

The 1994 Time Capsule Committee humbly places these precious items within the capsule in the hopes that future friends of Clayton State College will enjoy reminiscing over the past of this noble institution. May the 2019 Time Capsule Committee experience as much joy as we did in gathering the special items from this school's past. Thank you!

Overheard Remarks of Time Capsule Committee Members:

R. Wayne Stewart: "I'll have it ready by tomorrow."

Angelyn Hayes Cheyne: "Let's check it one more time ... "

Catherine Jones McClarin: "I'll be right back. I have to go pick up some time capsule items."
