must meet all admission requirements of the college except that of the Scholastic Aptitude Test and must pay the regular fees for enrollment. A student registering as an auditor is prohibited from receiving credit for that course. However, a student will be permitted to take the course for credit at a later date.

## TRANSFER STUDENTS

A student who previously has been enrolled at another college or university will be considered a transfer student whether or not he has received any college credit. A student entering Clayton Junior College with prior college credits may transfer up to 60 quarter hours of credit (exclusive of physical education activity courses) applicable toward a degree program at the college. (A student transferring 45 quarter hours or more from another institution who has not successfully completed the Regents' Testing Program of the University System of Georgia will be required to take the examination during the first quarter of attendance at Clayton Junior College.)

Acceptable courses presented for transfer which are a part of the Core Curriculum at a unit of the University System of Georgia will be credited toward the appropriate area. If only a fractional part of the Core Curriculum is completed at the home institution, Clayton Junior College will give full credit for those hours taken but will determine which courses will be taken to satisfy Clayton Junior College's requirements. Credit for courses taken at institutions other than units of the University System will be evaluated individually.

In addition to information required of each applicant, a transfer student must provide the college with the following:

1. *College Transcripts*

An applicant must request that an official transcript from *each* college or university previously attended be sent directly to the Office of Admissions and Records of Clayton Junior College.

2. *Scholastic Aptitude Test Scores and High School Transcript*

A transfer student who has less than 15 quarter hours of transferable college credit must furnish the Office of Admissions and Records with his College Entrance Examination Board Scholastic Aptitude Test scores and his official high school transcript.

## TRANSIENT STUDENTS

A student who has done previous academic work of a satisfactory nature at an accredited or approved institution may apply for admission to Clayton Junior College for one quarter as a transient student. A student applying as a transient student must file a completed application form for admission together with a statement from the dean or registrar of the institution he last attended recommending his admission as a transient student. A transient student should be advised in writing by his own institution concerning recommended courses to be taken at Clayton Junior College.

## SPECIAL STUDENTS

Special Student status is assigned to an applicant upon receipt of an official transcript stating that the student has been awarded an Associate, Baccalaureate, or Master's Degree. If the student desires an Associate Degree from Clayton Junior College, he must request in writing that he be reclassified as a "Transfer" student. Upon his reclassification, a transfer evaluation will be made relative to his intended major.

## INTERNATIONAL STUDENTS

In addition to meeting regular admission requirements, prospective international students must demonstrate proficiency in the English language by successfully completing Test of English as a Foreign Language (TOEFL); and, provide proof of financial responsibility, including proof of ability to meet medical expenses, living expenses, and transportation costs. Information for international students indicating degree programs available, admission requirements, fees, and other basic information helpful to applicants from other countries is available upon request from the Office of Admissions and Records.

## STUDENTS 62 OR OLDER

Effective with the beginning of the 1977 Fall Quarter, citizens of the state of Georgia who are 62 years of age or older may attend Clayton Junior College (or any other University System institution) without payment of fees, except for supplies and laboratory or shop fees, when space is available in a course scheduled for resident credit.

Provisions to implement special enrollment privileges of students 62 years of age or older, according to an amendment to the Georgia Constitution adopted on November 2, 1976, were established by the Board of Regents of the University System of Georgia.

To be eligible for enrollment under provisions of this amendment, such persons:

1. Must be residents of Georgia, 62 years of age or older at the time of registration, and must present a birth certificate or other comparable written documentation of age to enable the registrar to determine eligibility.
2. May enroll as regular students in courses offered for resident credit on a "space available" basis without payment of fees, except for supplies or laboratory or shop fees.
3. Must meet all System and institution admission requirements to include High School graduation, SAT Scores, and Special Studies.
4. Will have all usual student and institutional records maintained; however, institutions *will not* report such students for budgetary purposes.
5. Must meet all System, Institutional, and Legislated degree requirements such as Regents' Test, Major Area Exam and History and Constitution Instruction or Exams, if they are degree seeking students.
6. May not enroll in Dental, Medical, Veterinary, or Law Schools under the provisions of this policy.

## SPECIAL STUDIES PROGRAM

A beginning freshman whose high school grades and Scholastic Aptitude Test scores reveal deficiencies in basic academic skills is admitted into the Special Studies Program rather than a College-Transfer or a Career Program. If a student's education has been interrupted for a period of time, it may be suggested that the student enroll in Special Studies courses to refresh certain academic and study skills. Special Studies courses carry credit; however, they are not applicable toward any degree program currently offered by the college and are not transferable to other institutions. A student assigned to the Special Studies Program must be advised by an advisor in the Department of Special Studies until he completes his required course(s). Further information about the Special Studies Program is published in that section on page 100 of this catalog. Please refer to page 124 for a listing of courses.

## MEDICAL LABORATORY TECHNOLOGY

The Medical Laboratory Technology Program at Clayton Junior College is offered in cooperation with Atlanta Area Technical School. However, admission into the program at Atlanta Area Technical School is not guaranteed. Each student is responsible for the application and admission procedure to Atlanta Area Technical School.

Students are responsible for knowing and fulfilling all requirements for graduation at Clayton Junior College. Students are expected to apply for graduation at Clayton Junior College at least two quarters prior to completion of all requirements. Please refer to pages 86 and 87 for additional information.

## DENTAL HYGIENE PROGRAM

The Dental Hygiene Program at Clayton Junior College begins with the Fall Quarter. Formal admission into the Program occurs after completion of the Fall Quarter if the student has a minimum Grade Point Average of 2.0 (C), a grade of "C" or higher in each of the two dental hygiene courses required during the first quarter, and meets the prerequisites for other courses prescribed for the Winter Quarter.

Although the dental hygiene courses are sequential in nature, beginning with "Dental Hygiene 101," a student may begin the general education courses required in the program during any quarter.

Applicants must meet the admission requirements of Clayton Junior College, and the Department of Dental Hygiene. (Refer to pages 16-22 for admission requirements and procedures for all students.)

Selections are made by the Admissions Committee based on those applicants who, in the opinion of the Committee, have the greatest potential for success in the Dental Hygiene Program.

An applicant to the Dental Hygiene Program must:

- a. Meet the requirements for admission to Clayton Junior College. Students should indicate on the application form that the desired major is "Dental Hygiene." (NOTE: A student considering application for admission to the Dental Hygiene Program is advised that a graduate of the program must be 18 years of age or older in order to be licensed by the State of Georgia as a practicing dental hygienist.)
- b. Graduate from an accredited high school, or its equivalent, with a grade average of "C" or higher.
- c. Have two years of high school mathematics (one of which should be algebra), one year of high school chemistry, and one year of high school biology with a minimum grade average of "C" in each of these courses; or have appropriate post-secondary courses in these subjects with a grade of "C" or higher in each. (Appropriate courses at Clayton Junior College are Mathematics 099, Chemistry 111, and Biology 111.)
- d. Have a predicted Freshman Grade Point Average of 2.0 (A=4.0) or higher, and/or a college transfer average of "C" or higher from an accredited college or university.
- e. Have an acceptable score (composite verbal and mathematical) on the Scholastic Aptitude Test given by the College Entrance Examination Board. (NOTE: It is suggested that this test be taken in December or January prior to the Fall Quarter for which a student seeks admission to insure sufficient time for review of the completed application. When applying for the test, applicants should be certain to list Clayton Junior College as the college to receive their scores. See page 17 for information on the Institutional Scholastic Aptitude Test administered to prospective Clayton Junior College students.)
- f. Take the Dental Hygiene Aptitude Test, preferably in November or January. A minimum average of "4" on the test is required. (NOTE: Clayton Junior College is a testing center for the Dental Hygiene Aptitude Test, which is administered by the American Dental Hygienists' Association. Applications for the test are available from the Office of Admissions and Records of Clayton Junior College, and the tentative dates on which the test actually will be administered on campus are listed in the Academic Calendar on pages 4 and 5 of this catalog. Interested students should call the Office of Counseling and Testing [363-7744] for exact dates. However, students are advised that completed applications and other data must be in the hands of the American Dental Hygienists' Association at least one month prior to the date on which they plan to take the test. In addition, a candidate for admission to the Dental Hygiene Program should take the Dental Hygiene Aptitude Test during the Fall or Winter Quarter prior to the Fall Quarter for which he seeks admission to the Dental Hygiene Program. Candidates should be sure to list Clayton Junior College's

Code Number on the test itself in order for scores to be forwarded to the Office of Admissions and Records.)

- g. Complete the Personal Data Form required for admission into the Dental Hygiene Program.
- h. Complete the preliminary application to the University System Application Pool (Dental Hygiene).
- i. Be free of all health problems which would interfere with an applicant's ability to practice dental hygiene.
- j. Have the Dental Form of the Dental Hygiene Program completed by a dentist. (NOTE: This form is required upon notification by the Admissions Office, but does not need to be sent with the application form.)
- k. Have qualifications or meet such standards as required by the Admissions Committee, the Department of Dental Hygiene, accrediting agencies, or the Board of Regents, at the time of acceptance or readmission. A personal interview may be required at the discretion of the Department of Dental Hygiene.

## NURSING PROGRAM

The Nursing Program at Clayton Junior College begins with the Fall Quarter. Formal admission into the Program occurs after completion of the Fall Quarter if the student has a minimum Grade Point Average of 2.0 (C), a grade of "C" or higher in the nursing course required during the first quarter, and meets the prerequisites for other courses prescribed for the Winter Quarter.

Although the nursing courses are sequential in nature, beginning with "Nursing 105," a student may begin the general education courses required in the program during any quarter.

All admission requirements are subject to policies that have been, or may be, established by the Board of Regents of the University System of Georgia and/or accrediting agencies.

Applicants must meet the admission requirements of Clayton Junior College, and the Department of Nursing. (Refer to pages 16-22 for admission requirements and procedures for all students.)

Selections are made by the Admissions Committee based on those applicants who, in the opinion of the Committee, have the greatest potential for success in the Nursing Program.

An applicant to the Nursing Program must:

- a. Meet the requirements for admission to Clayton Junior College. Students should indicate on the application form that the desired major is "Nursing." (NOTE: A student who has a felony conviction may be admitted to the Nursing Program at Clayton Junior College, but permission to sit for and to take the Registered Nurse Licensing examination rests with the Georgia Board of Nurse Examiners.)
- b. Graduate from an accredited high school, or its equivalent, with a grade average of "C" or higher.

- c. Have one year of high school algebra, one year of high school chemistry, and one year of high school biology with a minimum grade average of "C" in each of these courses; or have appropriate post-secondary courses in these subjects with a grade of "C" or higher in each. (Appropriate courses at Clayton Junior College are Mathematics 098, Chemistry 111, and Biology 111.)
- d. Have a predicted Freshman Grade Point Average of 2.0 or higher, and/or a college transfer average of "C" or higher from an accredited college or university.
- e. Have an acceptable score (composite verbal and mathematical) on the Scholastic Aptitude Test given by the College Entrance Examination Board. (NOTE: It is suggested that this test be taken in December or January prior to the Fall Quarter for which a student seeks admission to insure sufficient time for review of the completed application. When applying for the test, applicants should be certain to list Clayton Junior College as the college to receive their scores. See page 17 for information on the Institutional Scholastic Aptitude Test administered to prospective Clayton Junior College students.)
- f. Complete the Personal Data Form required for admission into the Nursing Program.
- g. Be free of all health problems which would interfere with an applicant's ability to practice nursing.
- \*h. Have the Dental Form of the Nursing Program completed by a dentist.
- \*i. Have the Medical Form of the Nursing Program completed by a physician or licensed nurse practitioner.
- \*j. Send, or have sent, to the Office of Admissions and Records, a certified copy of the applicant's birth certificate.
- k. Send, or have sent, directly to the Office of Admissions and Records, two letters of reference from non-family members (teachers, employers, or other qualified persons) who have known the applicant for at least three of the last five years.
- l. Students who successfully complete Special Studies courses (if required by the college) must have a minimum of 20 quarter hours credit in academic subjects beyond Special Studies before being considered as a candidate for the Nursing Program. These students must earn a minimum Grade Point Average of 2.0 in these courses before they would begin the Fall Quarter of the freshman year in the Nursing Program.
- m. Have qualifications or meet such standards as required by the Admissions Committee, the Department of Nursing, accrediting agencies, or the Board of Regents, at the time of acceptance or readmission. A personal interview may be required at the discretion of the Department of Nursing.

\*Students are advised to submit their completed applications as soon as possible, as applications will be considered on a "first-come, first-served" basis. However, these items should not be sent with the application form. The Admissions Office will notify applicants when they should be sent.

## RESIDENCY REQUIREMENTS

Definition of resident students for the purpose of attending institutions of higher learning in Georgia are established by the Policies of the Board of Regents of the University System and do not necessarily parallel other definitions of residency.

A listing of these definitions follows:

1. (a) If a person is 18 years of age or older, he or she may register as a resident student only upon a showing that he or she has been a legal resident of Georgia for a period of at least twelve months immediately preceding the date of registration.  
(b) No emancipated minor or person 18 years of age or older shall be deemed to have gained or acquired in-state residence status for fee purposes while attending any educational institution in this State, in the absence of a clear demonstration that he or she has in fact established legal residence in this State.
2. If a person is under 18 years of age, he or she may register as a resident student only upon showing that his or her supporting parent or guardian has been a legal resident of Georgia for a period of at least twelve months immediately preceding the date of registration.
3. A full-time employee of the University System and his or her spouse and dependent children may register on the payment of resident fees.
4. Non-resident graduate students who hold teaching or research assistantships requiring at least one-third time service may register as students in the institution in which they are employed on payment of resident fees.
5. Full-time teachers in the public schools of Georgia and their dependent children may enroll as students in the University System institutions on the payment of resident fees, when such teachers have been legal residents of Georgia for the immediately preceding nine months, were engaged in teaching during such nine month period, and have been employed to teach full-time in the public schools of Georgia during the ensuing school year.
6. Military personnel, and their dependents, stationed in Georgia and on active duty will be entitled to enroll as students in University System colleges and universities without being assessed a non-resident tuition fee. Such military personnel and dependents will be required, however, to pay the same fees that residents of Georgia are required to pay.
7. All aliens shall be classified as non-resident students; provided, however, that an alien who is living in this country under a visa permitting permanent residence shall have the same privilege of qualifying for resident status for fee purposes as a citizen of the United States.
8. Foreign students who attend institutions of the University System under financial sponsorship of civic or religious groups located in this State, may be enrolled upon the payment of resident fees, provided the number of such foreign students in any one institution does not exceed the quota approved by the Board of Regents for that institution.
9. If the parents or legal guardian of a minor change his or her legal residence to another state following a period of legal residence in Georgia, the minor may continue to take courses for a period of twelve consecutive months on the payment of resident fees. After the expiration of the twelve month period the student may continue his registration only upon the payment of fees at the non-resident rate.
10. In the event that a legal resident of Georgia is appointed as guardian of a non-resident minor, such minor will not be permitted to register as a resident student until the expiration of one year from the date of court appointment, and then only upon proper showing that such appointment was not made to avoid payment of the non-resident fees.

Individuals who enter the institution as non-resident students but later qualify as legal residents must fill out a Request for Residence Classification form which can be obtained from the Office of Admissions and Records. A student's residence status is not changed automatically, and the burden of proof that the student qualifies as a legal resident under the regulations of the Board of Regents of the University System of Georgia rests with the student.

## FINANCIAL INFORMATION

For answers to questions concerning this section of the catalog, please contact:

The Office of the Comptroller

Clayton Junior College conducts classes and charges fees on a quarterly basis. The college reserves the right to alter these fees at the end of any quarter without prior notice.

The following fees are payable on or before Registration Day each quarter, and payment is a required part of the college's registration process. Checks should be made payable to Clayton Junior College for the exact amount of the required fees.

### QUARTERLY FEES

Georgia Residents	\$106.00 for a student taking 12 quarter credit hours or more, or \$9.00 per quarter hour for fewer than 12 quarter credit hours.
Non-Residents	\$264.00 for a student taking 12 quarter credit hours or more, or \$22.00 per quarter hour for fewer than 12 quarter credit hours.

In addition, each student pays a Student Services Fee of \$8.00.

### BOOKS

Textbooks required for courses at Clayton Junior College are sold at the college Bookstore. The cost of textbooks varies with the course of study the student pursues; however, the average full-time student may expect to spend approximately \$45 each quarter for books.

### NURSING/DENTAL HYGIENE FEES

A student enrolling in a career program in nursing or dental hygiene should expect additional expenses for uniforms, graduation pins, and, in the case of dental hygiene students, instruments. A list of such costs will be provided by the Department of Dental Hygiene, the Department of Nursing, and the college Bookstore.

### AUDITOR FEES

A student who wishes to audit a course will be charged the same fees as a student taking the course for credit. Requirements for auditing are published in the section on Admissions and Academic Information of this catalog.

### STUDENTS 62 OR OLDER

A student 62 years of age or older may attend Clayton Junior College without payment of fees, except for supplies and laboratory or shop fees, when space is available in a course scheduled for resident credit. Provisions to implement these special enrollment privileges are given on page 21 in this catalog.

### CONTINUING EDUCATION COURSE FEES

Continuing Education Courses are offered each quarter by the Office of Community Services. Fees and refund policies for these courses are listed in quarterly brochures published by that office.

### RESIDENCY REQUIREMENTS

The definition of Georgia resident students for the purpose of assessing fees do not necessarily parallel other definitions of residency. A listing of these definitions are given on page 26 in this catalog. A student requiring individual guidance should refer his questions to the Director of Admissions and Registrar in the Office of Admissions and Records.

### FINANCIAL OBLIGATIONS TO THE COLLEGE

A student who is delinquent in payment of any financial obligations to Clayton Junior College may be removed from his classes, will not be allowed to register at the college for another quarter until such delinquency is removed, will not be issued grades or records, and may be subject to further disciplinary action.

## REFUNDS

To receive any refund of fees paid Clayton Junior College, a student must initiate formal withdrawal from the college or from a course of the college in writing to the Office of Admissions and Records. Student Services Fees paid to the college are not refundable.

1. A student who has pre-registered at the college may receive full refund of any fees paid if he formally cancels his registration prior to the Registration Day of the quarter for which he has registered.
2. A student who formally withdraws from the college within four weeks following the Registration Day of any quarter is refunded a percentage of fees paid. The following refund period is based on regular calendar weeks beginning the day after Registration Day each quarter.

<i>Time of Withdrawal</i>	<i>Percentage Refund Received</i>
Within one week	80%
From one to two weeks	60%
From two to three weeks	40%
From three to four weeks	20%
After four weeks	No Refund

3. A student who formally drops a course within four weeks following the Registration Day of any quarter is refunded the difference in fees between his original course load, if a difference exists, according to the time and percentage schedule presented above.
4. In the case of a student who is drafted or otherwise ordered to active duty in the Armed Forces of the United States, refunds of all fees shall be made on a *pro rata* basis from the beginning of the quarter to the date of induction. A student applying for a *pro rata* refund must present a copy of his draft orders to the Business Office of the college. This waiver of the refund policy shall not apply to any student who at his own request is inducted or ordered to active duty with the Armed Forces of the United States. The general refund policy shall apply to such students.

## ACADEMIC INFORMATION

For answers to questions concerning this section of the catalog, please contact:

The Office of Admissions and Records

Personnel in that office include:

The Director of Admissions and Registrar  
or  
The Admissions Counselor

### OFFICE OF ADMISSIONS AND RECORDS

The Office of Admissions and Records is responsible for evaluating each student application, determining transfer of credit from previously-attended institutions, creating class rolls, processing and mailing grade reports, determining graduation lists, and maintaining a permanent record of credit earned by each student. A veteran enrolled at Clayton Junior College may obtain information about veterans' benefits and assistance through the Office of Admissions and Records in addition to the Coordinator of Veterans' Affairs in the Office of the Dean of Students.

Note: The 1977-78 Academic Calendar and a 1977-78 Calendar are published on pages 4-5 in this catalog.

### DEGREES OFFERED

Clayton Junior College offers the Associate in Arts Degree through two types of degree programs: (1) the College-Transfer Program which consists of the first two years of regular college studies leading to baccalaureate and professional degrees, and (2) the Career Program which consists of two-year courses of study designed to prepare the student for immediate gainful employment. In addition, the college offers the Associate in Fire Science Technology Degree jointly with the Southern Technical Institute, and the Associate in Science in Aviation Administration Degree.

### COURSE CREDIT

Credit for study at Clayton Junior College, and at each institution of the University System of Georgia, is measured quantitatively in quarter hours. One class hour scheduled each week throughout an academic quarter represents one quarter hour. The class hour consists of approximately 50 minutes rather than the usual 60 minute clock hour. Most courses offered at Clayton Junior College are scheduled for five class hours each week and carry five quarter hours of credit. A laboratory or activity period of two or three clock hours in such areas as art, choir, and physical education, for example, is considered the equivalent of one class hour, since out-of-class preparation is usually not required.

### COURSE LOAD

A student scheduling 12 or more quarter hours of credit is classified by the college as a full-time student. One scheduling fewer than 12 quarter hours of credit is classified as a part-time student. (The classification given by the college does not necessarily coincide with that of other agencies.) If a student wishes to schedule more than 17 quarter hours of credit, he must request written approval from the Dean of the College for an academic overload. In general, a student must have been at Clayton Junior College for two quarters and have achieved an overall "B" average before he should consider attempting an overload.

### ACADEMIC ADVISEMENT

In the Advisement Program provided for the student at Clayton Junior College, faculty advisors are available for each of the major areas of study offered by the college. In addition, an Advisement Team is eager to assist the student who has not yet selected a major area of study. Faculty advisors maintain regular office hours to encourage additional student conferences whenever questions arise or further information is needed during the academic quarter.

### REGISTERING FOR CLASSES

A Schedule of Classes for each academic quarter is published approximately six weeks before that quarter begins. On Registration Day, the student registers for the class schedule he has developed with his faculty advisor, or adjusts this

schedule with suggested alternates, depending upon the availability of class space at the time of registration.

A student's schedule is determined officially by the course cards he deposits in his name with the Office of Admissions and Records on Registration Day. Since there may well be a variation between these cards and his originally anticipated schedule, the student is responsible for avoiding conflicts and for recording the schedule represented by the course cards. Unless a course is dropped officially with the Office of Admissions and Records, a student is enrolled in that course and section and will receive a grade at the end of the quarter, even if he should choose never to attend class.

## CHANGING SCHEDULES

Schedules may be changed after classes begin each quarter only within one calendar week after Registration Day if such a change is approved by the Dean of the College on Schedule Change Days published in the Academic Calendar.

## DROPPING COURSES

The student's class schedule effective one calendar week after Registration Day becomes the official quarterly schedule for the student. Any courses dropped prior to this time are not shown on the official student record.

A student may officially drop a course by the designated date published in the Academic Calendar and receive a "W" grade for the quarter. The "W" grade is not computed in the student's average. A course is officially dropped by completing a Course Drop Request Form, obtaining the required approvals, and depositing it in the Office of Admissions and Records.

A course may not be dropped after the published deadline except with the approval of the Dean of the College for reasons of extenuating personal hardship. In such a case, the instructor involved will determine whether the grade assignment is to be a "W" or a "WF", depending on whether the student was passing or failing the course at the time of withdrawal.

A student who stops attending a course without processing a Course Drop Request Form will automatically receive a grade of "F" in the course.

## AUDITING COURSES

Any regularly enrolled student wishing to audit a course must complete a Request to Audit form in the Office of the Registrar prior to the first day of class of the appropriate quarter.

## GRADING SYSTEM

Every course listed on a student's official quarterly schedule will be listed on the student's permanent record with some grade designation, even though the student may not complete the quarter's work.

The following grading system is used at Clayton Junior College:

<i>Grade</i>	<i>Numerical Equivalent</i>
A excellent	4.0
B good	3.0
C satisfactory	2.0
D passing	1.0
F failure	0.0
WF withdrew, failing	0.0

The following symbols are approved for use in the cases indicated, but will not be included in the determination of the grade point average.

- I— Indicates that a student was doing satisfactory work but, for non-academic reasons beyond his control, was unable to meet the full requirements of the course. If an "I" is not satisfactorily removed during the next quarter of residence, the symbol "I" will be automatically changed to the grade "F." The assignment of an "I" may be made only with the written approval of the Dean of the College.
- W— Indicates that a student was permitted to withdraw without penalty. *Withdrawals without penalty will not be permitted after the mid-point of the total grading period (including final examinations)* except in cases of personal hardship as determined by the Dean of the College.
- V— Indicates that a student was given permission to audit this course. Students may not transfer from audit to credit status or vice versa.
- K— Indicates that a student was given credit for the course via a credit by examination program (CLEP, AP, Proficiency).

## CUMULATIVE GRADE POINT AVERAGE

The cumulative grade point average at Clayton Junior College is calculated by dividing the number of hours scheduled in all courses attempted in which a grade of A, B, C, D, F, or WF has been received into the number of grade points earned on those hours scheduled. The cumulative grade point average will be recorded on the student's permanent record. Credit in Special Studies courses is not included in the computation of the cumulative grade point average.

## REPEATING COURSES

Courses completed at Clayton Junior College with grades of "D", "F", or "WF" (but no others) may be repeated. The record of all courses attempted will remain on the student's permanent record; and all grades earned will be used in calculating the cumulative grade point average.

## ACADEMIC HONORS

A student with a quarterly average of 3.6 or higher will be placed on the Dean's List for that quarter. The hours considered here are exclusive of hours completed in the Special Studies Program.

A student eligible for graduation who has taken a minimum of 30 quarter hours of study at Clayton Junior College, has an average on all transferred credit of no less than 3.5, and has a final cumulative average at Clayton Junior College of no less than 3.5 will be graduated with honors.

## APPLICATION FOR GRADUATION

A student should file an application for graduation with the Registrar of the College two quarters prior to completion of graduation requirements to insure that all graduation requirements will be satisfied. A student may satisfy the requirements for a degree by meeting all of the requirements listed in any one of the catalogs in effect during the period of his enrollment in the college. A given catalog is "in effect" for a student only if that student's date of matriculation is prior to the ending date of the Spring Quarter printed in the Academic Calendar of that catalog. Degree requirements for the student enrolled in a College-Transfer Program are published on pages 43, 44 of this catalog; those for the student enrolled in a Career Program are published on pages 70, 71.

Although a student may be graduated at the end of any quarter in which he fulfills the degree requirements of the college, one formal commencement exercise is held each year at the end of Spring Quarter. For students completing requirements in the Spring Quarter, it is expedient that graduation applications be received prior to April 1 in order to insure the arrival of diplomas prior to commencement.

## FRESHMAN SCHOLAR PROGRAM FOR HIGH SCHOOL SENIORS

The Freshman Scholar Program offers an opportunity for an outstanding high school senior to begin college courses while completing requirements for high school graduation.

While enrolled as a Freshman Scholar at Clayton Junior College, a student must remain on the official roll of his high school.

(See page 18 for admission requirements for Freshman Scholars.)

## PROBATION

Probationary status at Clayton Junior College is based on the concept of officially informing a student when his cumulative average is so low that graduation within a reasonable time is in doubt. The following table lists the minimum acceptable level of achievement, below which the student has placed himself on probation. Although grades transferred to Clayton Junior College are not included in the computation of a student's Grade Point Average, for a

transfer student the left-hand column refers to the sum of transferred hours, plus hours attempted at Clayton Junior College.

Quarter Hours Attempted at CJC Plus Transfer Hours	Minimum Acceptable Cumulative Grade Point Average
0-15	No Minimum
16-30	1.5
31-45	1.6
46-60	1.8
61-75	1.9
76-UP	2.0

The *cumulative grade point average* is calculated by dividing the number of hours scheduled in ALL courses at Clayton Junior College in which a grade of A, B, C, D, F, or WF has been received into the number of grade points earned on those hours scheduled.

A student on probation is directed to consult a counselor before beginning the next quarter of attendance. A student who is below the minimum acceptable standard for the second successive quarter may be continued on probation if his grade point average for the current quarter is 2.0 or higher.

*NOTE: It is recommended that students on probation carry a reduced academic load until "good standing" is achieved.*

## SUSPENSION

A student who is below the minimum acceptable standard for two successive quarters will be subject to suspension from the college. A student who earns no grade of "C" or higher in any one quarter may be subject to suspension, regardless of the student's cumulative academic average. In addition, a student who has a quarterly grade point average of 0.0 is automatically suspended. Suspension is for a minimum of two quarters.

Counseling is available for a suspended student to assist him in determining the best course of action. A student suspended for two quarters is eligible to apply for readmission and may be readmitted if there is any indication that further progress toward graduation is probable. A student who is readmitted to the college following academic suspension is required to earn a grade point average of 2.0 or higher during the quarter in which he is readmitted; otherwise, he is eligible for immediate suspension. A student suspended for the second time is subject to exclusion from the college for a minimum of four quarters. A student suspended for the third time is subject to exclusion from the college for a minimum of eight (8) quarters.

Any appeal of academic status must be filed with the Dean of the College prior to the first day of classes of the succeeding quarter.

The University System of Georgia requires that each student receiving a degree from a state-supported college must have successfully completed all parts of a competency examination in reading and English composition. *Each student is required to participate in the Regents' Testing Program of the University System of Georgia during the academic quarter following the completion of 45 quarter credit hours. The student who fails to meet this requirement will be*

subject to academic probation. The student who fails to participate in the Regents' Testing Program during the second academic quarter following the completion of 45 quarter credit hours will be subject to suspension from the college.

## SECOND DEGREE

Any student wishing to pursue a second or subsequent degree at Clayton Junior College must complete a minimum of 30 hours of credit which has not been used to satisfy the requirements of a previous degree and all of the 30 hours must be earned at Clayton Junior College.

Any student planning to pursue a second degree must file a written request with the Registrar 20 days prior to enrolling in any of the courses for the additional degree. It should be noted that only a certain number of hours may be transferred from a junior college to a senior institution and by pursuing a second degree at the junior college level, students may lose credit in transfer.

## ARMY ROTC PROGRAM

Clayton Junior College offers an Army ROTC Program in cooperation with Georgia State University and the Department of the Army. Each student (male or female) attending Clayton Junior College is eligible to participate in the Army ROTC Program. A student with prior military service or prior military training in a high school Junior Division ROTC unit may be eligible to receive advanced standing in some of his military science course work. A student planning to complete his education at a four-year institution can transfer Army ROTC course credits received at Clayton Junior College to any of the more than 290 colleges and universities throughout the United States offering advanced-level Army ROTC.

## ADVANCED PLACEMENT PROGRAM

Clayton Junior College offers to its students a broad program of advanced placement with full college credit through general and subject examinations of the College-Level Examination Program of the College Entrance Examination Board. These examinations are administered on campus through the Office of Counseling and Testing. Successful completion of one or more of these examinations entitles a student to full college credit in the subject or subjects in which he is being examined. Such credit is entered without a letter grade on his Clayton Junior College transcript and is transferable to any other unit of the University System of Georgia. It should be noted that a student who attempts but does not successfully complete a general or subject examination of the CLEP will not be eligible to reattempt that examination for one calendar year. Clayton Junior College places no limit on the number of college credit hours which a student may earn by examination.

## LIBRARY/LEARNING RESOURCES CENTER

The Clayton Junior College Library, located in the upper level of the Library/Student Center Building, serves as a Learning Resources Center for the college. Resources include approximately 40,000 books and 16,000 audio-visual materials including slides, tapes, and filmstrips. The center also subscribes to over 500 current periodicals and to a variety of newspapers. Back issues of most magazines and newspapers are retained in bound volumes or on microfilm.

The center is air-conditioned and carpeted throughout. There are seats for 525 persons at both tables and study carrels, including special study carrels designed for multi-media use. Other facilities available to students in the LRC include typewriters, computer terminals, electronic calculators, photocopier, and cassette duplication service for non-copyrighted tapes.

The center is open 72 hours a week. A staff of professional librarians, media specialists, and assistants aid students in the use of materials and equipment. Orientation in the use of the center is conducted in freshman English classes. A complete *Learning Resources Center Handbook* is published to assist students in utilizing the Library effectively.

## COOPERATIVE EDUCATION

Clayton Junior College offers a cooperative plan of education both to give the participating student experience in business or industry and to provide financial assistance. Usually a participating student alternates a quarter of classes with a quarter of work; however, certain programs of study are more adaptable to a parallel arrangement in which the student attends classes part day and works part day. Each individual study/work schedule will be adapted to meet the needs of the student and the employer. Complete information concerning cooperative education at Clayton Junior College is available from the Director of Cooperative Education.

## CORE CURRICULUM

College-Transfer Programs offered by Clayton Junior College are designed to comply with the Core Curriculum of the University System of Georgia. The Core Curriculum was established by the Board of Regents for the general purpose of aiding and facilitating the educational progress of students as they pursue baccalaureate degrees within and among the units of the University System. Under the guidelines of the Core Curriculum, the student who successfully completes the approved core or any portion of it at Clayton Junior College may transfer this work to any other junior college, senior college, or university of the University System without loss of credit. The Core Curriculum of the University System of Georgia provides the following four areas of study: Area I, Humanities; Area II, Natural Sciences and Mathematics; Area III, Social Sciences (20 quarter credit hours within each preceding area of study); and Area IV, Major Field Studies (30 quarter credit hours).

The general curriculum to be followed by each College-Transfer student at Clayton Junior College to fulfill requirements within Areas I, II, and III of the Core Curriculum is outlined on the following three pages.

## CHOOSING A COURSE OF STUDY

Each student is required to declare a major field of study with the Office of Admissions and Records on or before completing 60 quarter credit hours of work. Although an Advisement Program is provided the student at Clayton Junior College, *each College-Transfer student is responsible for knowing and for fulfilling the curriculum requirements within his major and the graduation requirements of the college.*

## UNDECIDED MAJOR

*A student who is undecided about the major course of study he wishes to pursue should follow the general guidelines for Areas I, II, and III of the Core Curriculum until he has selected a major.*

## FULFILLING DEGREE REQUIREMENTS FOR COLLEGE-TRANSFER PROGRAMS

For graduation with the Associate in Arts Degree, the following requirements must be completed by each student enrolled in a College-Transfer Program in accordance with the academic regulations stated in this catalog:

1. Satisfy Core Curriculum requirements for areas I, II, and III: 60 quarter credit hours;

**Note I: Foreign Language.** When a foreign language is required, or chosen as an elective, within a major, a student taking 10 quarter hours must complete this credit within the *same* language. A student with proven competence in a language may receive credit by examination.

**Note II: History and Constitution Requirements.** The State of Georgia requires that any person receiving a degree from a state-supported college must demonstrate a knowledge of the history and Constitution of the United States and Georgia.

To meet both requirements, students are required to successfully complete Constitutional Studies 105, Constitutional Studies of the United States and Georgia. However, if a student chooses, he may take a competency examination administered once in the Winter, Spring and Summer quarters in lieu of the course. Those who successfully complete the examination shall have the option of taking some other course listed in Section A or C of Area III of the Core Curriculum outlined on page 45.

2. Satisfy Core Curriculum requirements for Area IV for one specific major field of study: 30 quarter credit hours;
3. Satisfy the college's requirements in Health and Physical Education: 6 quarter credit hours;

**Note III: Health and Physical Education Requirements.** Each full-time student enrolled in a College-Transfer Program who is registered for at least one day class shall complete one quarter credit hour in physical education for each academic quarter of full-time registration up to a maximum of six quarter credit hours.

Veterans are eligible to receive one quarter credit hour in physical education for each three month period of active duty up to a maximum of six quarter credit hours. Any veteran wishing to receive this credit must complete the appropriate form in the Office of the Registrar and attach to it a copy of his DD-214.

4. Complete the above requirements with a minimum 2.0 Grade Point Average;
5. Complete a minimum of 30 quarter credit hours of degree requirements at Clayton Junior College and be registered at the college during the academic quarter that all graduation requirements are satisfied;

6. Successfully complete the Regents' Testing Program of the University System of Georgia.

**Note IV: Regents' Testing Program.** The University System of Georgia requires that each student receiving a degree from a state-supported college must have successfully completed all parts of a competency examination in reading and English composition. This examination is a requirement during the academic quarter following the completion of 45 quarter credit hours. The Regents' Testing Program of the University System of Georgia is administered at Clayton Junior College once during each quarter through the Office of Counseling and Testing. The dates on which the Regents' Testing Program will be administered are published in the Academic Calendar on pages 4 and 5.

The college provides a program of remedial instruction for the student who does not successfully complete the Regents' Testing Program. Any student who does not successfully complete the examination is required to complete the remedial program prescribed by the college in order to be permitted to retake the examination at a later date.

A student transferring 45 quarter hours from another institution who has not successfully completed the Regents' Testing Program will be required to take the examination during his first quarter of attendance at Clayton Junior College.

## AREA IV REQUIREMENTS: COLLEGE-TRANSFER PROGRAMS

Each College-Transfer student completes 30 quarter credit hours within his chosen field of study to fulfill the 90 quarter hours required for the Associate in Arts Degree. Area IV courses required within each major field of College-Transfer study offered by the college are listed on the next 20 pages.

### AGRICULTURAL ENGINEERING

Advising Division: Natural Sciences and Mathematics

	Course	Number	Title	Quarter Credit Hours
A.	Biol	111	Principles of Biology	5
B.	Math	113, 114 and 212	Analytic Geometry and Calculus I, II, III	15
C.	Phys	111 and 112	Introductory General Physics	10
Total				30

Note: It is recommended that a student majoring in agricultural engineering complete Spch 121 in fulfilling requirements for Area I and Math 111 and 112 in fulfilling requirements for Area II.

### AGRICULTURE

Advising Division: Natural Sciences and Mathematics

	Course	Number	Title	Quarter Credit Hours
A.	Biol	111	Principles of Biology	5
B.	Biol	112 or 113	Principles of Biology	5
C.	Choose four of the following:			20
	Acct	201; 202	Principles of Accounting	
	Biol	202	Survey of the Plant Kingdom	
	Biol	203	Vertebrate Zoology	
	Chem	111; 112	General Chemistry	
	OR			
	Chem	151; 152	Principles of Chemistry	
	OR			
	Chem	201	Introduction to Chemical Analysis	
	Chem	251	Organic Chemistry	
	Econ	201; 202	Principles of Economics I, II	
	Math	111	College Algebra	
	Math	112	Trigonometry and College Algebra	
	Math	113	Analytic Geometry and Calculus I	
	Math	231	Introductory Statistics	
	Phys	111; 112	Introductory General Physics	
Total				30

Note: It is recommended that a student majoring in agriculture complete Spch 121 in fulfilling requirements for Area I and Math 111 and 112 in fulfilling requirements for Area II.

### ART

Advising Division: Humanities

	Course	Number	Title	Quarter Credit Hours
A.	Art	111	Art Structure I	5
B.	Art	112	Art Structure II	5

*E.	Educ	201	Introduction to Education	5
*F.	Psyc	204	Child Growth and Development	5
Total				30

\*Psyc 204 is a co-requisite for Educ 201.

### BIOLOGY

Advising Division: Natural Sciences and Mathematics

	Course	Number	Title	Quarter Credit Hours
A.	Biol	111 and 113	Principles of Biology	10
B.	Choose from the following:			10-20
	Biol	202	Survey of the Plant Kingdom	
	Biol	203	Vertebrate Zoology	
	Chem	151; 152	Principles of Chemistry	
	Chem	201	Introduction to Chemical Analysis	
	Chem	251; 252	Organic Chemistry	
	*A foreign language			
	Phys	111; 112	Introductory General Physics	
C.	Choose from the following:			0-10
	Math	111; 112	College Algebra; Trigonometry and College Algebra	
	Math	113; 114	Analytic Geometry and Calculus I, II	
Total				30

Note: It is recommended that a student majoring in biology complete Math 111 and 112 and Chem 151 and 152 in fulfilling requirements for Area II.

\*It is recommended that a student majoring in biology complete a foreign language in fulfilling requirements for Area I. A minimum of 5 quarter hours of a foreign language is required in transferring to a senior college.

## BUSINESS ADMINISTRATION

### Advising Division: Business

	Course	Number	Title	Quarter Credit Hours
A.	Acct	201 and 202	Principles of Accounting I and II	10
B.	Econ	201 and 202	Principles of Economics I and II	10
C.	Choose two of the following:			10
	Bsad	205	Business Communications	
	Bsad	270	Business Law I: Legal Environment of Business	
	Comp	201	Introduction to Computing	
	Econ	110	Consumer Economics	
	*Math	241	Principles of Decision Mathematics	
	Total			30

\*Recommended for a student planning to transfer into a baccalaureate degree program in business administration. It is also recommended that such a student complete Math 111 in fulfilling requirements for Area II.

## BUSINESS EDUCATION

### Advising Division: Business

	Course	Number	Title	Quarter Credit Hours

E.	Courses appropriate to the academic goals of the health, physical education teacher			10
			Total	30

Note: It is recommended that a student majoring in Physical Education complete the following:

- 1) Spch 121 Communications (in fulfilling Area I)
- 2) Psyc 201 General Psychology (in fulfilling Area III)

Note: It is recommended that a student majoring in physical education/health who has not had high school chemistry complete Chem 111 and 112 in fulfilling requirements for Area II. Students who have had high school chemistry should complete Chem 121 in "C" of Area II, plus an elective in either biology or physics in "B" of Area II, in fulfilling requirements for Area II.

## PHYSICS/PRE-ENGINEERING

Advising Division: Natural Sciences and Mathematics

	Course	Number	Title	Quarter Credit Hours
A.	Phys	251, 252, and 253	General Physics I, II, and III	15
B.	Choose three of the following:			15
	Chem	151; 152	Principles of Chemistry	
	Math	112	Trigonometry and College Algebra	
	Math	113; 114; 212; 213	Analytic Geometry and Calculus I, II, III, IV	
Total				30

Note: It is recommended that a student majoring in physics or pre-engineering complete Math 112 and 113 and Chem 151 and 152 in fulfilling requirements in Area II.

(A student planning to transfer to Southern Technical Institute to major in some field of engineering technology should refer to Area IV requirements for Technology on page 65 of this catalog.)

## POLITICAL SCIENCE

Advising Division: Social Sciences

	Course	Number	Title	Quarter Credit Hours
A.	Choose one of the following:			10
	A foreign language			
	OR			
	Comp and Math	201	Introduction to Computing	
	Math	231	Introductory Statistics	
B.	Choose four of the following:			20

## PRE-DENTAL HYGIENE

Advising Division: Natural Sciences and Mathematics (Department of Dental Hygiene)

This program is intended to give the student initial college work toward the baccalaureate degree in dental hygiene offered by the Medical College of Georgia. It should not be confused with the two-year Career Program in Dental Hygiene offered by Clayton Junior College. The student is advised to consult with the Director of the Department of Dental Hygiene at the Medical College of Georgia in order to obtain optimum choice of courses at Clayton Junior College.

	Course	Number	Title	Quarter Credit Hours
A.	Biol	151 and 152	Human Anatomy and Physiology	10
B.	Chem	111 and 112	General Chemistry	10
C.	Psyc	105	Introductory Psychology	5
D.	Spch	121	Communications	5
Total				30

Note: It is recommended that a student majoring in pre-dental hygiene who has not had high school chemistry complete Chem 111 and 112 in fulfilling requirements for Area II.

Students who have had high school chemistry should complete Chem 121 in "C" of Area II, plus a sequence in either biology or physics in "B" of Area II, in fulfilling requirements for Area II.

## PRE-DENTISTRY

Advising Division: Natural Sciences and Mathematics

	Course	Number	Title	Quarter Credit Hours
A.	Biol	111 and 113	Principles of Biology	10
B.	Chem	251 and 252	Organic Chemistry	10
C.	Phys	111 and 112	Introductory General Physics	10
Total				30

Note: It is recommended that a student majoring in pre-dentistry complete Math 111 and 112 and Chem 151 and 152 in fulfilling requirements for Area II.

## PRE-LAW

Advising Division: Social Sciences

A student majoring in pre-law should fulfill Area IV requirements in history or political science.

## PRE-MEDICAL TECHNOLOGY

Advising Division: Natural Sciences and Mathematics

This program is intended to give the student initial college work toward the baccalaureate degree in medical technology offered by Georgia State University or the Medical College of Georgia. It should not be confused with the two-year Career Program in Medical Laboratory Technology offered by Clayton Junior College in cooperation with Atlanta Area Technical School. The student is advised to consult with the Dean of the School of Allied Health at either institution in order to obtain optimum choice of courses at Clayton Junior College.

	Course	Number	Title	Quarter Credit Hours
A.	Biol	111 and 113	Principles of Biology	10
B.	Math	111 or 112	College Algebra or Trigonometry and College Algebra	5
C.	Choose three of the following:			15
	Chem	151; 152	Principles of Chemistry	
	Chem	251; 252	Organic Chemistry	
	Chem	201	Introduction to Chemical Analysis	
	Phys	111; 112	Introductory General Physics	
	Biol	202	Survey of Plant Kingdom	
	Biol	203	Vertebrate Zoology	
	Total			30

Note: It is recommended that a student majoring in Pre-Medical Technology complete Math 111, Chem 151 and 152 and Physics 111 in fulfilling requirements for Area II.

## PRE-MEDICINE

Advising Division: Natural Sciences and Mathematics

	Course	Number	Title	Quarter Credit Hours
A.	Choose four of the following:			20
	Biol	111; 113	Principles of Biology	
	Chem	151; 152	Principles of Chemistry	
	Chem	201	Introduction to Chemical Analysis	
	Phys	111; 112	Introductory General Physics	
B.	Choose two of the following:			10
	Biol	203	Vertebrate Zoology	
	Chem	251; 252	Organic Chemistry	
	Math	112	Trigonometry and College Algebra	
	Math	113; 114	Analytic Geometry and Calculus I, II	
	Total			30

Note: It is recommended that a student majoring in pre-medicine complete Math 111, Biol 111 and 113, and Chem 151 in fulfilling requirements for Area II.

## PRE-NURSING

Advising Division: Natural Sciences and Mathematics (Department of Nursing)

This program is intended to give the student initial college work toward the baccalaureate degree. It should not be confused with the two-year Career Program in Nursing offered by Clayton Junior College. Students are advised to consult with the academic advisor for the School of Nursing at the senior institution of their choice in order to obtain optimum choice of courses at Clayton Junior College.

	Course	Number	Title	Quarter Credit Hours
A.	Biol	151 and 152	Human Anatomy and Physiology	10
B.	Biol	250	Microbiology	5
C.	Elective courses in biology, chemistry, natural sciences, philosophy, psychology, or sociology. (No more than 10 hours in philosophy, psychology, and sociology.)			15
	Total			30

Note: It is recommended that a student majoring in pre-nursing who has not had high school chemistry complete Chem 111 and 112 in fulfilling requirements for Area II. Students who have had high school chemistry should complete Chem 121 in "C" of Area II, plus a sequence in either biology or physics in "B" of Area II, in fulfilling requirements for Area II.

## PRE-OCCUPATIONAL THERAPY

Advising Division: Social Sciences

	Course	Number	Title	Quarter Credit Hours
A.	Biol	151 and 152	Human Anatomy and Physiology	10
B.	Psyc	201	General Psychology	5
C.	Psyc	258	Psychology of Adjustment	5
D.	Choose two of the following:			10
	Soci	105	Introduction to Sociology	
	Soci	201	Contemporary Social Issues	
	Soci	204	Marriage and the Family	
	Total			30

Note: It is recommended that a student majoring in pre-occupational therapy who has not had high school chemistry complete Chem 111 and 112 in fulfilling requirements for Area II. Students who have had high school chemistry should complete Chem 121 in "C" of Area II, plus a sequence in either biology or physics in "B" of Area II, in fulfilling requirements for Area II.

## PRE-PHARMACY

Advising Division: Natural Sciences and Mathematics

Course	Number	Title	Quarter Credit Hours
A. Biol	111	Principles of Biology	5
B. *Biol	112 or 113	Principles of Biology	5
C. Chem	251 and 252	Organic Chemistry	10
D. Choose from the following:			10
Chem	201	Introduction to Chemical Analysis	
Econ	201	Principles of Economics	
Phys	111	Introductory General Physics	
Phys	112	Introductory General Physics	
Total			30

Note: It is recommended that a student majoring in pre-pharmacy complete Math 112, Chem 151 and 152 in fulfilling requirements for Area II.

\*The University of Georgia requires Biol 113. Since requirements vary with different pharmacy schools, it is suggested that students consult the advisor or the catalog of the school to which the student plans to transfer to determine specific requirements. The advisor can also inform the student of dates of the required PCAT test.

## PRE-PHYSICAL THERAPY

Advising Division: Natural Sciences and Mathematics

Course	Number	Title	Quarter Credit Hours
A. Psyc	201	General Psychology	5
B. Choose five of the following:			25
Biol	111	Principles of Biology	
Biol	111 or 113	Principles of Biology	
*Chem	151; 152	Principles of Chemistry	
*Phys	111; 112	Introductory General Physics	
Psyc	258	Psychology of Adjustment	
Total			30

\*It is recommended that a student majoring in pre-physical therapy planning to elect either Chem 151 or Phys 111 complete Math 111 in fulfilling requirements for Area II.

## PRE-RADIOLOGIC TECHNOLOGY

Advising Division: Natural Sciences and Mathematics

Course	Number	Title	Quarter Credit Hours
A. Phys	111 and 112	Introductory General Physics	10
B. Choose four of the following:			20
Biol	111	Principles of Biology	
Biol	111 or 113	Principles of Biology	
Chem	111; 112	General Chemistry	
Math	112	Trigonometry and College Algebra	
Math	113	Analytic Geometry and Calculus I	
Total			30

Note: It is recommended that a student majoring in pre-radiologic technology complete Math 111 in fulfilling requirements for Area II.

## PRE-VETERINARY MEDICINE

#### FULFILLING DEGREE REQUIREMENTS FOR CAREER PROGRAMS

For graduation with the Associate in Arts Degree, the Associate in Fire Science Technology Degree, or the Associate in Science in Aviation Administration Degree, the following requirements must be completed by each student enrolled in a Career Program in accordance with the academic regulations stated in this catalog.

1. Complete the prescribed career curriculum with a minimum 2.0 Grade Point Average for all courses in the curriculum and with a minimum 2.0 average for all courses in the major;

**Note I: *History and Constitution Requirements.*** The State of Georgia requires that any person receiving a degree from a state-supported college must demonstrate a knowledge of the history and Constitution of the United States and Georgia.

To meet both requirements, students are required to successfully complete Constitutional Studies 105, Constitutional Studies of the United States and Georgia. However, if a student chooses, he may take a competency examination administered once in the Winter, Spring, and Summer quarters in lieu of the course. Those who successfully complete the examination shall have the option of taking some other course listed in section A or C of Area III of the Core Curriculum outlined on page 45.

2. Complete a minimum of 30 quarter credit hours of degree requirements at Clayton Junior College and be registered during the academic quarter that all graduation requirements are satisfied;

**Note II: *Dental Hygiene and Nursing Students.*** A dental hygiene or nursing student should expect to complete all professional courses within his major at Clayton Junior College. In either program, a minimum of 20 quarter hours must be completed at Clayton Junior College.

3. Successfully complete the Regents' Testing Program of the University System of Georgia.

**Note III: *Regents' Testing Program.*** The University System of Georgia requires that each student receiving a degree from a state-supported college must have successfully completed all parts of a competency examination in reading and English composition. This examination is a requirement during the academic quarter following the completion of 45 quarter credit hours. The Regents' Testing Program of the University System of Georgia is administered at Clayton Junior College once during each quarter through the Office of the Dean of Students. The dates on which the Regents' Testing Program will be administered are published in the Academic Calendar.

The college provides a program of remedial instruction for the student who does not successfully complete the Regents' Testing Program. Any student who does not successfully complete the examination is required to complete the remedial program prescribed by the college in order to be permitted to retake the examination at a later date.

A student transferring 45 quarter hours from another institution who has not successfully completed the Regents' Testing Program will be required to take the examination during his first quarter of attendance at Clayton Junior College.

## ACCOUNTING

### Advising Division: Business

The Career Program in Accounting at Clayton Junior College is designed to prepare the student for employment in business or industry. The curriculum prepares students for entry level positions as internal accountants and junior accountants. Using practical application grounded in basic theory, the program provides the student with skills required for initial employment as well as for advancement possibilities.

If a student decides to continue his studies at any other institution of the University System of Georgia, all course credits completed within the program which also meet the requirements of the Core Curriculum of the University System may be transferred. In addition, it also may be possible to transfer other, more specialized courses within the curriculum on a course-by-course basis.

The student is advised that the Accounting Program as such does not fulfill the Core Curriculum requirements of the University System of Georgia.

## AVIATION ADMINISTRATION

### Advising Division: Business

The Associate in Science in Aviation Administration Degree is awarded upon completion of this program. In cooperation with Georgia State University, Clayton Junior College offers this career program designed to provide college-level training in general education and professional aviation management.

Aviation employment is available not only in the airline industry, but also in the areas of business and corporate flying, personal flying, flight instruction, and numerous military and government positions. Graduates may work in various capacities for commercial airlines, aircraft manufacturers, private corporations, fixed base operations, government agencies, and research and development firms.

The course of study has been designed by a joint industry-university committee. In addition to classes in general education, the program offers professional courses giving training in the multiple phases of the aviation management business. An officially enrolled Aviation Administration student need not wait until completing the forty-five hours of general studies before enrolling in any of the major field professional courses, unless there is a prerequisite that needs to be satisfied in a particular student's case. (See Course Descriptions Section of this catalog.)

Present aviation employees and students wishing to transfer into the program are encouraged to consult the registrar's office on credit transferability of any prior college work. Before a person may be admitted as a major in the Aviation Administration program, he or she must meet the criteria established by Clayton Junior College and Georgia State University. For details on these criteria and the procedural aspects of the program, contact the Division of Business.

The major field professional courses are offered by Georgia State University, but some of these courses may be conducted on the Clayton Junior College campus.

*NOTE: A minimum of 20 quarter hours in this degree program must be completed at Clayton Junior College.*

## BANKING AND FINANCE

### Advising Division: Business

The Banking and Finance Program at Clayton Junior College is designed to prepare the student for an entry level position in business or industry. The curriculum is designed to provide the student both with the basic business skills necessary to obtain such a position and with a sufficient knowledge of business theory to enhance his possibilities for future advancement.

If a student decides to continue his studies at a senior institution of the University System of Georgia, all course credits completed within the program which also meet the requirements of the Core Curriculum of the University System may be transferred toward a baccalaureate degree. It also may be possible to transfer other, more specialized courses within the curriculum on a course-by-course basis. ## DENTAL HYGIENE

Advising Division: Natural Sciences and Mathematics (Department of Dental Hygiene)

The profession of Dental Hygiene is an ideal career for one interested in science and health services. The growing and constant demand for graduate dental hygienists assures good compensation. A dental hygienist works under the general supervision of a dentist and performs a number of dental functions.

Activities usually include performing oral prophylaxis (cleaning of the teeth); instructing patients in dental health; taking, developing, and mounting dental x-rays; applying fluorides; and assisting the dentist in chairside and laboratory duties.

A dental hygienist should have good health, neat appearance, high moral character, a desire to be of service to others, and the ability to get along with people.

The Dental Hygiene Program at Clayton Junior College consists of seven quarters of full-time study (two academic years and the intervening summer quarter) and leads to an Associate in Arts Degree. Students are accepted into the Dental Hygiene Program beginning with the Fall Quarter. Formal admission into the Program occurs after completion of the Fall Quarter if the student has a minimum Grade Point Average of 2.0 (C), a grade of "C" or higher in the two dental hygiene courses required in the first quarter of attendance, and meets the prerequisites for other courses prescribed for the Winter Quarter.

Although the Dental Hygiene courses are sequential in nature, beginning with "Dental Hygiene 101," a student may begin the general education courses required in the program during any quarter.

Dental Hygiene students are responsible for providing their own transportation between the campus and community agencies when assigned for field experience. Students are expected to wear the official student uniform of the Dental Hygiene Program.

A student considering application for admission to the Dental Hygiene Program is advised that a graduate of the program must be 18 years of age or older in order to be licensed by the State of Georgia as a practicing dental hygienist.

Applicants to the Dental Hygiene Program must meet the admission requirements for Clayton Junior College (see Admissions section, beginning on page 15) and the Department of Dental Hygiene (pages 22-24). Enrollment in the dental hygiene curriculum is limited to 32 students each year.

Students admitted into the Dental Hygiene Program who do not maintain a cumulative grade point average of 2.0 or better are subject to suspension from the program. Suspended students who reapply to the program must achieve a grade point average of 2.0 or better before being considered for readmission into the program.

## FIRE SCIENCE TECHNOLOGY

Advising Division: Natural Sciences and Mathematics

Clayton Junior College offers a career program in fire science technology jointly with Southern Technical Institute to assist the fireman in meeting the increasingly technical demands of his profession and to provide him with an opportunity for professional advancement through both academic and specialized training. A student in fire science technology is trained primarily for fire department supervision; however, the very nature of the curriculum provides him with a comprehensive background in fire prevention and extinguishment techniques and so equips him for entry positions in the fire services and in related fire protection agencies and organizations.

Under the joint program, the student in fire science technology acquires a basic academic background during 45 quarter credit hours taught by the faculty of Clayton Junior College and specialized technical training during 45 quarter credit hours taught by the faculty of Southern Technical Institute.

*NOTE: A minimum of 20 quarter hours in this degree program must be completed at Clayton Junior College.*

## LIBRARY/MEDIA TECHNICAL ASSISTANTS

### Advising Division: Social Sciences

The Library/Media Technical Assistants Program at Clayton Junior College is designed to prepare the graduate for paraprofessional positions in school library/media centers; public libraries; college library/learning resources centers; and specialized libraries found in businesses, churches, and other institutions. Library/media technical assistants provide support and assistance to the professional staff in carrying out operations and services essential to effective functioning of a library/media center.

A paraprofessional library/media position may be viewed either as a means of making an active contribution in the field without completing a four or five-year degree or as a step on a "career ladder" leading to a professional degree.

The curriculum has been designed in accordance with the "Criteria for Programs to Prepare Library/Media Technical Assistants" published by the Library Education Division of the American Library Association.

## MEDICAL LABORATORY TECHNOLOGY

Advising Division: Natural Sciences and Mathematics

The Medical Laboratory Technology Program at Clayton Junior College is offered in cooperation with Atlanta Area Technical School to train men and women as medical laboratory technicians to work in medical laboratories under the direct supervision of a medical technologist.

A medical laboratory technician is a medical fact-finder, producing evidence to aid physicians' diagnoses by exacting laboratory tests on blood and body fluids; by preparing tissue specimens; by identifying micro-organisms found in air, food, milk, and body materials; and by operating special apparatuses and precision instruments.

For these reasons, an applicant to the Medical Laboratory Technology Program should have an interest in health and science and a strong background of high school courses in chemistry and biology. Personal qualifications essential for success as a medical laboratory technician include a sense of responsibility, an exacting nature and an ability to be precise with detail, and a willingness to work in order to reach goals. A graduate of the program will find employment with hospitals, clinics, and individual physicians in all parts of the country.

An applicant to the Medical Laboratory Technology Program may begin the general education courses required during any quarter of the academic year. However, the five quarters of work required at Atlanta Area Technical School are sequential in nature, and admission is made into the course sequence only twice during the year. A student should consult closely with the Division of Natural Sciences and Mathematics at Clayton Junior College and with the Office of Admissions at Atlanta Area Technical School in working toward his cooperative degree and certificate in medical laboratory technology.

A medical laboratory technology student is responsible for providing his own transportation between the campus and community agencies when assigned for laboratory classes and experience.

*NOTE: A minimum of 20 quarter hours in this degree program must be completed at Clayton Junior College.*

## MUSIC

### Advising Division: Humanities

The Career Music Program at Clayton Junior College is designed to develop skills in the performance of music and in the instruction of amateur musicians. Graduates of this program will be prepared to teach privately or to direct amateur musical organizations such as church and community choirs.

The Career Music Program requires a minimum of 96 quarter credit hours for graduation: 20 in Humanities other than Music; 5 in Natural Sciences and Mathematics; 15 in Social Sciences; 53 in Music; and 3 hours of Physical Education.

## NURSING

Advising Division: Natural Sciences and Mathematics (Department of Nursing)

The Nursing Program at Clayton Junior College is designed to educate women and men who desire a career in nursing and to meet the expressed need for nurses in the south Atlanta metropolitan area. A graduate of the program may petition to take the examination of the Georgia Board of Nursing; successful completion of the examination licenses the graduate as a Registered Nurse.

A student who has a felony conviction may be admitted to the Nursing Program at Clayton Junior College, but permission to sit for and take the Registered Nurse Licensing examination rests with the Georgia Board of Nurse Examiners.

The Nursing Program at Clayton Junior College consists of six consecutive quarters, and begins with the Fall Quarter. Formal admission into the Program occurs after completion of the Fall Quarter if the student has a minimum Grade Point Average of 2.0 (C), a grade of "C" or higher in the nursing course required during this first quarter, and meets the prerequisites for other courses prescribed for the Winter Quarter.

Although the nursing courses are sequential in nature, beginning with "Nursing 105," a student may begin the general education courses required in the program during any quarter.

A candidate for acceptance into the Nursing Program should display previous achievement through his secondary school records; a strong science background of high school chemistry, biology, and algebra (or appropriate post-secondary courses); ability as measured by the Scholastic Aptitude Test; and those personal qualifications appropriate to nursing. An applicant who, in the judgment of the Admissions Committee, presents high overall qualifications is selected for acceptance.

It is recommended that an applicant who has been away from school for a considerable period of time enroll in at least one course in an accredited college during the school year or summer preceding the applicant's planned entrance into the Nursing Program.

A nursing student is responsible for providing his own transportation between campus and clinical areas such as community hospitals and other health agencies. A student is required to wear the official student uniform of the Nursing Program. A student accepted for the Nursing Program will be sent information on supplies and equipment needed for the Fall Quarter approximately two weeks before classes begin.

The Nursing curriculum is subject to change, without notice, in order to comply with regulations of accrediting agencies.

Students admitted into the Nursing Program who do not maintain a minimum overall Grade Point Average of 2.0 or better, are subject to suspension from the Nursing Program.

Students who have been suspended from the Nursing Program must achieve a minimum overall Grade Point Average of 2.0 or better before being considered for re-admission into the Nursing Program.

Applicants to the Nursing Program must meet the admission requirements for Clayton Junior College (see Admissions section, beginning on page 15) and the Department of Nursing (see page 24).

## SECRETARIAL STUDIES—GENERAL

### Advising Division: Business

The Secretarial Studies Program at Clayton Junior College is designed to provide a program of study for persons interested in a career as a secretary and to meet the expressed need for well-qualified secretaries in the south Atlanta metropolitan area. The curriculum provides for general education as well as for specialized training in modern office practices.

The student who completes the Secretarial Studies Program will be qualified for immediate employment. If a student decides to continue studies at a senior institution of the University System of Georgia, the majority of the secretarial studies course credits may be transferred toward a Bachelor of Science Degree. All credits completed within courses required under the Core Curriculum may be transferred without loss to any other institution of the University System.

## SECRETARIAL STUDIES—LEGAL

### Advising Division: Business

The Legal Secretarial Program at Clayton Junior College is an option within the Secretarial Studies Program. This specialized legal option is designed to prepare the student for entry-level employment in a legal office situation. The Curriculum provides for general education as well as for specialized training in modern office practices.

If a student decides to continue studies at another institution of the University System of Georgia, the majority of the secretarial studies courses may be transferred. All credits completed within courses required under the Core Curriculum may be transferred without loss to any other institution within the University System.

The student is advised that the Legal Secretarial Program as such does not fulfill the Core Curriculum requirements of the University System of Georgia.

## TEACHER ASSISTANTS

### Advising Division: Social Sciences

The Teacher Assistants Program at Clayton Junior College is designed to prepare the graduate to qualify as a licensed paraprofessional teacher in the Georgia public schools. The teacher assistant, or paraprofessional teacher, works under the direct supervision of a professional teacher in the classroom, both to relieve the teacher of many time-consuming duties and to help children individually in study, in inquiry, in expressing their ideas, and in organized play.

A paraprofessional teaching position may be viewed either as a means of making an active contribution in education without completing a four-year degree or as a step on a "career ladder" leading to eventual professional or specialized certification.

The curriculum for a student planning to become a teacher assistant is based on the college's two-year transfer program in elementary education with additional courses designed to prepare the graduate to work in specific areas of instruction. The graduate who wishes to continue work toward a higher degree will find that a majority of his credits will transfer toward a baccalaureate degree at other institutions of the University System of Georgia.

Note: It is recommended that a student enrolled in the Teacher Assistants Program fulfill the college's requirement in physical education by completing Phed 102 (First Aid), Phed 103 (Principles of Movement), Phed 160 (Folk Dance) and one of the following:

Phed	105	Archery
Phed	131	Tumbling-Trampoline

## OFFICE PRACTICES CERTIFICATE PROGRAM

Advising Division: Business

The Office Practices Certificate Program at Clayton Junior College offers the student the opportunity to become proficient and certified in clerical and secretarial skills necessary for employment. The student completing Stenographic Specialization should be able to qualify to pass the Civil Service examination with a rating of at least a GS3 (stenographer). The student who chooses Clerical Specialization should be able to qualify for a clerk-typist position.

A student completing the requirements for the Office Practices Certificate will receive credit under Area IV of the Secretarial Studies curriculum and will be encouraged to continue in that program on a part-time basis after employment.

### Area IV Requirements

#### CLERICAL SPECIALIZATION (Same as Stenographic Specialization, without shorthand)

\*Competency examinations are available to establish credit by examination in one or more of these courses.

Note: With exception of Bsad 205, the above listed courses in Business Administration do not fulfill the requirements of the Core Curriculum of the University System of Georgia.

## SPECIAL STUDIES PROGRAM

For a variety of reasons, some applicants to Clayton Junior College find themselves unable to progress satisfactorily in a regular college degree program. Some have not followed a program of study which prepared them for college. Others have decided after a record of poor academic performance that further education is desirable. Still others have decided to undertake college studies many years after high school graduation or after leaving school. For such students, Clayton Junior College offers a program of special studies courses designed to "bridge the gap" between high school and college.

A student is initially admitted to the Special Studies Program when evaluation of his high school and/or previous college transcript and Scholastic Aptitude Test scores indicates deficiencies in basic academic skills. The specific special studies courses to be taken are determined through additional testing at scheduled sessions prior to the Registration Day of each academic quarter.

The primary purpose of the Special Studies Program at Clayton Junior College is to identify and to assist the student who needs to develop and/or to review basic academic skills in reading, English, and/or mathematics - skills vital to competency in all other academic areas. In addition, a Developmental Seminar (Psychology 98) is offered to assist the student in his orientation to college; in the exploration of his interests, aptitudes, and abilities; and in the establishment of appropriate educational and vocational goals.

Special Studies courses are not applicable to any degree programs currently offered by the college and are not transferable to other institutions. However, a student who successfully completes all of his required special studies courses will be able to schedule degree-applicable courses during the second quarter, and some students may even be able to schedule some degree-applicable courses during the first quarter of attendance. In any case, an advisor in the Special Studies Program must advise and approve the schedule of a student who is required to take special studies courses.

It is the general policy of Clayton Junior College that students in Special Studies who attempt a course twice and make no measurable progress or demonstrate no sincere effort (by absences or lack of preparation) be placed on academic probation. A student who attempts a Special Studies course three times and makes no measurable progress or demonstrates no sincere effort will be placed on suspension.

In some instances, a student who is enrolled in a degree program may wish to elect, with the permission of a Special Studies advisor, special studies courses to review basic academic skills. In addition, the resources of the Department of Special Studies are available to students who do not successfully complete the Regents' Testing Program of the University System of Georgia.

Please refer to page 123 of this catalog for a listing of specific Special Studies courses offered by the college.

## COURSE DESCRIPTIONS

*In all course descriptions, the three digits following each course title refer to weekly class hours, weekly laboratory hours, and quarter credit hours, respectively. For example, 4-3-5 represents a course meeting classes for four hours weekly and a laboratory period for three hours weekly, with resulting credit of five quarter hours for successful completion of the course.*

## ACCOUNTING

Note: For Career Accounting courses, see Business Management.

## BIOLOGY

BIOL 111 -- Principles of Biology (4-3-5)

Scientific processes, structure and function of the cell and cell organelles, cell division, origin of life, and plant and animal systems.

BIOL 112 -- Principles of Biology (4-3-5)

A continuation of Biology 111 suitable for non-science majors. Flow of nutrients, genetic applications, diversity and evolution of organisms and special interest topics.

Prerequisite: BIOL 111.

BIOL 113 -- Principles of Biology (4-3-5)

A continuation of Biology 111 recommended for science and pre-professional majors. Bioenergetic processes, Mendelian and molecular genetics, development, evolution, survey of plant and animal phyla.

Prerequisite: BIOL 111.

BIOL 151, 152 -- Human Anatomy and Physiology (4-3-5 each course)

A study of the structure and functions of the systems of the human body most pertinent to students enrolled in programs in the health sciences. Chem 112 or Chem 121 is a prerequisite or corequisite for BIOL 151. BIOL 151 is a prerequisite for BIOL 152. (These courses do not fulfill the Core Curriculum laboratory science sequence requirement under Area II.)

BIOL 202 -- Survey of the Plant Kingdom (3-6-5)

Survey of the plant kingdom, plant evolution, and plant structures and functions.

Prerequisites: BIOL 112 or 113 or consent of instructor.

BIOL 203 -- Vertebrate Zoology (3-6-5)

A comparative study of the vertebrate phyla in basic structure, function, phylogeny, ecology, and behavior.

Prerequisites: BIOL 112 or 113 or consent of instructor.

BIOL 250 -- Microbiology (3-4-5)

A study of the morphology, growth, modes of transmission, and relationship to diseases of pathogenic micro-organisms.

Prerequisite: BIOL 152.

\*Career courses which do not fulfill the requirements of the Core Curriculum of the University System of Georgia for Area IV of the College-Transfer Program.

## BUSINESS ADMINISTRATION

\*BSAD 111 -- Beginning Typing (1-4-3)

For students who have had no typing or who type at a speed of less than thirty words per minute. Designed to teach the techniques of typing and to build a speed of at least thirty net words per minute on selected materials. Simple letters, centering, and tabulation.

\*BSAD 112 -- Intermediate Typing (1-4-3)

Speed drills to develop speed to a minimum of forty net words per minute for five minutes on selected material. Training in letter writing, tabulation, manuscripts, and special business forms.

Prerequisite: BSAD 111 or consent of instructor.

\*BSAD 113 -- Advanced Typing (1-4-3)

Problem typing with emphasis on statistical reports, legal papers, and duplicated reports. How to take and to type employment tests. Minimum speed requirement of forty-five net words per minute on a selected five minute test.

Prerequisite: BSAD 112.

\*BSAD 150 -- Beginning Machine Shorthand (5-0-5)

An individualized study of the principles of machine shorthand with emphasis on learning the keyboard and theory of machine shorthand.

\*BSAD 151 -- Beginning Shorthand (5-0-5)

A study of the principles of Gregg Shorthand with emphasis on reading and writing shorthand. Dictation on familiar material at a minimum of sixty words per minute for three minutes and transcription with a minimum of 95% accuracy.

\*BSAD 152 -- Shorthand Dictation (5-0-5)

Emphasis on dictation of new material. Minimum dictation speed of eighty words per minute for five minutes on new material. Transcription at the typewriter.

Prerequisite: BSAD 151 or a satisfactory score on a Placement Test.

\*BSAD 153 -- Shorthand Transcription (5-0-5)

Dictation of new material and transcription at the typewriter. Dictation of 100 words per minute and transcription with a minimum of 95% accuracy. Mailable letters.

Prerequisite: BSAD 152.

\*BSAD 201 -- Advanced Shorthand (5-0-5)

Dictation at speed of 100 to 120 words per minute. Units on legal and medical shorthand. Mailable letters.

Prerequisite: BSAD 153.

\*BSAD 202 -- Office Machines (1-4-3)

Development of skill in operating various office machines including the ten-key adding machine, printing calculator, electronic calculator, and transcription and dictation units.

\*BSAD 204 -- Secretarial Accounting (5-0-5)

Secretarial Accounting introduces the basic accounting cycle and emphasizes the kinds of records kept in both mercantile and service business establishments.

A developmental study of the oral cavity covering the embryonic growth and development of the oral cavity; the primary tissue and histology of the teeth; the calcification, eruption, morphology, and function of the human dentition and supporting structures. Emphasis is given throughout to those areas of particular interest to the dental hygienist.

\*\*Career courses which may not fulfill requirements for the baccalaureate degree in dental hygiene offered by the Medical College of Georgia. Students should consult with the Director of the Department of Dental Hygiene at the Medical College of Georgia.

### \*\*DHYG 102 - Head and Neck Anatomy (3-0-3)

Study of head and neck anatomy with emphasis on applications to dental hygiene practice.

### \*\*DHYG 103 - Pre-Clinical Dental Hygiene (1-0-1)

An orientation to the profession of dental hygiene including an introduction to clinical practice subject matter.

### \*\*DHYG 104 - Clinical Dental Hygiene I (2-6-4)

A comprehensive study of soft deposits, stains, and dental calculus with emphasis on oral prophylaxis procedures, sterilization, and other fundamental skills associated with dental hygiene practice. Laboratory sessions will be utilized for orientation to the instruments, equipment, and materials used, including medical and dental emergencies, and for practice in performing these procedures on mannequins and then in the mouth. Prerequisite: DHYG 103.

### \*\*DHYG 105 - Clinical Dental Hygiene II (2-6-4)

Students continue with the development of oral prophylaxis techniques, the care and maintenance of dental instruments, equipment and supplies; and dental records, including oral evaluation indices. Methods and materials used in individual patient education will be introduced. Clinical practice will emphasize the development of skill in the performance of the dental prophylaxis, application of preventive agents, and oral examination as an introduction to treatment planning. Prerequisite: DHYG 104.

### \*\*DHYG 106 - General and Oral Pathology (3-0-3)

The principles of general pathology in relationship to the diseases of the teeth, soft tissues, and supporting structures of the oral cavity. The importance of early recognition of abnormal conditions in the mouth by the hygienist is emphasized.

### \*\*DHYG 107 - Periodontics (3-0-3)

Etiology and classification of periodontal disease and principles of periodontics pertinent to dental hygiene practice.

### \*\*DHYG 108 - Dental Materials (3-2-3)

A series of lecture-demonstration designed to acquaint the student with dental materials commonly used in the dental office and laboratory. Laboratory time will be used to practice the manipulation of selected materials.

### \*\*DHYG 110 - Fundamentals of Nutrition (5-0-5)

A survey of the fundamentals of nutrition and the factors influencing the ability of the individual and family to secure and maintain optimal nutritional status.

### \*\*DHYG 201 - Pharmacology and Anesthesiology (3-0-3)

The study of drugs and anesthetics with special consideration given to those used in the dental office. This study is to acquaint the student with the origin of these drugs and anesthetics, their physical and chemical properties, modes of administration, and effects upon the body systems.

### \*\*DHYG 202 - Clinical Dental Hygiene III (2-15-7)

Study of the theory and principles of exposing, processing, and mounting dental radiographs. Clinical experience will include dental prophylaxis, dental radiographs, and dental hygiene treatment planning coordinated with chairside dental health instruction. Prerequisite: DHYG 105.

\*\*Career courses which may not fulfill requirements for the baccalaureate degree in dental hygiene offered by the Medical College of Georgia. Students should consult with the Director of the Department of Dental Hygiene at the Medical College of Georgia.

**\*\*DHYG 203 – Clinical Dental Hygiene IV (2-15-7)**

A continuation of DHYG 104, 105, 202. Lecture time will cover laws governing dental hygiene practice, office procedures, areas of employment, advanced dental hygiene techniques, and an overview of the various specialties in dentistry. Clinical experience in applied dental hygiene will be continued with observations and assisting experience in the dental specialties.

Prerequisite: DHYG 202.

**\*\*DHYG 204 – Clinical Dental Hygiene V (2-15-7)**

A continuation of DHYG 104, 105, 202, 203. Seminar for discussion and evaluation of situations encountered in the clinical laboratory, the management of patients with special problems, additional advanced procedures and review. Clinical experience will center on improved proficiency in all areas of applied dental hygiene, dental radiography, and treatment planning for total care.

Prerequisite: DHYG 203.

**\*\*DHYG 205 – Dental Health Education (3-0-3)**

Content essential to familiarize the student with the methods and materials used in dental health education. Each student will be required to design lesson plans and appropriate visual aids to be used in dental health education for school children, adult groups, and office patients.

**\*\*DHYG 211 – Community Dental Health I (1-3-2)**

The study of dental health as a community problem with emphasis on the theory and practice of dental public health and preventive dentistry and the role of the dental hygienist in promoting dental health on community, state, and national levels.

Prerequisite: PHED 101.

**\*\*DHYG 212 – Community Dental Health II (1-6-3)**

A continuation of DHYG 211. Further study of the theory and practice of dental public health and preventive dentistry; employs directed field experience using current methodology related to community dental health problems.

Prerequisite: DHYG 211.

## DRAMA

**DRMA 191 – Drama Workshop (0-3-1)**

A course whereby students may receive credit for work on quarterly drama productions. May be repeated for credit.

Note: This course does not count as graduation credit from Clayton Junior College, but may be transferable to another institution.

**DRMA 211 – Appreciation of the Dramatic Arts (5-0-5)**

A study of the dramatic arts from the perspective of performance as an integral part of cultures, past and present. Through the study of live, televised, and film dramatic presentations, the student will learn to appreciate the dramatic arts as they appear in his culture.

**\*\*Career courses which may not fulfill requirements for the baccalaureate degree in dental hygiene offered by the Medical College of Georgia. Students should consult with the Director of the Department of Dental Hygiene at the Medical College of Georgia.**

## ECONOMICS

**ECON 110 – Consumer Economics (5-0-5)**

The study of all phases of personal finance from taxes to consumer protection. Other areas to be studied will include home buying, interest, insurance, investments, retirement, and estate planning.

**ECON 201 – Principles of Economics I (5-0-5)**

Applications of microeconomic principles to economic problems: the theory of production; market structures; income distribution; government regulation and business; labor organization; and international trade.

Prerequisite: ECON 201 or consent of instructor.

## EDUCATION

**\*EDUC 101 – Introduction to Paraprofessional Teaching (5-0-5)**

A basic course vital to employment as auxiliary personnel in the Georgia public schools. Areas of concentration include, but are not limited to, child growth and development; professional ethics, including the respective roles of the paraprofessional and of the supervising teaching; and the teaching of specific academic skills.

**\*EDUC 102 – Teacher Assistant Practicum (2-8-5)**

A practicum in which the student studies the role of the teacher assistant in an actual classroom situation. Initially, students will prepare lesson plans; later, they will be actively involved in the teaching/learning process under the guidance of a professional teacher. Students will be enrolled in this course subject to the consent of the instructor.

Prerequisites: EDUC 101, EDUC 105, and EDUC 106.

**\*EDUC 104 – Utilization of Media (4-1-5) (Same as LMTA 104)**

A course to acquaint the student with selection, production, and utilization of audio-visual materials and proper use and care of audio-visual equipment. Students will select and prepare materials to meet their individual objectives.

**\*EDUC 105 – Introduction to the Teaching of Mathematics (5-0-5)**

A course to introduce the student to the content and teaching methods in mathematics for elementary schools. The course includes a study of set theory, systems of enumeration, basic operations, geometry, metric system and preparation of mathematical games.

**\*EDUC 106 – Introduction to the Teaching of Reading (5-0-5)**

Instruction in regular reading processes in the classroom and in activities of corrective reading procedures. The student will study language development, reading study skills, and develop games for reinforcing skills in reading.

**\*EDUC 107 – Early Childhood Education (4-3-5)**

An introduction to the overall responsibilities of working with young children in group settings, this course is designed to prepare students to assist in the implementation of early childhood programs. The developing cognitive, socioemotional, and psychomotor abilities and the individual differences of young children are emphasized as the basis for planning programs and activities.

**\*Career courses which do not fulfill the requirements of the Core Curriculum of the University System of Georgia for Area IV of the College-Transfer Program.**

\*EDUC 108 – Kindergarten Education (5-0-5)

An introduction to the considerations of preschool educational programs, this course explores effective methods of mediating appropriate content and behavior prerequisites to formal schooling. Special emphasis is placed upon identifying and meeting the needs of children with special problems.

EDUC 201 Introduction to Education (5-0-5)

A study of the history and development of education in the United States. The student is encouraged to pursue an investigation of teaching techniques as they apply to his areas of interest. Field experiences are an important part of the class work of this course.

Corequisite: PSYC 204.

## ENGLISH

ENGL 111 Composition (5-0-5)

A course of study which endeavors to teach the student the basic principles of paragraph and theme organization, to make the student aware of the various levels of usage, and to aid the student in avoiding major grammatical and mechanical weaknesses.

ENGL 112 – Composition (5-0-5)

A course of study in multiparagraph theme organization, introduction to literature, and library research.

Prerequisite: ENGL 111.

ENGL 201 Survey of World Literature I (5-0-5)

A survey of World Literature from Homer through the Renaissance.

Prerequisite: ENGL 112.

ENGL 202 Survey of World Literature II (5-0-5)

A survey of World Literature from the Renaissance to the present.

Prerequisite: ENGL 112.

ENGL 211 Survey of English Literature I (5-0-5)

A survey of English Literature from Beowulf to about 1800.

Prerequisite: ENGL 112.

ENGL 212 Survey of English Literature II (5-0-5)

A survey of English Literature from about 1800 to the present.

Prerequisite: ENGL 112.

ENGL 221 American Literature I (5-0-5)

Major figures of the colonial and early national periods to the Civil War, with emphasis on cultural and historical backgrounds.

Prerequisite: ENGL 112.

## FIRE SCIENCE TECHNOLOGY

Specialized courses in the fire science technology curriculum are offered at the Southern Technical Institute. Please refer to the catalog of that institution for description of these courses.

\*Career courses which do not fulfill the requirements of the Core Curriculum of the University System of Georgia for Area IV of the College-Transfer Program.

## FRENCH

FREN 111, 112 Elementary French (5-1-5 each course)

Introduction to speaking, reading, and writing French; includes an introduction to French culture.

FREN 211 Intermediate French (5-1-5)

Grammar review, reading and translation, composition and conversation, outside readings. Offered Winter Quarter.

Prerequisite: FREN 112.

FREN 212 Intermediate French (5-1-5)

Reading and translation, composition and conversation, outside readings. Offered Spring Quarter.

Prerequisite: FREN 211.

## HISTORY

HIST 111 Western Civilization I (5-0-5)

An inquiry into selected areas of the political, social, and cultural development of western civilization from the earliest times to 1715.

HIST 112 Western Civilization II (5-0-5)

An inquiry into selected areas of the political, social, and cultural development of western civilization from 1715 to the present.

HIST 251 American Civilization I (5-0-5)

An inquiry into selected areas of the social, intellectual, and cultural growth of the United States through the Civil War.

HIST 252 American Civilization II (5-0-5)

An inquiry into selected areas of the social, intellectual, and cultural growth of the United States since the Civil War.

## INTERDISCIPLINARY STUDIES

IDST 101 Selected Topics

An inquiry into selected topics that synthesize uniform themes which may be traced through disciplines found in the humanities, natural sciences and mathematics, and social sciences. The emphasis of the course varies with the topics studied.

Note: Credit hours may vary and are accumulative to five hours. Selection for credit in any of the areas of the Core must be made at the time of registration for the course.

## JOURNALISM

JOUR 100 Journalism Laboratory (1-2-1)

Basic principles of newspaper or literary journal publication. A conference and workshop course for student newspaper or literary journal staff members. May be repeated for credit, not to exceed six quarter credit hours.

Note: This course does not count as graduation credit from Clayton Junior College, but may be transferable to another institution.

JOUR 105 Mass Communications Survey (5-0-5)

A historical and descriptive survey of the structure and function of contemporary mass media. Problems and criticism of the media.

Prerequisite: ENGL 112.

## LEGAL SECRETARY

### \*LEGL 113 – Advanced Typewriting (1-4-3)

Emphasis will be on legal formats (need of accuracy and familiarization), and legal terminology. Areas covered will be: contracts, automobile negligence, civil action, partnerships, corporations, wills and probate, criminal action, real estate, bankruptcy, and divorce cases.

Prerequisite: BSAD 112.

### \*LEGL 200 – Legal Secretarial Procedures (5-0-5)

This course is designed to acquaint the student with the practices and procedures of a legal office. The content includes: court systems; basic knowledge of general law; civil and criminal procedure; law office management; court calendar; preparation of briefs, memoranda, legal instruments, and documents for litigation; use of the legal library; and basic terminology.

### \*LEGL 204 – Secretarial Accounting (5-0-5)

Secretarial Accounting introduces the basic accounting cycle and emphasizes the kinds of records kept in both mercantile and service business establishments. The required practice set will be for a law office.

### \*LEGL 210 – Practicum (2-8-5)

Actual work experience in a legal office situation. The student will encounter and deal with all aspects of the legal office as a legal secretary.

Prerequisites: LEGL 113, BSAD 152, or consent of instructor, BSAD 202, 204.

### \*LEGL 212 – Legal Machine Transcription/Terminology (2-7-5)

Intensive use of machine transcription on legal material.

Prerequisite: BSAD 112 or consent of instructor.

## LIBRARY/MEDIA TECHNICAL ASSISTANTS

### \*LMTA 101 – Introduction to Library/Media Services (5-0-5)

An introduction to the services provided by various types of library/media centers and the role of the paraprofessional in providing these services. The development, terminology, and usage of such centers are stressed.

### \*LMTA 103 – Procedures in Technical Services (5-0-5)

Study and practice of the basic procedures associated with the ordering, receiving, cataloging, and processing of library/media materials.

Prerequisites: LMTA 101 and BSAD 111, or consent of the instructor.

### \*LMTA 104 – Utilization of Media (4-1-5) (Same as EDUC 104)

A course to acquaint the student with selection, production, and utilization of audio-visual materials and proper use and care of audio-visual equipment. Students will select and prepare materials to meet their individual objectives.

### \*LMTA 205 – Procedures in Public Services (5-0-5)

Study and practice of the basic procedures associated with the circulation of library/media materials, the use of basic reference tools, and library/media promotion and cooperation.

Prerequisite: LMTA 101, or consent of the instructor.

### \*LMTA 251 – Library/Media Practicum (1-8-5)

Practical experience as a paraprofessional in a library/media center.

Prerequisites: LMTA 101, LMTA 103, LMTA 104, and LMTA 205.

\*Career courses which do not fulfill the requirements of the Core Curriculum of the University System of Georgia for Area IV of the College-Transfer Program.

## MATHEMATICS

### MATH 105 – Mathematics for Liberal Arts (5-0-5)

A survey course dealing with various aspects of contemporary mathematics. Topics are selected from the following: set theory; mathematical systems, historical development of numeration systems; symbolic logic; probability and statistics.

Prerequisite: One year of high school algebra or MATH 98.

### MATH 111 – College Algebra (5-0-5)

A study of functions and relations; inverse functions and relations; including: Quadratic functions, conic sections, polynomial functions, rational functions, exponential functions, and logarithmic functions; systems of linear and non-linear equations; system of inequalities; matrices; determinants and application of matrices to systems of linear equations.

Prerequisite: Two years of high school algebra or MATH 99.

### MATH 112 – Trigonometry and College Algebra (5-0-5)

A study of trigonometric functions; trigonometric equations and identities; right triangle trigonometry; analytic trigonometry; law of sines; law of cosines; complex numbers; factors theorem; remainder theorem; synthetic division and mathematical induction.

Prerequisites: Two years of high school algebra and one year of high school geometry or MATH 111.

### MATH 113 – Analytic Geometry and Calculus I (5-0-5)

A study of real numbers and introduction to analytic geometry; functions; limits; continuity; the derivative; applications of the derivative to: related rates, extrema, monotonicity and curve sketching; Rolle's Theorem and the Mean Value Theorem for derivatives; the differential; the anti-derivative and applications of the anti-derivative.

Prerequisite: MATH 112 or consent of instructor.

### MATH 114 – Analytic Geometry and Calculus II (5-0-5)

A study of the definite integral; the indefinite integral; Mean Value Theorem for integrals; the fundamental Theorem of Integral Calculus; applications of the integral to: area, volume of figures of revolution by shells and disks, work, liquid pressure, centroids and length of arc; the natural logarithmic function; the exponential function; laws of growth and decay; the trigonometric and hyperbolic functions and the inverse trigonometric functions.

Prerequisite: MATH 113 or consent of instructor.

### MATH 212 – Analytic Geometry and Calculus III (5-0-5)

A study of techniques of integration including: integration by parts, integration by trigonometric substitution; integration by partial fractions; the trapezoidal rule; Simpson's rule; polar coordinates; the ellipse; the hyperbola, indeterminate forms; L'Hopital's rule; improper integrals; Taylor's Formula; infinite sequences; infinite series including: power series; Taylor's series and binomial series.

Prerequisite: MATH 114 or consent of instructor.

### MATH 213 – Analytic Geometry and Calculus IV (5-0-5)

A study of vectors in the plane and parametric equations; vectors in three dimensional space and solid analytic geometry; limits and continuity of functions of several variables; partial differentiation; directional derivatives; the gradient; tangent planes and normal lines; extrema of functions of several variables; multiple integrals; iterated integrals; surface area; triple integrals in cylindrical and spherical coordinates.

Prerequisite: MATH 212 or consent of instructor.

#### MATH 214 – Introductory Linear Algebra (5-0-5)

An introduction to matrix algebra including determinants, vector spaces, linear transformations, and characteristic roots.

Prerequisite: MATH 114 or consent of instructor.

#### MATH 231 – Introductory Statistics (5-0-5)

A study of basic descriptive and inferential statistics. Topics include probability, random variables, probability functions, measures of central tendency and variation, sampling, and statistical estimation and prediction.

Prerequisite: MATH 111 or consent of instructor.

#### MATH 241 – Principles of Decision Mathematics (5-0-5)

A course designed for the non-science student. Emphasis is on differential and integral calculus methods, with business and behavioral science applications. Other topics are set theory, functions, matrices, and systems of linear equations.

Prerequisite: MATH 111.

### MEDICAL LABORATORY TECHNOLOGY

Specialized courses in the medical laboratory technology curriculum are offered at Atlanta Area Technical School. Please refer to the catalog of that institution for descriptions of these courses.

### MILITARY SCIENCE

(Texts and Equipment: All texts, classroom equipment and any uniforms that may be issued are furnished by the Department of the Army without charge. Each student is responsible for the proper care of all items loaned to him or her during Military Science courses and must return these items in good condition when so directed.)

#### MILI 101 – Basic Military Science I (1-0-1)

A study of the structure and operation of the U.S. Defense Establishment. The rationale for national security as a legitimate need for nations and how it is provided for us in the U.S. system. Laboratory includes leadership development and orientation to and history of ROTC.

#### MILI 102 – Basic Military Science II (1-0-1)

The fundamentals of leadership and management and motivation related to human needs. Laboratory includes leadership development and practical exercises in basic military skills.

#### MILI 201 – Basic Military History I (1-0-1)

American military history from colonial times to World War I. Laboratory includes leadership development and practical exercises in military skills.

#### MILI 202 – Basic Military History II (1-0-1)

American military history in the 20th Century, including current tactical doctrine and small unit leadership. Laboratory includes leadership development and practical exercises in military skills.

### MUSIC

#### MUSI 100 – Music Literature Survey (2-1-2)

A survey of music literature from the Middle Ages through the twentieth century.

Prerequisite: Consent of instructor.

#### MUSI 111 – Music Theory (4-0-2)

Fundamentals of notation, pitch, time classification, intervals, scales, key signatures; beginning identification of triads; sight-singing and dictation of intervals and simple melodies in treble, bass, alto and tenor clefs. Open to all music majors and all students wishing to deepen their understanding of the technical aspects of music.

#### MUSI 112 – Music Theory (4-0-2)

Further identification of triads; introduction to functional harmony and analysis; beginning exercises in part-writing of triads in root position, first and second inversions; sight-singing and dictation of melodies with introduction of modes and minor scales.

Prerequisite: MUSI 111 or consent of the instructor.

#### MUSI 113 – Music Theory (4-0-2)

Further part-writing exercises; study of phrase structure and cadences; the technique of harmonization; non-harmonic tones; melodic dictation through two-parts and sight-singing of more complex melodies including modulation.

Prerequisite: MUSI 112.

#### \*MUSI 140 – Piano Pedagogy (4-2-5)

Current methods and trends used in teaching private piano lessons with special emphasis on keyboard technique and literature for beginners of all ages.

#### \*MUSI 141 – Voice Pedagogy (4-2-5)

The physical and mental processes involved in singing. A survey of vocal methods, art song, and contemporary solo literature.

#### MUSI 150 – Beginning Group Instruction in Applied Music (2-0-2)

Group lessons in voice, piano, and other instruments. May be repeated for credit. The particular type of lesson will be listed as a part of the course title.

#### MUSI 151 – Applied Music (.5-0-1)

Private lessons in voice, piano, and other instruments. May be repeated for credit. The particular type of lesson will be listed as a part of the course title.

#### MUSI 152 – Applied Music (1-0-2)

Private lessons in voice, piano, and other instruments. May be repeated for credit. The particular type of lesson will be listed as a part of the course title.

#### MUSI 191 – Ensemble (0-3-1)

Choral and instrumental groups for which students may receive credit. May be repeated quarterly. The particular ensemble will be listed as a part of the course title.

#### MUSI 201 – Music Theory (4-0-2)

A study of 18th and 19th century harmonic practices, including chords of the seventh. Writing of some original compositions required. Ear-training, sight-singing and dictation continuing in two-parts and beginning three-parts. Functional keyboard harmony.

Prerequisite: MUSI 113.

#### MUSI 202 – Music Theory (4-0-2)

A study of 18th and 19th century harmonic practice, including chords of the 9th, 11th, 13th and modulation. Writing of original compositions required. Ear-training, sight-singing and dictation continuing in three-parts. Functional keyboard harmony.

Prerequisite: MUSI 201.

\*Career courses which do not fulfill the requirements of the Core Curriculum of the University System of Georgia for Area IV of the College-Transfer Program.

**MUSI 203 – Music Theory (4-0-2)**

A capsule review of the development of harmonic practices from the 15th century through music of the Impressionistic age. Ear-training, sight-singing and dictation in three-parts and four-parts. Some original compositional writing required. Keyboard harmony exercises.

Prerequisite: MUSI 202.

**MUSI 211 – Music Appreciation (5-0-5)**

Study of all types of music through reading and listening to records; for the general student wishing to develop the talent of perceptive listening.

**MUSI 230 – General Music (4-2-5)**

Basic concepts of notation, performance (on recorder or piano), conducting patterns, group singing, mini-musical productions, making musical instruments, making musical games, and developing personal music projects. Meets Area IV Core requirements for Education and Recreation majors only.

**\*MUSI 240 – Piano Literature (5-0-5)**

A survey of standard piano literature with emphasis in teaching piano lessons.

**\*MUSI 241 – Choral Techniques and Literature (4-2-5)**

Basic conducting and choral techniques. A study of choral history and examination of choral works.

**MUSI 250 – Intermediate Group Instruction in Applied Music (2-0-2)**

Group lessons in voice, piano, and other instruments. May be repeated for credit. The particular type of lesson will be listed as a part of the course title.

Prerequisite: MUSI 150 or equivalent.

**MUSI 251 – Applied Music (.5-0-1)**

Continuation of MUSI 151.

**MUSI 252 – Applied Music (1-0-2)**

Continuation of MUSI 152.

## NURSING

**NURS 105 – Introduction to Nursing (5-3-6)**

This course is an orientation to the field of nursing and includes basic nursing concepts and procedures based on scientific principles. Emphasis is placed on identifying and meeting the patient's needs and on using the problem-solving approach in nursing situations. Mental health concepts are introduced to form a basis for better understanding of the patient as a person and as a background for further study.

Prerequisite or corequisite: BIOL 151.

**NURS 106 – Pharmacology (2-0-2)**

The course outlines basic concepts of pharmacology and their clinical application. Current practices for ensuring safe optimal chemotherapy are presented.

**NURS 111, 112 – Nursing in Maternal and Child Health I and II and Selected Laboratory Experiences (5-9-8 each course)**

A two-quarter, family-centered, problem-solving approach is used to introduce the student to the care of patients with problems related to selected conditions appropriate to a beginning medical-surgical nursing experience, particularly the nursing care of patients with conditions related to the reproductive system, with emphasis on the

\*Career courses which do not fulfill the requirements of the Core Curriculum of the University System of Georgia for Area IV of the College-Transfer Program.

maternity cycle. The family as a major unit of our society is emphasized to include normal growth and development of the child from conception through the adolescent. Instruction is planned to consider the patho-physiological and psychosocial aspects of patient care. There are planned observations at community facilities related to maternal and child health and supervised clinical practice correlated with theoretical instruction.

Prerequisite to NURS 111: NURS 105.

Prerequisite or corequisite to NURS 111: BIOL 152.

Prerequisite to NURS 112: NURS 111.

Prerequisite or corequisite to NURS 112: BIOL 250.

**NURS 211, 212 – Nursing in Physical and Mental Illness I and II and Selected Laboratory Experiences (5-9-8 each course)**

A two-quarter, family-centered, physical and mental illness sequence integrating the typical emotional and physical problems interrupting the human family life cycle from the toddler, the adolescent, through middle age to senescence and death. Instruction continues to develop the patho-physiological and psychosocial concepts essential for total patient care. Supervised laboratory experiences in community agencies and hospital facilities are selected to reinforce theoretical instruction.

Prerequisite to NURS 211: NURS 112.

Prerequisite to NURS 212: NURS 211.

**NURS 213 – Advanced Nursing Problems and Selected Laboratory Experiences (5-15-10)**

This course is a continuation of Nursing 211-212. Content is correlated to strengthen knowledge and skills needed by the present day beginning nurse in giving physical care and psychological support to patients. Current trends in nursing are explored, as well as responsibilities, both legal and professional. Laboratory experiences are designed to enhance breadth and depth of knowledge in selected clinical areas.

Prerequisite: NURS 212.

## PHILOSOPHY

**PHIL 211 – Introduction to Philosophy (5-0-5)**

The nature of philosophical thinking, the relation to and difference from other types of intellectual endeavor, studied through reading and discussing representative texts of major philosophers.

**PHIL 221 – Introduction to Logic (5-0-5)**

Study of the art of correct reasoning in the light of classical and modern techniques of analysis.

## PHYSICAL EDUCATION/HEALTH/RECREATION

(Equipment for all classes will be furnished by the Physical Education Department unless otherwise indicated.)

**PHED 100 – Concepts of Physical Education (1-2-2)**

To introduce the basic knowledge, understandings, and values of physical activity in our sedentary society. Ten concepts generally accepted as being of primary importance in developing an understanding of physical activity will be examined.

**PHED 101 – Personal Health (2-0-2)**

An examination of the physical and mental health problems of man. Emphasis will be placed on emotional problems, drug abuse, alcohol abuse, foods, diet and weight control, reproduction, medical services, and ecology.

- \*PHED 102 First Aid (1-2-2)  
General instruction in basic emergency first aid techniques. American Red Cross certification is available to those satisfactorily completing the course.
- PHED 103 Principles of Movement (1-2-2)  
Basic instruction and participation in the study of fundamental movement, such as walking, running, catching, skipping, and throwing.
- PHED 104 Modern Marriage and Family Relationships (2-0-2)  
An examination of the man-woman relationship as it is found in dating, courtship, marriage, and family life in contemporary America.
- \*PHED 105 Archery (0-2-1)
- PHED 110 Badminton (0-2-1)
- \*PHED 120 Beginning Golf (0-2-1)
- PHED 121 Intermediate Golf (0-2-1)  
Prerequisite: PHED 120 or consent of instructor.
- \*PHED 125 Beginning Tennis (0-2-1)
- PHED 126 Intermediate Tennis (0-2-1)  
Prerequisite: PHED 125 or consent of instructor.
- PHED 130 Gymnastics-Apparatus (0-2-1)  
(Men) Parallel Bars, Side Horse, Still Rings, High Bar, Floor Exercise,  
(Women) Uneven Parallel Bars, Balance Beam, Side Horse, Floor Exercises.
- PHED 131 Tumbling-Trampoline (0-2-1)
- PHED 132 Intermediate Tumbling-Trampoline (0-2-1)  
Prerequisite: PHED 131 or consent of instructor.
- PHED 133 Intermediate Gymnastics (0-2-1)  
Prerequisite: PHED 130 or consent of instructor.
- PHED 135 Beginning Judo (0-2-1)  
Must furnish uniform.
- PHED 136 Intermediate Judo (0-2-1)  
Prerequisite: PHED 135 or consent of instructor.  
Must furnish uniform.
- PHED 137 Self Defense (0-2-1)
- PHED 138 Wrestling (0-2-1)
- PHED 139 Beginning Karate (0-2-1)
- \*PHED 140 Jogging (0-2-1)
- \*PHED 141 Weight Training (0-2-1)
- PHED 142 Advanced Weight Training (0-2-1)  
Prerequisite: Consent of instructor.
- PHED 143 Intermediate Karate (0-2-1)  
Prerequisite: PHED 139.

\*A student may receive credit by examination for these courses by successfully completing a competency examination. Please contact a member of the Health, Physical Education, and Recreation faculty for further information.

- \*PHED 145 Beginning Swimming (0-2-1)  
For non-swimmers or weak swimmers.  
Must furnish swim suit and cap.
- PHED 146 Intermediate Swimming (0-2-1)  
Prerequisite: PHED 145 or consent of instructor.  
Must furnish swim suit and cap.
- PHED 148 Life Saving (0-2-1)  
Prerequisite: PHED 146 or consent of instructor.  
Must furnish swim suit and cap.
- PHED 149 Water Safety Instructors (0-2-1)  
Prerequisite: PHED 148 or Life Saving Certification.  
Must furnish swim suit and cap.
- PHED 160 Folk Dances of Western Europe and the United States (0-2-1)
- PHED 161 Round and Square Dance (0-2-1)
- PHED 163 Beginning Modern Dance (0-2-1)  
Must furnish leotards and tights.
- PHED 164 Intermediate Modern Dance (0-2-1)  
Prerequisite: PHED 163 or consent of instructor.  
Must furnish leotards and tights.
- PHED 165 Folk Dances of Eastern Europe (0-2-1)
- PHED 170 Volleyball (0-2-1)
- PHED 180 Hiking & Backpacking (1-2-2)  
A beginning course to acquaint the student with equipment and technique. Weekend hikes are required.
- PHED 183 Cycling (1-2-2)  
Prerequisite: consent of instructor.
- PHED 185 Camping (1-2-2)  
A basic course in camping. This course includes aspects of pioneer camping as well as family recreational camping. There will be overnight camp-outs during the course.
- PHED 190-191-192 Officiating (0-2-1)  
Basic principles and fundamentals of officiating team and individual sports. Officiating experience in the Intramural Department's Sports Program.
- PHED 260 Foundations of Physical Education (5-0-5)  
An introductory study of the history, philosophy, principles, foundations, nature, and scope of the field of physical education. For those majoring in health and physical education.
- PHED 265 Physical Education in the Elementary School (4-2-5)  
Lecture and field experience in planning, supervising, and administering the elementary school physical education program.
- RECR 201 Introduction to Recreation Services (5-0-5)  
This course is designed to introduce the student to the historical and philosophical foundations of leisure and recreation. Many types of agencies which provide leisure services are presented and emphasis is placed on the interrelation of these agencies in meeting the recreational needs of society. Opportunity will be afforded to observe the operation of a number of these agencies.

\*A student may receive credit by examination for these courses by successfully completing a competency examination. Please contact a member of the Health, Physical Education, and Recreation faculty for further information.

## PHYSICS

### PHYS 111, 112 – Introductory General Physics (4-2-5 each course)

A two-quarter sequence in physics for the non-science major.

Prerequisite: Two years of high school algebra or MATH 111.

### PHYS 113 – Introductory Contemporary Physics (4-2-5)

Electricity, magnetism and modern physics.

Prerequisites: PHYS 111 and 112.

### PHYS 251 – General Physics I (4-3-5)

Statics and Dynamics.

Prerequisite: MATH 113.

Prerequisite or corequisite: MATH 114.

### PHYS 252 – General Physics II (4-3-5)

Thermodynamics, optics, and sound.

Prerequisites: PHYS 251 and MATH 114.

Prerequisite or corequisite: MATH 212.

### PHYS 253 – General Physics III (4-3-5)

Electromagnetism, nuclear and modern physics.

Prerequisites: PHYS 252 and MATH 212 or consent of instructor.

## POLITICAL SCIENCE

### POLI 111 – American National Government (5-0-5)

An introduction to the structures and processes of American national politics, from the perspective of political science methodology.

### POLI 200 – State and Local Government (5-0-5)

An introduction to the organization and processes of government at the state and local levels. Special emphasis will be placed upon the current problems faced by urban government.

### POLI 211 – Introduction to Comparative Politics (5-0-5)

Designed to acquaint students with certain key concepts and methods; a comparative study of political systems in Western Europe, the Communist nations, and the Third World.

## PSYCHOLOGY

### PSYC 105 – Introductory Psychology (5-0-5)

A survey course introducing psychology as the scientific study of behavior. Basic concepts and principles are presented in the areas of physiological psychology, learning and motivation, intelligence, and personality development. Designed for the student who is not planning to major in one of the behavior sciences.

### PSYC 201 – General Psychology (5-0-5)

An experimental approach to the study of psychology as a science. Emphasis is placed on methods in psychological experimentation, social behavior, learning and memory and cognition. PSYC 201 is recommended for the student planning to major in one of the behavioral sciences.

### PSYC 204 – Child Growth and Development (5-0-5)

An introduction to child psychology with special attention focused on the social, emotional, intellectual, and personal development of the child.

### PSYC 258 – Psychology of Adjustment (5-0-5)

A study of the dynamics of adjustment in human behavior. Emphasis is placed on behavioral and phenomenological processes and application of adjustment techniques in individual and group situations.

## SCIENCE

### SCI 105 – Environmental Science (5-0-5)

A study of man and his relationship to the environment with emphasis on current ecological problems. Designed for the non-science major.

## SECRETARIAL STUDIES

Courses listed under Secretarial Studies in former Clayton Junior College catalogs are now classified under Business Administration.

## SOCIOLOGY

### SOCI 105 – Introduction to Sociology (5-0-5)

An introduction to the basic sociological concepts regarding social institutions, social organization, culture, stratification, formal organization, collective behavior, and urbanization in modern American society.

### SOCI 201 – Contemporary Social Issues (5-0-5)

An analysis of current social issues utilizing data from basic research and emphasizing the part that individuals and communities alike play in isolating, describing, and solving America's internal problems.

### SOCI 204 – Marriage and the Family (5-0-5)

An in-depth study of the institutions of marriage and the family including historical development, cross-cultural perspective, structure and function, and an analysis of current forces of change affecting marriage and the family.

## SPANISH

### SPAN 111, 112 – Elementary Spanish (5-0-5 each course)

Introduction to speaking, reading, and writing Spanish; includes an introduction to Spanish culture.

### SPAN 211 – Intermediate Spanish (5-1-5)

Grammar review and continued development of the student's basic skills in speaking, reading, and writing Spanish with emphasis on readings of a more difficult nature than those previously encountered by the student. Offered Winter Quarter.  
Prerequisite: SPAN 112.

### SPAN 212 – Intermediate Spanish (5-1-5)

Continued development of the student's basic skills in speaking, reading, and writing Spanish with emphasis on readings of a more difficult nature than those previously encountered by the student. Offered Spring Quarter.  
Prerequisite: SPAN 211.

## SPECIAL STUDIES COURSES

### \*ENGL 99 – Developmental English (5-0-5)

A course designed to improve writing skills. Attention will be given to developing standard English grammar and usage and to learning organization and development of effective paragraphs.

### \*MATH 98 – Developmental Mathematics (5-0-5)

A course designed to review arithmetic and introduce the topics of beginning algebra. Topics covered are decimals, fractions, percents, sets, operations with signed numbers, operations with polynomials, solutions of linear equations and inequalities in one variable.

### \*MATH 99 – Review Algebra (5-0-5)

A course designed to review the topics of intermediate algebra. Students who have had only one year of high school algebra should plan to take Math 99 before enrolling in Math 111. Topics include sets; real number system; factoring; algebraic fractions; radicals; algebraic expressions containing fractional, negative, and zero exponents; linear systems; graphing techniques; quadratic equations and inequalities; equations involving radicals; and word problems.

Prerequisite: One year of high school algebra; MATH 98; or acceptable Placement Test Scores.

### \*PSYC 98 – Developmental Seminar (2-0-2)

The seminar utilizes small group interaction to assist students in the acquisition of communication skills and self-knowledge. Individual tests, discussion, and self-exploration are used to assist the student in making personal, educational, and vocational decisions.

### \*RLAD 95 – Reading Improvement (5-0-5)

A course designed to improve the reading skills of individuals. Diagnostic information is used to assist in the systematic development of vocabulary, literal and inferential comprehension, and reading rate. Problem areas such as concentration, listening, and test taking may be examined.

## SPEECH

### SPCH 121 – Communications (5-0-5)

An introductory course dealing with concepts of communication and offering experience in communication situations. Intrapersonal communications, interpersonal communications, mass media and communication strategy will be explored.

\*Credit received in Special Studies courses is not applicable toward degree programs at Clayton Junior College nor transferable to other institutions.

## FINANCIAL AID

For answers to questions concerning this section of the catalog, please contact:

The Director of Financial Aid and Placement

The purpose of financial aid at Clayton Junior College is to provide assistance to the student who otherwise could not attend college. Clayton Junior College has established the guideline that the primary responsibility for financing a college education lies with the student and his family. Thus, the needs of an individual student for financial assistance are determined by the difference between what he and his family can contribute and the actual cost of attending Clayton Junior College. A student's family contribution and need analysis will be processed by the College Scholarship Service when the Financial Aid Form is filed for processing. Financial Aid Forms are available from most secondary school counselors, from the Director of Financial Aid at Clayton Junior College, or from the College Scholarship Service, Box 176, Princeton, New Jersey 08540.

#### THE FINANCIAL AID APPLICANT SHOULD

1. File a formal application for admission to Clayton Junior College;
2. File an application for financial aid (available from the Director of Financial Aid at Clayton Junior College);
3. File a Financial Aid Form through the College Scholarship Service, requesting that a copy be sent to Clayton Junior College;
4. File an application for a Basic Educational Opportunity Grant and return the Student Eligibility Report to the Director of Financial Aid, Clayton Junior College.

## GENERAL WORK PROGRAMS

### COLLEGE WORK-STUDY PROGRAM

The College Work-Study Program is available to the qualified student at the time of initial enrollment or thereafter. Family income is the primary basis for determining eligibility. Satisfactory academic progress and work performance is required.

Under present arrangements, a student may work each class day during the regular quarter, based upon the amount of his financial need. There also is the possibility of full-time summer work. Since the student earns the funds, no repayment is necessary.

A student who qualifies for aid under the College Work-Study Program also may qualify for a loan and/or a grant, thereby making it possible for him to receive sufficient aid to meet virtually all educational expenses.

### COOPERATIVE EDUCATION PROGRAM

Clayton Junior College offers a cooperative plan of education both to give the participating student experience in business or industry and to provide financial assistance. Usually a co-op student alternates a quarter of classes with a quarter of work; however, certain programs of study are more adaptable to a parallel arrangement in which the student attends classes part day and works part day. Each individual study/work schedule will be adapted to meet the needs of the student and the employer. Complete information concerning cooperative education at Clayton Junior College is available from the Director of Cooperative Education.

## GENERAL LOAN PROGRAMS

### GEORGIA HIGHER EDUCATION ASSISTANCE CORPORATION (GHEAC)

Educational loans may be obtained annually by qualified Georgia residents from private lending institutions participating in the state and federal guaranteed student loan programs. The maximum loan is \$1,500 per year.

Loans made to students by private lending institutions are guaranteed by GHEAC. All interest on such loans made to students whose adjusted family income was less than \$25,000 during the preceding taxable year is paid the lender by the United States Government through GHEAC while the student is in school. Loans are repayable by students in monthly installments following graduation or withdrawal from school together with interest then accruing on the loan.

Loans may be obtained for study at approved colleges, graduate schools and post-secondary schools. Students wishing to apply for a Guaranteed Student Loan for a specific career field may review data in the Office of the Director of Financial Aid, as to employment and salary of people already employed in the specific career field.

Further information and applications may be obtained from the Director of Financial Aid, Clayton Junior College or directly from GHEAC, Suite 110, 9 LaVista Perimeter Park, 2187 Northlake Parkway, Tucker, Georgia 30084.

#### **NATIONAL DIRECT STUDENT LOAN**

The National Direct Student Loan is available to students with financial need at the time of his enrollment or thereafter. Interest at three percent begins to accrue nine months after the borrower leaves school. The loan may be repaid in one lump sum or in installments. Borrowers who elect to teach in certain eligible schools located in areas of primarily low-income families may qualify for cancellation of the entire obligation over a five year period.

Clayton Junior College is able to provide matching funds for National Direct Student Loans and Nursing Student Loans and Emergency Loans to students through a generous grant by the John Word West Education Foundation, Inc.

#### **EMERGENCY LOANS**

In cases of exceptional circumstances, a student may apply for an Emergency Loan of up to 80% of his matriculation fee. A student wishing to apply for an Emergency Loan should secure from the Director of Financial Aid a copy of the guidelines and application form, to be returned to the Director of Financial Aid at least two working days prior to the Official Registration Day of the quarter in which he plans to enroll. Emergency Loans are not available at Early Registration and must be repaid within a period of 30 days.

#### **GRANTS**

##### **BASIC EDUCATIONAL OPPORTUNITY GRANTS**

The Basic Educational Opportunity Grant Program is a Federal aid program designed to provide financial assistance to those who need it to attend post-high school educational institutions. Basic Grants are intended to be the "floor" of a financial aid package and may be combined with other forms of aid in order to meet the full costs of education. The amount of your Basic Grant is determined on the basis of your own and your family's financial resources.

The Basic Educational Opportunity Grant Award is a grant and, unlike a loan, does not have to be repaid. It is estimated that during the 1977-78 academic year the awards will range between \$50 and \$1,000.

To apply for a basic grant, a student must complete an "Application for Determination of Basic Grant Eligibility." Copies are available from the Director of Financial Aid, Clayton Junior College.

##### **SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT**

This program has the single purpose of making a college education available to the high school graduate of exceptional financial need who, without the grant, would be unable to attend college.

The minimum grant is \$200, but this may not exceed one-half of the student's financial need as established by the Financial Aid Form. Further, the SEOG can be no more than one-half of the financial aid supplied by the college. The balance could include a National Direct Student Loan or earnings under the College Work-Study Program.

#### **GENERAL SCHOLARSHIP PROGRAMS**

##### **REGENTS' SCHOLARSHIPS**

Regents' Scholarships were established for the purpose of assisting the student of superior ability who needs financial aid in order to attend college. The scholarship program is administered by Clayton Junior College in accordance with policies established by the Board of Regents.

In order to qualify for a Regents' Scholarship, an applicant must enroll as a full-time student and have average grades or predicted average grades that place him in the upper 25% of his class. The amount of the scholarship will depend upon the financial need of the applicant as determined by the College Scholarship Service Need Analysis Report. The maximum Regents' Scholarship award during any academic year is \$500 for a junior college student.

Recipients of a Regents' Scholarship are expected, upon completion of their program of study, to reside in the State of Georgia and to engage in work for which they were prepared through scholarship aid for a period of one year for each \$1,000 of scholarship aid received.

##### **GEORGIA INCENTIVE SCHOLARSHIP**

The Georgia Incentive Scholarship was created by an act of the 1974 Georgia General Assembly in order to establish a program of needs, creating scholarships for qualified Georgia residents to enable them to attend eligible post-secondary institutions of their choice within the state. The scholarship awards are designed to provide only a portion of the student's resources in financing the total cost of post-secondary education.

Further information and applications may be obtained from the Director of Financial Aid, Clayton Junior College or directly from Georgia Higher Education Assistance Authority, Suite 110, 9 LaVista Perimeter Park, 2187 Northlake Parkway, Tucker, Georgia 30084.

##### **CLAYTON JUNIOR COLLEGE FOUNDATION SCHOLARSHIPS**

The Clayton Junior College Foundation, Inc. provides financial assistance for students in the form of two-year, full-tuition scholarships. Eligibility to receive these awards is based upon academic excellence (and a course of study selection).

To be eligible, students must have a minimum score of 1,000 on the Scholastic Aptitude Test. A total of ten awards will be made for the 1977-78 year. Scholarships will go to students of superior ability and talent who plan to major in business, music, art, teacher assistants, or a number of health-related

fields. In addition, at least one scholarship will be awarded to an outstanding student with any major.

Students wishing to apply for Clayton Junior College Foundation Scholarships should contact the Director of Financial Aid at Clayton Junior College.

#### CLAYTON JUNIOR COLLEGE FOUNDATION MERIT SCHOLARSHIPS

"Foundation Merit Scholarships" are sponsored by the Clayton Junior College Foundation, Inc. to recognize and reward outstanding area high school students for their record of academic achievement.

Awards for recipients of "Foundation Merit Scholarships" are provided for the highest ranking graduates of selected area high schools who elect to attend Clayton Junior College. To be eligible students must be in the top five percent of their class.

The following area high schools participate in this program:

Forest Park Senior High	Lakeshore High
Jonesboro Senior High	Westwood High
Morrow Senior High	Headland High
North Clayton Senior High	College Park High
Henry County High	M. D. Collins High
Stockbridge High	Russell High
Fayette County High	Hapeville High
Briarwood High	Palmetto High
Campbell High	

These awards cover the entire cost of Georgia residency tuition and fees for a full-time student for two years. A financial aid application is not required for this scholarship as each high school designates those eligible.

#### JOHN WORD WEST SCHOLARSHIPS

Financial assistance is available to deserving students as the result of a generous grant made to Clayton Junior College by the John Word West Educational Foundation, Inc. These funds provide for assistance in the form of scholarships to deserving students.

This assistance is designed to provide incentive for those deserving students who might not go to college without this financial encouragement. It is further the intent of the Fund to provide an attraction for those exceptional students who due to this recognition, would continue to develop their talents.

Those students who would profit from attending college and who have shown reasonable academic promise are encouraged to apply for a John Word West Scholarship.

Scholarship recipients will normally receive a scholarship to cover all resident tuition and fees for one academic year to attend Clayton Junior College. Students awarded a one-year scholarship will be given preference for a second one-year award. Scholarships may be awarded for periods of less than one academic year.

A recipient of a scholarship must maintain status as a full-time student enrolled in a program leading to a career or transfer degree.

#### SPECIALIZED SCHOLARSHIP AND LOAN PROGRAMS

##### LEEP GRANT PROGRAM

The Law Enforcement Educational Grant Program (LEEP) is administered by the Department of Justice to provide financial assistance for the in-service law enforcement officer continuing his education at the college or university level. An in-service employee of an enforcement agency can receive up to \$200 per academic quarter, not to exceed the cost of tuition and fees. Repayment of the award can be made through two years of employment within the field of law enforcement following completion of any course funded by a grant, or in cash at seven percent simple interest per annum through regular monthly payments of at least \$50 to the U.S. Department of Justice.

##### NURSING SCHOLARSHIP/LOAN PROGRAM

The purpose of the program is to assist a student of exceptional financial need to undertake courses of study leading to an Associate of Arts degree in Nursing. The maximum scholarship amount is \$2,000, or the amount of financial need, whichever is less. The maximum amount that may be borrowed for an academic year is \$2,500. This is subject to availability of funds and to the amount of need. Loans are repayable over a ten year period beginning nine months after the student leaves school. Interest begins to accrue at the time the loan becomes repayable at the rate of three percent per annum. If a borrower is employed full-time as a professional nurse in any public or nonprofit private agency, institution, or organization (including neighborhood health centers), up to 85% of the Nursing Student Loan plus interest may be canceled at the rate of 15% a year for the first three years and 20% a year for the next two years.

Clayton Junior College is able to provide matching funds for National Direct Student Loans and Nursing Student Loans and Emergency Loans to students through a generous grant by the John Word West Education Foundation, Inc.

##### STATE DIRECT STUDENT LOANS

State Direct Student Loans may be made to students who plan to enroll in educational programs leading to careers in approved health-care fields. Students may borrow up to \$1,500 per academic year and may elect to cancel the repayment obligation by practicing their professions in Georgia one calendar year for each academic year of financial assistance.

Approved undergraduate fields of study include dental hygiene, dietetics, hospital administration, laboratory technology, medical records administration, medical technology, nursing, occupational therapy, physical therapy, physician assistant, radiologic technology and respiratory therapy. Graduate and specialized fields of study include dentistry, special education, hospital administration, nurse anesthesia, nursing, optometry, pharmacy, physical therapy, school psychology and veterinary medicine.

## HISTORY OF CLAYTON JUNIOR COLLEGE

June 1965	Board of Regents authorized three new junior colleges, one to serve south metropolitan Atlanta.
October 1965	Board of Regents designated northern section of Clayton County as general location of the college.
October 1966	A \$4,900,000 bond issue was passed by the citizens of Clayton County.
February 1967	\$3,300,000 was transmitted to the Board of Regents for buildings and equipment.
February 1968	College was officially named Clayton Junior College.
October 1968	Construction of facilities began.
August 1969	First building was occupied by members of college staff.
September 1969	Classes opened with 942 students.
January 1971	College was accredited by the Southern Association of Colleges and Schools.
September 1974	New Classroom Building was occupied.

## ACCESSIBLE CAMPUS

Ramps for handicapped students were completed prior to the Fall Quarter, 1974, making every building and every floor at Clayton Junior College accessible to wheelchair students. Efforts to develop an accessible campus were made possible by the encouragement and assistance of the Clayton County Commissioners and the Clayton County Public Works Department.

Three curb cuts were made by the Public Works Department, one for the Library/Student Center, one for the Physical Education Building, and one near the Classroom Building which also serves three other existing structures. In addition, a steel ramp is placed in front of the Administration Building, making it possible for wheelchair students to enter the college grounds from almost any direction.

Both of the college's two-story buildings — The Library/Student Center and the Classroom Building — were constructed with elevators in addition to stairways, making every floor accessible to wheelchair students.

## STUDENT SERVICES AND STUDENT ACTIVITIES

For answers to questions concerning this section of the catalog, please contact:

The Office of the Dean of Students

Personnel in that office include:

The Dean of Students

The Director of Counseling and Testing

The Director of Financial Aid and Placement

The Director of Student Activities

The Coordinator of Veterans' Affairs

## CLUBS/ORGANIZATIONS

The organization of student-interest groups related to the programs and the purposes of the college is encouraged. Clubs and organizations now in operation include the Art Club, Auto Club, Black Cultural Awareness Association, Collegiate Civitan, Conservation Club, Circle K, Junior Dental Hygienists of America, Lambda Alpha Epsilon Criminal Justice Fraternity, Music Club, Outreach (Nondenominational Religious Organization), Phi Beta Lambda Business Club, Phi Theta Kappa National Junior College Honorary, Student Association of Educators, Student Nurses Association of Georgia, and the Veterans Club.

## LYCEUM

Each quarter the Lyceum Committee presents a series of concerts, recitals and lectures for the intellectual enrichment and enjoyment of the student. These programs are often offered in conjunction with a particular course in mind. Among the major lecturers in recent years have been Senator Sam Ervin, Dean Rusk, Stuart Udall, Walter Heller, Eric Sevareid, Ben Bradlee, Senator Birch Bayh, Congressman Peter Rodino, Paul Ehrlich and Ernest Gaines.

## GENERAL ENTERTAINMENT

General Entertainment presents many outstanding recent feature films during the year; some of the major ones have been "One Flew Over the Cuckoo's Nest," "Lucky Lady," "Three Days of the Condor," "Blazing Saddles," and "Bad News Bears." General Entertainment also presents popular concerts and dances throughout the year including folk, rock, country, and jazz.

## CAREER LIBRARY

The Career Library is located in the Office of Counseling and Testing. It contains a large collection of college catalogs and applications to assist students in transferring to senior colleges. There is also an up-to-date library of career-related materials and occupational information.

## COUNSELING/TESTING

Counseling is available to Clayton Junior College students in a variety of areas. The goal is to assist students in gaining a better understanding of themselves as they are able to make more informed personal, academic, and vocational choices. In addition to individual counseling, numerous group programs are offered in topics such as interpersonal skills, values clarification, test anxiety reduction, study skills, and career planning. A broad range of interest and personality tests are also available to the individual student.

The Office of Counseling and Testing also administers the Scholastic Aptitude Test, the Dental Hygiene Aptitude Test, examinations of the Advanced Placement Program, and the Regents' Testing Program of the University System of Georgia.

## DRAMA ACTIVITIES

The student interested in acting and stage craft is encouraged to participate in drama productions sponsored by the Lyceum Committee. Auditions open to all students of the college are held for productions staged throughout the academic year. These range from improvisational presentations and chamber theatre to three-act plays.

## FINANCIAL AID

A full program of Financial Aid, including employment, loans, scholarships, and grants, is available to the student through the college. Information about financial aid is published in the preceding section of this catalog.

## FRESHMAN SCHOLARS

A student enrolled as a Freshman Scholar at Clayton Junior College is eligible and is encouraged to participate both in the activities of his high school and of Clayton Junior College.

## HEALTH SERVICES

A student at Clayton Junior College is responsible for making arrangements for his own health care with the following exceptions:

1. First-aid for minor accidents is available in the Office of the Dean of Students and in the Physical Education Building;
2. On-campus emergencies will be handled by the Department of Public Safety or the Office of the Dean of Students;
3. A group policy of health and/or accident insurance is available through the Office of the Dean of Students for the student who elects to subscribe.

## HOUSING INFORMATION

Information on housing near the campus is available to the student through the Office of the Dean of Students. However, the college neither approves nor disapproves housing, and the selection of student housing is the responsibility of the student and/or his parents or guardian.

## INTRAMURAL ATHLETICS

A full program of intramural athletics involving both team and individual activities is scheduled during each academic quarter and is open to each student of the college.

## MUSICAL GROUPS

Organized musical groups on campus include the Clayton Junior College Choir, Concert Band, Brass Ensemble, Piano Ensemble, Renaissance Consort, and String Ensemble. Each of these groups performs both on and off campus. A student interested in membership auditions through the music faculty of the college.

## ORIENTATION/STUDENT HANDBOOK

An Orientation Session for the new student is held at the beginning of each academic quarter to acquaint him with the campus and with college programs and policies. During Orientation, a copy of the *Student Handbook* published by the Office of the Dean of Students is presented to each new student. The *Student Handbook* describes the rights and responsibilities of the student at Clayton Junior College. Each student of the college is expected to obtain a copy of the *Student Handbook*, to familiarize himself with it, and to be responsible to its contents.

## PLACEMENT SERVICE

The Placement Office in the Office of the Dean of Students functions to assist the student and the graduate of the college in securing employment. This office maintains a listing of part and full-time employment opportunities

available in the community. These listings include jobs for the student currently enrolled at the college and permanent employment opportunities for the graduate.

Employment information is located on bulletin boards throughout the campus.

## PUBLICATIONS

The Publications Committee is responsible for assisting the *Bent Tree* (student newspaper) and the *Clay Tablet* (campus literary magazine) staffs in coordinating financial matters and in establishing and maintaining standards of responsible journalism. Academic credit can be received for participating as a member of the *Bent Tree* staff or the *Clay Tablet* staff.

## STUDENT AFFAIRS COMMITTEES

Several faculty/student committees, sub-committees, and commissions are responsible for coordinating and supervising student-oriented functions and activities through the Office of the Dean of Students. These include the Student Affairs Committee, the Lyceum Committee, the General Entertainment Committee, the Publications Committee, the Judicial Commission, the Intramurals Committee, and the Health and Safety Committee.

## STUDENT CONDUCT: RIGHTS AND RESPONSIBILITIES

It is anticipated that a student of Clayton Junior College will conduct himself in accordance with the regulations set down in this catalog and in the *Student Handbook*. A violation of the student conduct code will be adjudicated through the Office of the Dean of Students.

## STUDENT GOVERNMENT

It is the philosophy of Clayton Junior College that student government should provide an organizational framework within which a student may participate in and contribute to the operation and development of the college. The Clayton Junior College Student Government Association is a bicameral body comprising 18 student representatives elected proportionally from the following groups: 1) career majors; 2) humanities majors; 3) natural sciences and mathematics majors; 4) social sciences majors; 5) business majors; and 6) undeclared majors. All members of the Student Government Association, including the President and Vice-President, are elected directly by the student body of the college in elections held Spring and Fall Quarters.

## TUTORING

Whenever possible, the Office of the Dean of Students will match a student experiencing academic difficulties with a student willing to tutor others in his area(s) of proficiency. A veteran attending Clayton Junior College under the G.I. Bill or a serviceman enrolled at Clayton Junior College is eligible to participate in

the Veterans' Tutorial Program, which provides funds for veterans and servicemen requiring tutors.

## VEHICLE REGISTRATION

To insure efficient control of traffic and parking on campus and the safety of all persons and vehicles, each motorized vehicle operated at Clayton Junior College must be registered with the Department of Public Safety and must display an affixed decal. These are issued without cost to the student at the beginning of any academic quarter.

## VETERANS' SERVICES

The Veterans' Affairs Office was established at Clayton Junior College to assist the veteran in utilizing his educational benefits to the fullest advantage. Any veteran enrolled or planning to enroll at Clayton Junior College is invited to contact the Veterans' Affairs Coordinator in the Office of the Dean of Students with questions about his educational benefits under the G.I. Bill.

The veteran enrolled at Clayton Junior College is encouraged to take advantage of such programs as the Veterans' Tutorial Program for the veteran who is experiencing academic difficulties and the Special Studies Program for the student who needs to review basic academic skills. The veteran enrolled at Clayton Junior College also may contact the Office of Veterans' Affairs for assistance in dealing with difficulties with the Veterans' Administration.

The following is a guide for veterans applying for veterans' benefits to be used at Clayton Junior College:

1. *New Students.* A veteran who has never used his educational benefits should obtain Form #1990 from either the Veterans' Affairs Office or the Office of the Registrar and return the completed form together with his DD-214 to the Veterans' Affairs Office.
2. *Previously-Enrolled and Transfer Students.* A veteran who has received benefits previously at Clayton Junior College or at another college or university should obtain Form #1995 from either the Veterans' Affairs Office or the Office of the Registrar, complete the form, and return it to the Veterans' Affairs Office.
3. *Each* veteran attending Clayton Junior College is requested to notify the Veterans' Affairs Office each quarter of their total number of enrolled hours. This will insure that each eligible veteran will continue to receive his benefits during the following quarter.

## COMMUNITY SERVICES

Clayton Junior College is a college dedicated to serving the educational and cultural needs of the south Atlanta metropolitan community. As an institution of the University System of Georgia, the college shares with its sister institutions the philosophy that such service should extend beyond purely academic offerings to the special educational and cultural needs of the community itself, especially through continuing education for adults in all walks of life.

The Office of Community Services is an integral part of the structure of Clayton Junior College. It is the mission of this office to act as a liaison between the college and the community in a variety of settings to make resources of the college readily available to the community and to make special educational needs of the community known to the college.

Last year, over 4,500 persons participated in Continuing Education Courses offered by the Office of Community Services during the four quarters of the academic year. Directed toward personal and professional enrichment, Continuing Education Courses require no college prerequisites or tests. They are offered both on the Morrow campus and at off-campus centers within the community. Community Services Bulletins describing Continuing Education Courses to be offered, their meeting dates, and fees are distributed throughout the community before the beginning of each quarter. A person wishing to be placed on the mailing list of Community Services Bulletins is invited to contact the Office of Community Services.

This office also works with groups of individuals within the community to generate Continuing Education Workshops and Seminars to meet other special educational needs. During the last several years, for example, the office of Community Services has sponsored and conducted workshops on inheritance laws and taxes entitled "Wills, Taxes and Planned Gift-Giving," on state certification of Teacher Aides at the early childhood level, as well as coaching clinics for parents and coaches of youth athletic leagues.

Other workshops and courses are planned and conducted to meet special needs of local government officials and of the business community such as Supervisory Development workshops offered jointly with the University of Georgia.

As an institution of the University System of Georgia, Clayton Junior College also serves as the official representative of the resources of the entire University System for the south Atlanta metropolitan community. Therefore, the Office of Community Services is a liaison between individuals and groups within the community and other institutions of the University System of Georgia, bringing the resources of those institutions to bear on educational needs within the college's service area. Thus, the Director or Assistant Director of Community Services is always eager to discuss with individuals or groups within the community special educational and/or cultural needs which may be met through the resources of Clayton Junior College, through the resources of another institution of the University System of Georgia, or through institutional cooperation.

## THE CLAYTON JUNIOR COLLEGE FOUNDATION, INC.

In September of 1974, a charter was obtained for a new corporation with perpetual duration, entitled "The Clayton Junior College Foundation, Inc." A non-profit corporation, the new Foundation was established primarily to assist and support Clayton Junior College in the pursuit of excellence in programs and services, and to assist and encourage citizens of our community in their pursuit of an education. An annual program of work established by the Board of Trustees of the Foundation focuses on scholarships for area high school students to attend Clayton Junior College; awards for outstanding students, faculty and staff already associated with the college; and the establishment of an Endowment Fund to insure support of programs of the Foundation in future years.

The Foundation welcomes interest in its programs and goals, and is in a position to accept support for special programs that citizens may wish to identify. All contributions to the Foundation are tax deductible.

Nine area business and professional leaders who petitioned for the incorporation of the Clayton Junior College Foundation, Inc. served on its initial Board of Trustees during the 1974-75 fiscal year. These members were:

Harmon M. Born, Rex, Georgia (chairman)  
G. Robert Oliver, Morrow, Georgia (vice-chairman)  
Charles S. Conklin, Jonesboro, Georgia (secretary-treasurer)  
Harry S. Downs, Morrow, Georgia (assistant treasurer)  
H. M. Bradford, Forest Park, Georgia  
S. Truett Cathy, Hampton, Georgia  
Ernest A. Dunbar, Jr., MD, Morrow, Georgia  
Claude H. Whaley, Jonesboro, Georgia  
James M. Wood, Jr., Forest Park, Georgia

Trustees added to the Board since the charter was obtained include:  
W. Cameron Mitchell, Hampton, Georgia  
Griffin Patrick, Jr., College Park, Georgia  
Elbert H. Stiff, Jonesboro, Georgia

#### USE OF COLLEGE FACILITIES

Facilities and equipment of the college are provided for the purpose of supporting the educational programs and services approved for the college by the Board of Regents.

The Office of Community Services is responsible for sanctioning the use of college facilities by groups not affiliated with the college. The primary considerations in determining use of college facilities by outside groups are whether or not the proposed activity is in keeping with the mission of the college and whether or not the college has the resources to co-sponsor the activity as one of its own programs.

Activities of other educational agencies, state and local governments, and non-profit organizations which are in conformity with the purposes of the college are usually approved and co-sponsored by the college.

The facilities of the Physical Education Building are available for use by members of the college community during the normal operating hours of that building. The adjacent playing fields, tennis courts, and putting green also are available for use by members of the college community.

Policies governing the use of these facilities are designed to permit maximum utilization by students, faculty, staff, and their guests; to insure the safety and well-being of the participants; and to provide for the protection, care, and maintenance of the facilities.

# CJC CAMPUS

A. The ADMINISTRATION BUILDING houses the offices of the President, the Dean of the College, Admissions and Records, Comptroller, Community Services, Public Information, the Director of Cooperative Education, and the Director of the Computer Center. The college's Computer Center is located in the Administration Building with additional terminals located in the Library.

B. The ROUND BUILDING contains six lecture rooms. These lecture rooms accommodate from 50 to 150 students. Each is served by a multi-media backscreen projection audio-visual system.

C. The ACADEMIC BUILDING contains general classroom and special purpose rooms and laboratories for science, nursing, and secretarial studies. Located in the office complexes within the Academic Building are the offices of the chairman and faculty of the Division of Business and the Division of Natural Sciences and Mathematics, the offices of the head and faculty of the Department of Nursing and the Department of Dental Hygiene, and the offices of the staff of the Dean of Students.

D. The LIBRARY/STUDENT CENTER houses the college's Library and Media Services on the upper level. The lower level contains the Dental Hygiene Clinic and laboratory; Student Lounge, and area of Student Government Association and student publications offices; Bookstore; and dining facilities and grill service.

E. The PHYSICAL EDUCATION BUILDING contains instructional and activity areas for physical education; shower and locker rooms for men and women; and faculty offices. Playing fields for softball and baseball, tennis courts, and a putting green for golf are located adjacent to the Physical Education Building.

F. The MAINTENANCE BUILDING contains the offices of the Director of Public Safety, the Director of Plant Operations, and storage area for the college's inventory of operating supplies.

G. The CLASSROOM BUILDING includes specialized areas for music and art, and the college's modern 230-seat Lecture Hall. Located in the office complexes within the Classroom Building are the offices of the chairman and faculty of the Division of Humanities and the Division of Social Sciences, and the head and faculty of the Department of Special Studies.

**DEPARTMENT OF PUBLIC SAFETY**

It is the purpose of the Department of Public Safety to assist the administration, faculty, students, and staff of Clayton Junior College to maintain a pleasant, safe, and orderly environment in which to work and to learn. To this end, it is the responsibility of this department to enforce the traffic rules and regulations of the college and to enforce local, state, and federal laws on campus in cooperation with appropriate law enforcement agencies. Violation of a local, state, or federal law by a student also may be a violation of the student conduct code as set down in the *Student Handbook*; in such a case, the violation will be referred to the Office of the Dean of Students in addition to the appropriate law enforcement agency.
